	Tuscan Point 4 10-0tp ¹	A Kirby	Taryn Langley (3)	7-2	65	54	72
Hit the ground running for Adam Kirby and Taryn Langley, scoring easily last month before running well to finish second off this 10lb higher mark ten days later; below that form when fifth last time (again Southwell, 6f, AW) and now switches to turf (0-14) on a rare foray over 5f; regular eyeshields also swapped for cheekpieces so there's some guesswork involved.							
	Tommy McJohn 4 9-13	A Keatley	Cian Horgan (3)	6-1	64	23	69
Won nursery at Naas (good; first-time blinkers) for Michael O'Callaghan in 2024 and was wearing those aids when third of 14 at Dundalk (also 5f, AW) on final start for Ciaran Murphy; no headgear as he starts off for another new yard (his fifth) after three months away; watch for market confidence.							
	Birkenhead 9 9-13p	P Midgley	Rhys Elliott (3)	8-1	64	68	71
The old man of the party but he still likes to get on with it and has a good record here; solid comeback second on AW in January wasn't built on but he's back down to the same mark he won this race from last year; that was a fourth C&D win and he has to enter calculations.							
	Nacho Nacho Nacho 4 9-12hp ¹	J Morland	Harry Vigors (5)	11-2	63	61	71
Off the mark for this yard when making most to land Wolverhampton handicap (7f, AW; first-time visor) at the end of last year; weakened over 6f at that track when last seen; sports a new headgear combination for just his third start on turf and second at 5f.							
	Miss Rainbow 5 9-8v	Miss T Waggott	William Pyle	5-1	59	65	70
Four handicap wins last year included one at 5f and another at this track (7f, good); visor reapplied when a creditable third here (6f, good; led) a fortnight ago and she's another who should give it a good go on or near the lead.							
	Fortunate Star 6 9-7v	S Hanlon	Conor Whiteley (5)	9-2	58	67	70
C&D winner who also finished third in this last year; has been in good nick since the visor went on, winning a classified at Southwell and Newcastle (February/March) and placed in three handicaps (also 5f, AW) subsequently; can take a grip so today's likely good pace will suit and he gets on well with Conor Whiteley; player.							
	Lucius Aurelius 4 9-6p	K A Ryan	Jack Nicholls (3)	8-1	57	64	69
16-race maiden but he's capable and got no run at Southwell (AW) on penultimate start and was poorly drawn at Pontefract (also 5f, good to soft) a fortnight ago; placed on all three starts here and the breakthrough is far from out of the question.							
	Barmyblade 4 9-6	T Easterby	Warren Fentiman	40-1	57	71	70
Won three times on good ground last spring including over C&D (good; 33-1) on his reappearance; lost his way from June onwards and there were few positives when 14th of 15 on his comeback 12 days ago; has dipped below his last winning mark, though.							
	Let's Go Hugo 6 9-5	O Pears	Tom Kiely-Marshall (3)	14-1	56	64	69
1-25 on turf but the win did come in 2022 C&D novice and he was beaten only 2l when fourth in this last year; could only plug on from the rear in both starts this term (5f, AW) but there's nothing wrong with this mark and he might pick up some pieces if there's a pace meltdown.							
	Jamie's Choice 6 8-9	Miss T Waggott	Lauren Young (3)	20-1	46	52	68
Dual classified winner on a sound surface at 5f in 2024; went close in C&D handicap (good) on her comeback last term and not much went right in that same race on her reappearance a fortnight ago; drawn on the wing when down the field in this race last year but not without a squeak this time.							

SPOTLIGHT VERDICT No shortage of pace with **Miss Rainbow** (second choice) and last year's winner **Birkenhead** just two that like to let rip. Both need firm consideration but the suggestion is **FORTUNATE STAR (nap)**, a previous C&D winner who has been in a good vein of form on AW. **Let's Go Hugo**, a head behind the selection when fourth in this last year, might reward each-way support at likely bigger odds. [Richard Russell]

	Victor Cee 3 9-9	Phil McEntee	J F Egan	9-2	74	66	80
6f maiden win for Karl Burke last summer; began life with his new stable with two solid AW efforts but his form dipped at Wolverhampton in January when last seen; drops in class for his return to action (gelded during his absence); unraced on faster than good and drawn widest.							
	Naana's Shadow 3 9-7	Katie Scott	Darragh Keenan	100-30	72	42	80
5f AW winner for Alice Haynes; ran better than the distance beaten suggests on her stable debut at Southwell two weeks ago, short of room inside the final furlong and eased; that was her first start for 171 days and she could prove a different proposition today.							
	Come On Over 3 9-6	D O'Meara	Daniel Tudhope	5-1	71	80	80
0-6 for Richard Fahey and Charlie Clover as a 2yo, recording his peak RPR when second of nine, beaten a neck, in a 7f nursery (good to soft; visored first time) at Haydock last September; sold for 16,000 one month later; down in trip for stable debut and goes without headgear.							
	Soca Star 3 9-5	S Spencer	Dale Swift	6-1	70	77	79
5f AW winner for Alice Haynes; not at her best when third of five in Wolverhampton novice (6f) on her stable debut 193 days ago; return to 5f in her favour but cheekpieces remain on the sidelines; others safer.							
	Rotokura Belle 3 9-5	I Furtado	Jason Hart	9-4	70	69	81
5f AW win as a 2yo; doubled her haul when showing bright speed to overcome stall 8 over C&D two weeks ago, finding plenty for pressure; the runner-up has won since and a 3lb rise may not prove beyond her.							
	Paroda Diva 3 9-0	P Neville	Andrew Mullen	20-1	65	54	79
Trained by Stan Moore as a 2yo; won a 7f fillies' maiden (good) last May and ran well at Kempton on her nursery debut in July (7f); ended her 2yo campaign quietly and it was a similar story on her stable debut two weeks ago (6f); drop to 5f the query this time.							
	Moretons 3 8-9	S Waugh	Amie Waugh (3)	14-1	60	66	79
Ten-race maiden; 50-1 for his two starts for this yard, showing better form when seventh (beaten 2.25l) to Rotokura Belle over C&D two weeks ago; 5lb turnaround in the weights may be insufficient.							
	Peggy Boo 3 8-7	T Coyle & K Wood	Barry McHugh	25-1	58	52	79
Just minor promise in three novice/maiden runs last year; well-beaten 28-1 shot on last month's handicap/seasonal return (6f, AW); returning to 5f on turf could help but she does have a point to prove.							

SPOTLIGHT VERDICT **Rotokura Belle** showed bright speed and plenty of determination when winning a C&D handicap two weeks ago. She holds solid claims on her return visit but **NAANA'S SHADOW** looks a viable alternative. Katie Scott's new recruit was still in contention when squeezed out inside the final furlong on her recent stable debut and she should be sharper with that run behind her.[Paul Smith]

	Lord 4 10-0	D McCain	Paul Mulrennan	4-1	-	-	-
Runner-up in conditions race (about 1m3f, good) on final start in Germany but he's better known as a hurdler and gained the latest of four wins in that sphere when taking Listed Aintree event (2m1f, soft) in December; wore cheekpieces when well beaten in Grade 1 this month but could go well switched back to the Flat; yard had a treble at Bangor on Saturday.							
	Tide Lines 5 9-11	Charlie Johnston	Oliver Stammers	8-1	-	-	-
52,000gns yearling; first foal; dam 1m2f winner (RPR 72), half-sister to useful winners Galapiat (1m4f) and Madame Ambassador (1m2f Listed), out of German 1m2f Group 1 winner; belated debut for this 5yo mare and the market should provide some clues.							
	Cranachan 3 8-10	R Beckett	Hector Crouch	6-4	-	-	78
Had been gelded and was up in trip when showing a big chunk of improvement to be beaten a neck at Kempton (1m4f, AW; Mythical Valentine just 1l behind) on his reappearance in March; that was just his second start so reasonable to assume there's better to come; turf debut.							
	Mythical Valentine 3 8-10	A Balding	Jason Watson	7-4	77	-	76
Another to show improvement on his reappearance, finishing just 1l behind Cranachan when third at Kempton (1m4f, AW) in March; had to briefly wait for a run that day and there's unlikely to be much between the pair again; turf debut.							
	King Of Roses 3 8-6	L Russell & M Scudamore	Cam Hardie	25-1	-	-	-
5,000euros yearling; 22-1 and it was an inauspicious debut when beaten 49l in 1m Ayr novice (good to soft) in September; has been gelded and goes up in trip for this comeback, both of which might help, but probably one for further down the line.							

SPOTLIGHT VERDICT **Tide Lines** needs a cursory market check on this belated debut but decent juvenile hurdler **Lord** may prove a bigger fly in the ointment. He could go well on his switch back to the Flat but this will probably be fought out by turf debutants **MYTHICAL VALENTINE** and **Cranachan**. There was little between the pair last time but the selection may have a touch more physical scope for improvement. [Richard Russell]

 Enduring Story 3 9-2	Mrs R Carr	James Sullivan	100-1	-	-	-
She has finished a well-beaten last in both AW runs this year (7f); switch to turf not enough to tempt.						
 Got The Booty 3 9-2	T Ward	NON-RUNNER		75	31	-
Improved with each of her three starts (all 6f), recording an RPR of 73 when second of six (front two clear) at Southwell 13 days ago; open to further progress and this easy 7f should be in range; sets the standard.						
 Stella Lucente 3 9-2	J Morland	Daniel Muscutt	5-4	-	-	78
Runner-up in two 7f maidens at Lingfield (AW), the latest 26 days ago after a 205-day absence; now tackles a race confined to her own sex for the first time and she looks set to make another bold bid.						
 Borjina 3 9-0	E Bethell	Kevin Stott	6-4	-	-	69
Encouraging fourth in a 7f novice at Newcastle last September; now tackles her own sex and she returns from seven months off with her stable in fine form; leading player.						
 Cotai Starlight 3 9-0	Katie Scott	Darragh Keenan	10-1	-	-	70
Similar form in two runs, the latest her stable debut 13 days ago (6f, Tapeta); has 5.5l to make up on Got The Booty on that run so improvement is essential.						
 Le Puy 3 9-0	L Russell & M Scudamore	William Pyle (3)	20-1	-	-	-
20-1 for her Ayr debut last September (6f, soft) and dropped away to be beaten 22l; should do better in time but others look stronger in this field.						
 Soda 3 8-12	G Tutty	Connor Beasley	6-1	-	-	-
4,000euros yearling; ninth foal; sister to 7f/1m winner Crossford (including 2yo/AW/Hong Kong; RPR 97), half-sister to four winners including So Suave (7f-8.5f including 2yo/AW; 96), Star Story (1m4f AW; 82) and Coloane (1m/8.6f; 69); dam 7f 2yo winner (92); enough paper appeal to warrant a market check in this field.						

SPOTLIGHT VERDICT **Borjina** (second choice) and **STELLA LUCENTE** are open to progress. The former returns with Ed Bethell in cracking form but Stella Lucente has run two good races against male opponents and can take advantage of the drop into a fillies' event.[Paul Smith]

	Vince Le Prince 6 9-9tp	T Easterby	David Allan	100-30	68	82
His C&D record of 112153422 shows his affinity for the track and he made a pleasing return to action when second to the reopposing Evocative Spark here two weeks ago (pair clear); should make his presence felt again off an unchanged mark.						
	Tattie Bogle 4 9-7	Charlie Johnston	Jason Hart	13-2	66	72
Still seeking a first handicap success but he went desperately close at Kempton last month (7f); not quite so good back at Kempton two weeks ago; well drawn for a prominent racer; each-way shout.						
	Jenni 5 9-6	S Spencer	Cam Hardie	20-1	65	71
Twice a winner in 7f turf handicaps; 3lb lower than for last May's Musselburgh win but that is a result of ending 2025 with a whimper; she has an absence to defy and others look safer.						
	Evocative Spark 7 9-5v	J Riches	Ethan Tindall (5)	5-1	64	70
His last two wins have come over C&D, the latest when powering past Vince Le Prince in the final furlong two weeks ago; a 4lb rise seems less of a concern than good to firm ground, a surface he is rarely seen on.						
	Habrdi 5 9-5p	Mrs R Carr	James Sullivan	11-1	64	77
Hold-up handicapper who won a 7f Wolverhampton handicap off a 7lb lower mark last month; two creditable efforts have followed but he will need to raise his game to defy this mark and stall 1 will mean he needs some luck in running too.						
	Asian Journey 5 9-3t	S England	Oisin Orr	9-2	62	75
Still seeking a first win after 14 attempts but he has been threatening to put that right on AW this year and he ran a solid race back on turf at Doncaster 24 days ago; a strongly run 7f should suit and he has a small race in him off this mark.						
	Crocodile Power 8 9-3	S Spencer	Dale Swift	8-1	62	63
All four of his turf wins have come at Catterick but over 6f; creditable effort back from a break when third (5l behind Evocative Spark) two weeks ago; can build on that but perhaps vulnerable to stronger stayers.						
	Roundhay Park 11 9-2p	N Tinkler	Faye McManoman	20-1	61	76
Course winner who scored at Ripon (6f, soft) last July and is just 2lb higher on this reappearance outing; however, 6f has been this 11yo's optimum trip in recent seasons, and this is his first run since October.						
	Simply Blue 4 9-2b	J Owen	Paddy Bradley	4-1	61	76
Off the mark for James Owen at the 14th attempt when leading late on in a 6f handicap at Wolverhampton 16 days ago; returning to 7f no problem but a 4lb higher mark in a higher grade does ask more of him.						

SPOTLIGHT VERDICT **Vince Le Prince** may reverse recent C&D placings with **Evocative Spark** on the forecast faster ground and he rates a leading contender at a track he relishes. **Simply Blue** can't be discounted after his recent AW success but **ASIAN JOURNEY** has been threatening to win a small race this year and he should get a good pace to aim at this time.[Paul Smith]

	Rosenpur 6 9-9h	J Candlish	George Wood	6-1	80	70	90
Five wins, all around a left-hand bend (5f-5.5f; has form over much further), in a productive 2025 campaign; effective at this track and not impossibly treated returning from 170 days off; one to consider.							
	Vingegaard 4 9-8b ¹	J Camacho	Ryan Sexton	14-1	79	-	89
Useful as 2yo for Archie Watson; absent for 501 days prior to three modest AW efforts for his new stable this year; dropped 11lb and now tried in blinkers so a revival isn't out of the question; not a solid option though.							
	Aberama Gold 9 9-8v	D O'Meara	Daniel Tudhope	9-4	79	90	91
Retains a large portion of his ability despite his advanced years and he is on a handy mark at present; no real excuses when fourth over C&D two weeks ago but this is a slightly weaker event.							
	No Return 4 9-4	Charlie Johnston	Jason Hart	8-1	75	81	91
Inconsistent for his current stable but of interest on his best effort, notably a second of eight at Lingfield (6f, AW) in January when 5lb higher; non-runner at Pontefract Tuesday.							
	Yorkshire Glory 5 9-2	B Haslam	Harry Vigors (7)	7-2	73	62	92
Form took off this winter when dropped to 6f and his remarkable AW campaign, which saw him crowned All Weather Horse of the Year, featured nine wins between December and March; this track lends itself well to prominent racers but he anticipated the start and was slowly into his stride when finishing a well-beaten last back on turf at Pontefract yesterday; unraced on faster than good.							
	Dorney Lake 5 9-0t	L Bailey	Billy Garritty	5-2	71	90	88
Four 6f wins on good or faster turf; running himself into form on AW for his new yard this winter, most recently keeping on for third in a 0-80 at Southwell three weeks ago; 14lb lower than for his last turf outing; interesting contender.							

SPOTLIGHT VERDICT **Rosenpur** can go well on his return to action, while **Aberama Gold** (second choice) looks set to make another bold bid. That said, **DORNEY LAKE** has been running himself into form on the AW this year and he looks extremely well treated back on his preferred surface. **Yorkshire Glory** flopped when returned to turf at Pontefract yesterday. Fine track record although her four wins have all come at 1m4f; both goes over C&D looked to just stretch her last year but she did plug on when fourth here (1m4f) a fortnight ago and can never be ruled out at this place.							
	Arctic Fox 10 9-3	M Todhunter	Mark Winn	8-1	59	59	76
Six-time winner at up to this trip on varying ground, including soft; back on the same mark she scored from at Carlisle (1m6f, soft) in June; chance rests on whether she's ready to roll for this reappearance.							
	Inlet 5 8-12	M Sowersby	Cam Hardie	14-1	54	75	73
Has been hurdling for this new yard but yet to make an impact in that sphere; runner-up three times for Rae Guest (1m6f/2m, AW) but others hold greater interest on her return to this code.							
	Free Pic 5 8-10	J Parkinson & S Smith	Barry McHugh	9-4	52	68	76
Won at Newcastle in October and solid fourth there (also 1m4f, AW) in February; didn't stay 2m back at that track last month but a return to 1m4f did the trick when taking a course handicap (good) a fortnight ago; big player if her stamina lasts out.							
	Rock Armour 5 8-5b	D Thompson	Andrew Mullen	9-2	47	75	74
In the hands of John Butler when sporting first-time blinkers to score at Newcastle (1m2f, AW) in February; that's her only success but a keeping-on third here (1m4f, good) was a respectable effort a fortnight ago and this new trip is probably worth a go.							
	Regal Glory 6 8-4p	R G Fell	Joanna Mason	4-1	46	71	75
1-36 but it was a good effort in second when tackling this trip for the first time at Wolverhampton (AW) a fortnight ago; acts on turf and needs considering.							
	Nakatomi 4 8-4v ¹	Alan Brown	Rhys Elliott (5)	12-1	46	81	74
17-race maiden who's turned in a couple of fair efforts this year, including at this trip (AW) and when fifth to Free Pic here (1m4f, good) a fortnight ago; visor needs to eke out a little more, though.							
	Rajawail 6 8-4tp	B Rothwell	Faye McManoman	100-1	46	63	67
Regressive maiden who is very difficult to fancy from out of the weights.							

SPOTLIGHT VERDICT Course regular **Stellarmasterpiece** and **Free Pic** (second choice) know how to get the job done but do need to prove their stamina for this far. In the circumstances it might pay to side with **REGAL GLORY**, who looked at home over this distance when runner-up last time. **Rock Armour** can also feature.[Richard Russell]
