Gavin Sheehan RPR122

Betting forecast: 5/2 Beau Quali, Quay Item, 3/1 Piping Rock, Treasure Planet, 16/1 Vanderflieger, 33/1 Drumlee Orders, Yellow Warning, 50/1 Shuil Rocco, The Last Promise, 100/1 Equity Release.

SPOTLIGHT VERDICT The 4yo **TREASURE PLANET** may be capable of progress at this sort of distance and gets the percentage call in a tight-looking clash between the main form contenders. This first run since wind surgery is possibly the time to catch **Piping Rock**, who is second choice. **Quay Item** holds a good chance back down in trip, while **Beau Quali** is one to consider despite appearing more exposed.[Steve Boow]

Betting forecast: 13/8 Broomfields Cave, 7/2 Inflexible, Loup De Maulde, 6/1 Charles Ritz, 13/2 Manothepeople, 25/1 Amateur.

SPOTLIGHT VERDICT The rise to a new career-high mark demands more of **BROOMFIELDS CAVE** but the form of his Wincanton dismissal of **Loup De Maulde** last time could easily have merited a greater hike than that meted out. Fellow last-time scorer **Inflexible** has a 4lb rise of his own to defy and is yet to strike above 0-115 company, but is preferred only marginally less. [Jeremy Grayson]

SPOTLIGHT VERDICT Three-time Flat winner **BOTH OF US** was behind two useful opponents when a 32l third over C&D three weeks ago and faces nothing of their ilk this time. He gets the nod ahead of **My Boy Aaron**, who has been running consistently well in defeat. **Trapper John** is third choice on the back of a near-miss on the AW.[Ben Hutton]

SPOTLIGHT VERDICT A race that revolves around **Aimeric** (second choice), who would dispatch this lot with the minimum of fuss if transferring his smart Flat form to this sphere. The betting may suggest whether that's expected or not so in the circumstances the suggestion is **ONE ISLAND**, who hasn't been finishing his races off but the tongue-tie might help in that regard and the pair who beat him last time are useful sorts. **Miss Kingston** also commands plenty of respect.[Richard Russell]

SPOTLIGHT VERDICT Not the best race for the grade, with only the topweight rated under a stone within the ceiling, the three experienced chasers all above their last winning marks and **Parramout** not looking to the manner born belatedly switched to fences recently. **TORNEO** was at least compiling a string of career-best equalling RPRs before Class 2 company found him out here last time, and he's taken over **Hypotenus**, whom the stable switch and/or latest wind operation might help. Betting forecast: 15/8 The Kemble Brewery, 2/1 Wreckless Eric, 5/1 Razzle Dazzle Boy, 6/1 American Land, Inside Man.

SPOTLIGHT VERDICT It's unwise to dismiss any of these, though **Razzle Dazzle Boy** may appreciate the projected drying forecast the least. **Wreckless Eric** hasn't especially enjoyed either visit to the Grand National meeting and may capitalise on an ease back in class, but a recent C&D second for **THE KEMBLE BREWERY (nap)** looked like that of one with plenty of remaining upside in handicaps, and the 2lb rise may not prove prohibitive. April 2025 C&D novice scorer **Inside Man** could yet revive. [Jeremy Grayson]

SPOTLIGHT VERDICT It seems almost sacrilegious to oppose Welsh doyen **Pink Eyed Pedro** ahead of this bid for a third Dunraven Bowl, but if anything looks set to spoil the party, it's **STUMPS OR SLIPS**. He was an easy Exeter winner recently over a rival who'd previously beaten **Yippee Ki Yay** just as comfortably at the same venue, and he's still fairly unexposed at tonight's trip. Betting forecast: 2/1 Star Walking, 11/4 Kilworth, 4/1 Hard Dealt, 6/1 I Spy A Diva, 9/1 Love Me, 12/1 Roaring Home, 16/1 Slim Marvel.

SPOTLIGHT VERDICT The **Star Walking** who smashed the track record at Kempton over Christmas may take some containing if turning out again today, but the one who made a noise early at Kelso last time rather less so. No chances have been taken with the new mark allocated to the in-form **Kilworth**, so the competitively weighted **I SPY A DIVA** might emerge as a more viable threat, albeit with her present optimum trip not being crystal clear.
