 Al Maslool 3 9-7	W Haggas	Tom Marquand	9-2	74	17	81
Thrice-raced colt who made no impression at Yarmouth (kept to 1m) on turf debut most recently but may be ready for a crack at this longer distance; one of the main contenders on penultimate effort, namely 11 third at Lingfield (AW).						
 Barak Warrior 3 9-7	J Keane	Jack Mitchell	20-1	-	-	-
30,000euros yearling, 20,000gns 2yo; by Teofilo and first foal of twice-raced (RPR 62) daughter of Irish 1,000 Guineas winner; one of several newcomers in the field; market instructive.						
 Cape Fear 3 9-7	A Balding	P J McDonald	11-4	-	63	77
Seemed in need of the experience and/or found 1m on the sharp side in sole 2yo start; fared better with third-place finish upped to 1m2f at Bath (good) on reappearance and is bred to do better still, being related to a few winners for his yard; respected.						
 It's Debatable 3 9-7	E Bethell	Callum Rodriguez	10-1	-	-	-
40,000gns yearling; brother to French 1m/1m4f winner Dixmude; dam US 8.5f turf scorer, half-sister to winners Vue Fantastique (1m2f Group 3) and Calling Out (1m 2yo Listed); this debutant represents an in-form stable; interesting.						
 Le Morbihan 3 9-7	D Menuisier	Cieren Fallon	10-1	-	-	-
65,000euros yearling; by Sea The Moon; dam unraced sister to 7f/8.6f 2yo winner Pomelo, half-sister to Group 1 scorers Bluestocking (1m2f/1m4f including Arc) and Qirat (1m Sussex Stakes); nicely bred newcomer.						
 Fighter's Spirit 3 9-3	S bin Suroor	Oisin Orr	4-1	-	-	-
Godolphin debutant by Masar out of French 7f-winning (RPR 80) half-sister to Listed scorers Promesse De L'Aube (German 1m2f), Elite Army (1m4f) and Pure Diamond (UAE 7f); heed the market signals.						
 Mayflower Billy 3 9-3	J Macey	Lewis Edmunds	25-1	-	53	77
Outsider in both starts; appeared to run well, finishing fourth, at Thirsk (1m) switched to turf on reappearance but looks the type who'll find better opportunities in handicaps shortly.						
 Three No Trumps 3 9-3	E Dunlop	Rossa Ryan	11-4	-	67	78
Belied his 100-1 odds with close third at Kempton (1m, AW) in sole 2yo run; posted a lesser effort when 25-1 at Doncaster (1m2f) on reappearance but may improve with the outing under his belt and this seems a slightly easier race.						

SPOTLIGHT VERDICT Being related to a few winners for his stable, **CAPE FEAR** may be the answer with another step forward plausible. **Al Maslool** (second pick) has possibilities upped in trip, while **Three No Trumps** holds a good chance at the weights based on his 2yo effort. The market signals should be heeded with regard to the newcomers.[Steve Boow]

 Arrbob 2 9-7	R & P Fahey	Harry Russell	6-1	-	44	50
Dam had some speedy siblings, including Group 3 winner Strath Burn; 20-1 for debut in the Brocklesby at Doncaster (5f, good to soft) in March where he was very slowly away but showed some minor promise thereafter; this stiffer test may well suit and can expect improvement.						
 Disbelief 2 9-7	A Keatley	Mikey Sheehy	20-1	-	-	-
January foal; 11,000gns foal, £26,000 yearling; first foal; by Ubettabelieveit out of 7f/1m maiden (RPR 41), half-sister to winners All Star Cast (French Listed-placed 7f 2yo) and Manuha (1m); has been gelded; yard had a shortish-priced beginner run respectably this month; market can guide.						
 Matteo 2 9-7	K A Ryan	Kevin Stott	7-4	-	-	-
February foal; 43,000euros yearling by Coulisty; fourth foal; half-brother to 6f AW winner Alainn Tu (RPR 58); dam 5f 2yo winner (90), half-sister to Listed-placed 7f/1m winner Sensei; yard has already unearthed a good winning 2yo newcomer this year (favourite) and won this with a beginner last April; likely type.						
 Ronson 2 9-7	N Tinkler	Rowan Scott	33-1	-	-	-
February foal; second foal; by Ubettabelieveit out of 6f winner (RPR 57), half-sister to several winners including Bahuta Acha (5f/6f including 2yo; RPR 84) and Mininggold (5f/6f including 2yo; 82); yard has low strike-rate in 2yo maiden and novice events in recent years; likely other days.						
 Concert Pitch 2 9-4	B Ellison	Cam Hardie	50-1	-	-	-
February foal; 7,000euros yearling; sixth foal; by Kuroshio; half-brother to winners Philos (1m4f/1m6f AW; RPR 67) and Cham's Pride (Spanish 9.5f including 2yo); dam French 9.5f turf/10.7f AW winner; looks best watched making debut against 2yos with speedier pedigrees.						
 Craven Force 2 9-4	C Lidster	Joanna Mason	50-1	-	-	-
February foal; 16,000gns yearling; sixth foal; by Caturra; half-brother to winners Make Us Proud (1m4f/1m7f including AW/Australia; RPR 95) and Sesame Birah (Listed-placed 7f 2yo; 93); dam 1m4f AW winner (79); no surprise if this 5f proves on the sharp side.						
 Amantha 2 9-2	B Ellison	Ben Robinson	66-1	-	22	45
28-1 for her recent debut over C&D when slowly away and finished at the back of the pack; unlikely for now; yard also runs Concert Pitch.						
 Beautiful Rainbow 2 9-2	J Tate	Rossa Ryan	5-2	-	-	-
April foal; 40,000euros yearling; first foal; by Cotai Glory out of 6f 2yo/1m winner (RPR 83) whose winning siblings include Amadeus Wolf (6f 2yo Group 1) and Rouleau (6f 2yo Group 3); bred to go a bit and yard 1-7 with 2yos here in last five years; market check needed.						
 Half A Hoof 2 9-2	O Sangster	Pierre-Louis Jamin	4-1	-	-	-
March foal; 31,000euros yearling; eighth foal; Lucky Vega half-sister to winners including Fullness Of Life (Italian 6f-1m including 2yo/Group 3; RPR 99) and Sopran Brescia (Italian 1m1f-1m3f); dam Italian 6f 2yo winner; yard had few turf runners this year but 3-6 with 2yos here; market helpful.						
 Lauralynn 2 8-13	Declan Carroll	Zak Wheatley (3)	9-1	-	56	75
Suffered a wide passage on C&D debut (good to soft; 40-1) last week where she shaped quite nicely, losing second only late on behind a smart newcomer; should improve but there are dangers among the newcomers.						

SPOTLIGHT VERDICT **Arrbob** is better than he was able to show at Doncaster and **Lauralynn** belied her big price with a promising C&D run last week but the winner could come from the newcomers. **MATTEO**'s yard won the race last year and has already sent out a useful winning newcomer so has a good deal going for him on the face of it. **Beautiful Rainbow** is much respected on pedigree while **Half A Hoof** represents a trainer with a 3-6 strike-rate with juveniles here. As ever, the betting will help to sort them out. [Emily Weber]

	Jenever 7 9-9b	J Macey	Lewis Edmunds	8-1	79	83	90
Unraced on this course but some of his best form has come over Sandown's similarly stiff 5f and he's back on the same mark as his latest win there last June (good; a race he'd won 12 months earlier); every chance of being seen to good effect back on turf.							
	Novello Lad 5 9-8	P Midgley	David Nolan	20-1	78	75	92
All best form at 6f on good or quicker ground; easily excused a modest farewell to 2025 on account of soft going but he does have something to prove in his first-ever 5f run.							
	Arctic Summer 4 9-7	G Tutty	Connor Beasley	20-1	77	58	89
Won over 6f in France (very soft) as 2yo; couldn't cope with high marks in Britain last year and made no serious impact on reappearance at Doncaster (6f, good to soft) last month; may need more weight off her back.							
	Ventura Express 9 9-7	P Midgley	Jason Hart	9-2	77	69	90
Has won two of three C&D starts (good and good to firm), the latest in July 2024; went very close to breaking the losing run when involved in a tight finish on Southwell AW in March; convincing claims.							
	I'm Next 4 9-7	T Easterby	David Allan	3-1	77	85	93
Has won three of 11 handicaps (heavy/AW/good to soft; acts on good to firm), also runner-up to strong candidates on two occasions, including when losing his lead near the line over C&D last week; solid chance off the same mark; due 1lb rise.							
	Trilby 6 9-5t	S England	P J McDonald	11-2	75	86	90
Three of five wins have come at Haydock but he found an impressive finish when winning over C&D (good) last April on sole course start; on his lowest mark since the summer of 2024 and can go well with tongue-tie refitted.							
	Tees Aggregates 4 9-4	A Nicholls	Jack Garritty	11-2	74	75	91
Can be slowly away but he showed no mercy to his rivals when making all over C&D (good to firm) last August; returned from a long winter break with an unlucky run on Southwell AW 16 days ago and he's one to be interested in back on this track; yard won race in 2022.							
	Fuji Mountain 4 8-12b	Declan Carroll	Zak Wheatley (3)	100-30	68	87	90
Two 5f wins at Chester (good to soft and soft) as 2yo; had a tough 3yo season as a result but there were signs of life off a reduced mark in the autumn and he only just lost out at Pontefract (5f, good; first-time blinkers) on Tuesday; bang there if turning out again.							
	Until Dawn 4 8-6w h	Alan Brown	Rhys Elliott (5)	25-1	62	54	89
Two 5f wins on the AW early in 2025 but she was well below her best on sand in the autumn; has had wind surgery since but the suitability of this track is in doubt now back on turf for the first time in nearly a year.							

SPOTLIGHT VERDICT Pleasingly competitive with several who can be fancied. **I'm Next** returned from a break with a bold bid here last week and he looks sure to go well again. **Fuji Mountain**, who only just lost out at Pontefract on Tuesday, **Trilby**, impressive when winning his sole C&D start, and **Ventura Express**, another with good course form, also have good claims but **TEES AGGREGATES** gets a narrow vote. The drying ground will be ideal and his AW return was encouraging.[Emily Weber]

 A War Eagle 4 9-11	M & D Easterby	Billy Garritty	7-1	82	78	91
Low-mileage 4yo whose last two efforts, latest on stable/seasonal debut, can be excused; steadily progressive RPRs otherwise and gained sole success over C&D (good to firm); interesting back down in class and returned to this scenario.						
 Milteye 6 9-11	H Bethell	P J McDonald	11-4	82	62	94
Campaigning mostly on good ground or softer; tactically versatile; overcame traffic issues to get up in the final strides in apprentice race at Ripon (1m) last week, taking turf record to 5-20; drawn wide but otherwise has strong claims with penalty avoided; future mark 3lb higher.						
 Lord Roxby 4 9-10	N Tinkler	Rowan Scott	8-1	81	88	91
Campaigning mostly over sprint trips and gained his Beverley win at 5f (also effective at 6f); close second at Newmarket when last seen but doesn't appear to be crying out for this step back up in distance.						
 Nyman 4 9-9	R G Fell	Joanna Mason	14-1	80	64	91
Ex-Irish 4yo whose form (three attempts) for new yard features a win at Newmarket (7f, good to soft) last backend; possibilities returned to turf with AW reappearance (midfield) under his belt.						
 Priapos 4 9-9	P Makin	Shane Gray	9-1	80	82	89
Proved suited by the switch to AW towards the end of his 2025 campaign and nearly completed a 1m hat-trick on final outing; chance depends on whether he can keep up the good form returned to turf; only 1-12 in this sphere and 10lb higher than last attempt.						
 Capital Guarantee 6 9-8	D O'Meara	Cian Horgan (5)	16-1	79	86	90
Has failed to show his form in last four appearances but ground softer than good wasn't ideal on seasonal debut latest; 2lb below last winning mark and holds a fighting chance provided he rebounds.						
 Frostmagic 4 9-7	I Mohammed	Tom Marquand	7-2	78	48	89
Has won over middle distances, including on turf, but seems to need shorter nowadays and made all over 1m at Southwell (AW) when last seen; could make a bold bid on this track provided he again goes from the front; stable going very well (3-5 with big LSP) this month; respected.						
 Highfield Viking 6 9-3b	J & S Quinn	Jason Hart	7-1	74	85	92
Gained last year's two wins in August but has recorded his other two successes (2023/2024) in the month of April; drawn against the inner rail and could be a danger, provided he's in top form on seasonal debut; market support would heighten interest.						
 Surprised 4 9-3	B Smart	Paul Mulrennan	14-1	74	36	87
Lightly raced 4yo whose solid record in novice events, including 2yo success over C&D, has not been transferred to two handicaps; sold out of Ed Bethell's yard for £6,000 since last run; return to this scenario may have positive effect on stable/seasonal debut.						
 Yaajooz 5 9-3h	M & D Easterby	Lewis Chalkley (7)	14-1	74	83	92
Gained sole win in July 2024 on final start for previous yard; record of 0-9 for current stable doesn't tell the whole story as he's posted a few second-place finishes that represent peak form; capable of going well.						
 Tropez Power 7 8-10	M Walford	Rhys Elliott (5)	25-1	67	90	92
Gained sole turf success in 2021 and it's two years since last AW win; 0-4 for current stable and lacks recent match practice having been absent since November; probably best watched unless the market suggests otherwise.						

SPOTLIGHT VERDICT The signs look particularly good for **FROSTMAGIC (nap)**, especially if he's again able to dominate. **A War Eagle**, who looks interesting back over this C&D, is second pick ahead of **Nyman** who may still have more to offer for his current yard. **Milteye** has a good chance provided he can overcome a wide draw.[Steve Boow]

	Naval Tribute 5 9-9v ¹	J Owen	Cieren Fallon	5-1	70	-	81
Has worn cheekpieces since switched to handicaps, winning at Kempton (1m3f) then below par at Lingfield, both on AW; may rebound and have more to offer, provided he responds well to the fitting of visor.							
	Roland Garros 5 9-7tp	H Burton	Jason Hart	4-1	68	68	82
Needed a drop to Class 6 to open his account in Catterick event (1m4f, good) last time; back up in grade but may build on that win and also have more to offer in the retained cheekpieces.							
	Iwantmytimewithyou 4 9-5	E Dunlop	Rossa Ryan	11-4	66	71	83
Low-mileage 4yo who completed a turf double (1m4f/1m6f) last July; creditable second at Kempton (1m4f, AW) on reappearance; has shown all that best form in Class 6 but may do better still this term; respected.							
	Dr Rio 10 9-5	Declan Carroll	Zak Wheatley (3)	12-1	66	68	81
Veteran who is 6-23 at Beverley, the most recent success last August in last 1m4f attempt; could go well returned to this scenario with Catterick reappearance (7f) under his belt.							
	Kitsune Power 7 9-1p	T Easterby	David Allan	5-1	62	77	84
Defied a much higher mark at Beverley in 2022; poor strike-rate since but he ran encouragingly when favourite at Catterick (1m4f) on seasonal debut and has possibilities back here, being so nicely weighted.							
	Freddy Robinson 7 8-11	B Ellison	Ben Robinson	6-1	58	77	83
Gained most recent win in handicap hurdle in December; beaten only 2l over C&D last week, taking Beverley record to 1423234; hasn't scored on Flat since June 2024 but looks a solid contender kept to this venue.							

SPOTLIGHT VERDICT Kempton runner-up **IWANTMYTIMEWITHYOU** is taken to go one better, with progress possible back on turf. Attractively handicapped **Kitsune Power** is second choice, ahead of solid **Freddy Robinson**. [Steve Boow]

Record of 0-8 on turf but he ran well at Yarmouth on penultimate start and readily justified favouritism at Lingfield (1m) on Monday for a third AW win; 5lb penalty is offset by Mason Paetel's useful claim; respected.							
	Habari 4 9-9	D Bourke	Jason Hart	20-1	60	33	67
Seven-race maiden whose form has dipped sharply for current yard and who lacks recent practice (absent since last August); best watched unless the betting suggests otherwise.							
	Tees George 6 9-8p	A Nicholls	Jack Nicholls (5)	5-1	59	64	76
Gained sole turf success over C&D (in September 2024) and returns to Beverley in reasonably good form, having made the frame in both outings this year, latest in big field at Doncaster (1m); solid claims.							
	Moonlight Bomb 4 9-7	E Dunlop	Rossa Ryan	7-1	58	57	73
Has lacked consistency for current stable but is only 1lb higher than when recording an account-opening success on AW in December; fighting chance provided he's back in similar form.							
	DrumcOndra 4 9-7	Declan Carroll	Zak Wheatley (3)	10-1	58	59	74
Ten-race maiden who has frame possibilities on several pieces of form, including a couple of second-place finishes at Musselburgh last term and fourth-place finish on AW reappearance.							
	Maple 5 9-5	R Jefferson	Oisin McSweeney	7-2	56	-	73
Solid record this year comprises a couple of second-places finishes at Newcastle (1m2f, AW) then success at Sedgefield (2m1f) returned to hurdles; 0-7 on Flat but has possibilities in current form.							
	Woodleigh 5 9-4	R G Fell	Kevin Stott	20-1	55	56	72
Has reverted to inconsistent ways since last September, notwithstanding a Redcar success (1m2f); perhaps needed the run at Doncaster (1m) on reappearance but needs to step up plenty on that effort.							
	Copper And Five 10 8-13p	Mrs R Carr	Joanna Mason	14-1	50	66	75
Veteran who gained most recently success in C&D contest (off 5lb higher) last May on second start of his 2025 campaign; reasonably interesting returned to this scenario with Thirsk reappearance under his belt.							
	Man Is King 7 8-11t	D Flood	Ashley Lewis (5)	8-1	48	71	72
Holds an each-way squeak, having been placed at Bath (1m) returned to turf last time, but looks no certainty to double his tally; record is just 1-49, the success in AW classified race in February.							

SPOTLIGHT VERDICT A first turf success for **No Knee Never** (second pick) looks very plausible but **TEES GEORGE** is a solid alternative. **Maple** has possibilities in his search for a first Flat win, while **Copper And Five** is interesting returned to this C&D.[Steve Boow]

	Glitter Code 4 9-8b ¹	E Bethell	Connor Beasley	4-1	59	67	73
Sold for 9,000gns since his sole start (2m) for Micky Hammond; still a maiden and drops back markedly in trip but has possibilities on the pick of his form for William Knight; wears new headgear on debut for Ed Bethell; market may offer further guidance.							
	Hostelry 9 9-8p	Mrs R Carr	Kaiya Fraser	8-1	59	74	74
Couple of duck eggs this term leave a doubt over her current form; however, gained one of her five wins in 2025 over this C&D and she holds a good chance off current mark provided a resurgence materialises; runner-up in this race 12 months ago.							
	Sunny Orange 6 9-7p	T Easterby	Duran Fentiman	8-1	58	64	72
Three-time course winner, albeit in the summer months; may not be ready to strike but it's difficult to rule out a good effort with Thirsk reappearance (sixth of 14) under his belt.							
	Hashtagnotions 4 9-6p	R & P Fahey	Oisin Orr	11-4	57	55	73
Record is 4-23, the most recent win last September in sole C&D attempt (soft); generally consistent since, respectable fifth at Doncaster (1m2f) most recently; gained other turf success on good ground; solid.							
	Mini Mac 4 9-4p	J Macey	Lewis Edmunds	14-1	55	75	71
One win apiece for his previous two yards but looks far from solid on 2026 form for another new stable; best watched unless the betting suggests a big run is likely.							
	Bantz 4 9-3	Alan Brown	David Nolan	20-1	54	68	71
Eventually lost his form for Gemma Tutty, having scored twice over 7f earlier in 2025; sold for 4,500gns and gelded since last run; enough to prove back up in trip on reappearance but market support should be heeded.							
	Dinah Myte 4 8-12	J Gallagher	Jack Doughty	14-1	49	49	71
Best form, including sole success, on ground softer than good; perhaps unsuited by AW this year but again seems unlikely to have ideal conditions and removal of usual hood presents another question mark.							
	Bizarre Law 7 8-9p	M Herrington	Joanna Mason	5-1	46	59	70
Has an each-way shout, having shown signs of a revival with placed effort at Nottingham (1m) last Saturday returned to turf; whether he can win is another matter, with his strike-rate still poor.							

SPOTLIGHT VERDICT Off an attractive mark returned to this C&D and dropped to 0-60 level, **COOLREE** looks particularly interesting. Solid-looking **Hashtagnotions** is second choice, ahead of **Hostelry** who may stage a revival back in this scenario. Market confidence behind **Glitter Code** should be heeded.[Steve Boow]

		Trainer	Jockey	SP	OR	TS	RPR
	Barbury Boy 3 9-9	A King	Rossa Ryan	11-2	60	11	62
Not exactly solid on autumn novice form (7f/1m) but brings sources of possible improvement, namely a gelding operation, switch to handicap level and new trip; not ruled out.							
	Von Dutch 3 9-8	K P De Foy	David Egan	7-2	59	-	64
Four-race maiden whose AW efforts (8.5f/1m4f) this year suggest this switch to 1m2f will prove optimal; likewise pedigree suggests the switch to turf will suit; interesting.							
	Alice De Clare 3 9-8	J Fanshawe	George Wood	11-2	59	-	65
Thrice-raced filly who is a similar type to Von Dutch, being one whose breeding suggests the switch to turf may prompt progress; interesting handicap debutante.							
	Duchess T 3 9-6	M & D Easterby	Joanna Mason	16-1	57	28	61
Far from solid on 2yo maiden form, having finished last in races either side of an effort that may not be reliable; treat with caution unless the market speaks favourably.							
	Hengist Pod 3 9-6	Charlie Johnston	Sean D Bowen	12-1	57	-	63
Five-race maiden who has inconsistent form and finished last of four on turf debut (1m4f) most recently; however, gives impression this first crack at 1m2f may suit.							
	My Dad Frank 3 9-4	Alan Brown	David Nolan	20-1	55	-	59
Holds weak claims on AW efforts and chance depends on how well he responds to this new scenario, which is a first attempt over 1m2f on turf/handicap debut.							
	Keep It Classic 3 9-4p ¹	W Haggas	NON-RUNNER		55	30	61
Four-race maiden who seems one of the lesser lights at his major yard but may show improvement now handicapping, upped in distance (from 7f) and fitted with headgear; shortlisted.							
	Laser Luck 3 9-1	G Tutty	Connor Beasley	10-1	52	48	65
Seven-race maiden who has shown no progress since switched to handicaps; however, pedigree suggests this further move upward in trip may spark a bigger effort.							
	Contemplation 3 9-1	M Sowersby	Cam Hardie	20-1	52	43	61
Modest fourth in 12.5f AW handicap and 1m turf maiden in last two outings (stable debut latest); needs improvement.							
	Dream Of Ithaca 3 8-13	J Gallagher	Darragh Keenan	20-1	50	23	52
Handicap debutante who needs to have improved markedly over the winter, having finished last in all 2yo starts.							
	Smoker Bellamy 3 8-13b	Dr R Newland & J Insole	Jack Doughty	11-4	50	33	67
Five-race maiden who ran well, beating all bar the market leader, at Wolverhampton (9.5f, AW) on seasonal debut; possibilities off same mark, provided he builds on that effort.							
	Jambearee 3 8-11	B Ellison	Ben Robinson	14-1	48	26	63
Only eighth of 11 but showed improvement on RPRs at Kempton (1m4f) on handicap/seasonal debut, while shaping as if this return to shorter will suit; could go well.							
	Lynxman 3 8-9	M Sowersby	Aiden Brookes	14-1	46	41	56
Achieved meagre RPRs last term for Jack Morland, latterly in handicaps; ran below market expectations the final time; needs to improve sharply on debut for new stable.							

SPOTLIGHT VERDICT The shortlist is headed by the particularly interesting contenders **VON DUTCH** (narrowly preferred) and **Alice De Clare** who, among other things, may both improve for this switch to turf. Several others, notably **Barbury Boy**, also bring the possibility of faring better than previously. **Smoker Bellamy** looks the most solid contender in terms of form, having performed well on his reappearance.[Steve Boow]
