Betting forecast: 2/1 Namiid, 11/4 Real Encounter, 6/1 Aughlish, 15/2 Frosted Sky, 8/1 Falcon Queen, 10/1 Eager Lad, 12/1 Call The Cavalry, 20/1 Beach Barbie, 50/1 She's A Gift, 66/1 Atallah.

SPOTLIGHT VERDICT While **Namiid** leads the way on ratings and should be tough to beat, it's worth siding with the Jessica Harrington-trained **REAL ENCOUNTER**, particularly as she has race-fitness on her side. She had two good runs last year and the form of her fourth in September is working out well. She should have the pace to cope with 5f and they mightn't be able to get to her if she gets out in front. **Aughlish** wasn't far behind her last time and should also be on the premises. 10 (9)	 900-	BOSTON MAX ²⁰¹ b g Bungle Inthejungle - Loumarin D J Barry	3 8-8t ¹	Chris Hayes G Elliott	49	-	57

Betting forecast: 11/4 Stone Bear, 100/30 Plushy, 6/1 Baby Basma, 15/2 Subiaco, 8/1 Boston Max, Luminessa, 14/1 Gosford Queen, Lady Landhort, 16/1 Love Bomb, 25/1 Hooves Your Daddy.

SPOTLIGHT VERDICT A competitive affair in which **Stone Bear** ought to be popular given the drop back to 5f should be no problem after she travelled powerfully on her way to a victory at this course earlier this month. However, **LUMINESSA** also travelled eyecatchingly last time over 6f before flattening out into fifth. She's an interesting handicap debutante off a very fair opening mark and could offer some value. **Plushy** should be thereabouts too, while any market support for **Boston Max** on handicap debut should be taken very seriously. Betting forecast: 7/2 Push Harder, 11/2 Cause I Like You, 13/2 Beau Army, 7/1 Queen Leila, 17/2 Caoilte, 9/1 Elora Prince, Wedding Year, 10/1 Iryna's Star, 18/1 Brave Approach, Keskon.

SPOTLIGHT VERDICT A race that's hard to make much sense of due to plenty of muddling formlines. **Push Harder** is probably the most solid proposition given she's run two encouraging races over C&D, but **IRYNA'S STAR** could be well treated back at this venue. She didn't enjoy 5f or soft ground the last twice and is 11lb lower than when third behind **Beau Army** and **Queen Leila** in January. **Cause I Like You** and **Elora Prince** are also ones for the shortlist. SPOTLIGHT VERDICT With a staggering 112 runs under his belt, **COMFORT LINE (nap)** clearly thrives on his racing and will be difficult to beat with a reproduction of his Leopardstown run 11 days ago. **Cosmic Force** should lay down a strong challenge if he sees out the extra furlong, while **Desert Of The Sea** is a solid option for the each-way players. SPOTLIGHT VERDICT A brother to the top-class Lake Victoria, **DRUIDS GLEN** has looked raw in two starts but has run to a decent level and there could be plenty of improvement in him away from testing ground stepped up in trip. **Mendez** shaped well when fourth in a mile maiden here last month and can be on the premises with more improvement. **I Hope You Dance** and newcomer **Changing Lanes** also make appeal. SPOTLIGHT VERDICT Several of these renew rivalries yet again. **Beauparc** will have her supporters with Colin Keane back aboard, while **Drucker** and **Sir Callisto** remain closely matched with Ger Keane's mare. The vote goes to veteran campaigner **SAN ANDREAS**, whose Lingfield run can be forgiven and he will be seen to much better effect back at his beloved track. [Adrian Wall]

SPOTLIGHT VERDICT The one to beat is without doubt **Jawhary** who has been a model of consistency here in recent months. **Copper Craft** looks set to relish the step up in trip, while **Barretstown** is a big player if he can bounce back from his latest poor showing. It's difficult to get away from the chances of **ELECTRIC BEAUTY**, who is much better on turf but can race from a 19lb lower mark back on the all-weather. **Tara Power** could outrun his odds.
