	Cullagh Lad 5 11-12	B Connell	Sean Flanagan	14-1	-	-	-
Fourth foal; half-brother by Mahler to 2m maiden hurdle winner Cullaghs Star; dam placed over hurdles; from a solid jumping family.							
	Endless Talking 5 11-12h	G Cromwell	Keith Donoghue	9-2	-	38	102
Point-to-point winner on good ground for Donnchadh Doyle 12 months ago; mild promise in a Fairyhouse bumper in November; soundly beaten in another bumper at Down Royal in December; fair fourth in an ordinary maiden hurdle at Limerick late last month; better ground should help his cause.							
	Lamikal D'Airy 5 11-12	G Cromwell	Conor Stone-Walsh	10-1	-	-	-
Beat the only other finisher in a maiden point at Borris House last month for Caroline McCaldin; related to French jumps winners; stablemate Endless Talking has better credentials.							
	Master Haku 5 11-12	G Elliott	Jack Kennedy	5-4	-	115	125
Promising third behind an odds-on shot on debut in a Cork maiden hurdle last November; got closer to the runner-up Grey Jude when beaten a head at the same venue later that month; Grey Jude's official rating of 122 implies that he could be hard to beat here							
	Microscope 7 11-12	P Buchanan	Michael Kenneally (5)	50-1	-	64	74
Pulled up in all four points; moderate hurdle/bumper form; remote fifth over 2m6f at Downpatrick last month; unlikely to feature							
	Misery Hill 6 11-12	G Elliott	Danny Gilligan	12-1	-	-	-
First foal; dam French AW winner; decent Flat pedigree; Master Haku is the stable's selected							
	Phoenix Arizona 7 11-12 ^t	J O'Neill	Mr P J O'Neill (7)	16-1	90	74	87
Placed in two small-field maiden hurdles last October; beaten a huge distance when second in a recent point-to-point outing. 90-rated gelding would have a better chance in a handicap							
	The Store Boy 6 11-12 ^t	H De Bromhead	Darragh O'Keeffe	7-2	113	112	115
Made promising debut at Tramore last May; has failed to improve but has shown a fair standard of form; not disgraced in handicap company when seventh of 18 in a Leopardstown contest in December; beaten when falling at the last in a rated chase at Fairyhouse in January.							
	Lost Features 6 11-5	D Collins	Jack G Gilligan (5)	100-1	-	18	-
Nothing in her four outings suggests she has any chance in a maiden.							
	Strong Contender 5 11-5	N Lee	Phillip Enright	66-1	-	-	70
Poor last of three finishers in a 3m maiden hurdle at Sligo last October; out of contention when falling two out at Fairyhouse earlier this month.							
	Betterluckthistime 4 11-4	P Rothwell	Dylan Robinson	20-1	-	-	-
Second foal; by Affinisea out of an unraced half-sister to 2m4f hurdle winner Noble Warrior, out of unraced half-sister Flat/hurdle winner Noble Choice (dam of Galway Plate winner Lord Scoundrel).							
	Blues Street 4 11-4 ^h	G Cromwell	Kieren Buckley	20-1	-	-	-
E66,000 store purchase as a 3yo; second foal; Blue Bresil gelding out of a Flat/hurdles winner by Jeremy; hooded for debut; trainer saddles two others who have shown ability.							
	Granlahan 4 11-4	A McGuinness	Patrick M O'Brien (5)	66-1	-	32	74
Beaten a long way in maidens at Punchestown and Cork; three-figure odds on both occasions.							
	Lenko 4 11-4	G Elliott	Paddy Cleary (7)	25-1	-	64	87
Remote sixth on debut in a Navan race in which his trainer supplied the winner and second; Master Haku represents the stable's best chance here.							
	Betty's Glen 4 10-11	J Hanlon			-	-	-
Remote fifth of six at Punchestown on only bumper start; can be ruled out; first reserve.							

**Me Wee Nanny Fran** 4 11-4

G Cromwell

- - 66

Down the field in two starts at Clonmel; 100-1 chance on latest; in good hands but not a likely winner at this stage; second reserve.

**Mirfaq** 4 11-4

G Cromwell

- - 56

25-1 chance when down the field at Cork on debut, will need to pick up more experience; third reserve.

SPOTLIGHT VERDICT Jack Kennedy's mount **GREY JUDE** will not need to improve much on the form of two Cork runs in November to take this maiden. The two most likely to test him are **The Store Boy**, a faller in a chase last time, and **Endless Talking**, a point winner likely to be suited by drying ground. [Alan Sweetman]

 Jerrari 6 11-12p	Mrs J Harrington	Simon Torrens	10-1	110	103	116
Beaten by Malbas over C&D last June before back-to-back wins at Roscommon and Galway, both at around 2m on good ground; testing conditions were against him when pulled up at Navan in February; harder to excuse a poor run in yielding at Downpatrick.						
 Kabylia 6 11-12h	G Cromwell	Keith Donoghue	5-1	110	100	113
Bumper winner on this card last season; placed on all four maiden hurdle starts, two of them at this venue; ground was probably softer than ideal when she ran in a big-field handicap hurdle at Fairyhouse at Easter after a break; has plenty to find with fifth-placed Desert Haven but should be sharper now, and better ground will help.						
 Spinning Web 6 11-11tp ¹	Ms M Mullins	Danny Mullins	8-1	109	95	113
Dual chase winner at Thurles last year over 2m5f; not badly treated but probably in need of a confidence boost after two falls over fences; cheekpieces now as well as usual tongue-tie.						
 Jazz Forever 6 11-10tp ¹	P W Flynn	Danny Gilligan	20-1	108	60	112
AW winner; fifth behind subsequent chase Grade 1 winner Koktail Divin in a maiden hurdle at Leopardstown (2m4f, yielding); flattered by that detail; pulled up in a Bellewstown maiden hurdle last week; has plenty of weight, hard to fancy.						
 Malbas 10 11-10p ¹	E Buckley	Mr Finn Buckley (7)	10-1	108	90	113
C&D winner last June, beating today's rival Jerrari; also ran well to take second in a 2m3f contest last August; a recent chase start should have advanced his fitness; cheekpieces added						
 Malbay Madness 6 11-10h	D A McLoughlin	P J O'Hanlon	8-1	108	90	114
Won this race last year and followed up in May; course form is an important asset, so worth considering despite having finished out of the money on his final two starts in 2025; 10lb higher now than when winning snugly 12 months ago on similar ground.						
 Jouster 7 11-7t	P W Flynn	Eoin Staples (5)	14-1	105	92	111
Good form for Gavin Cromwell in the closing months of 2024, featuring a chase win at Tramore and a handicap hurdle win at Fairyhouse; never managed to reach that standard last year.						
 Lady Doyanne 6 11-7	H De Bromhead	Darragh O'Keeffe	8-1	105	103	114
Point winner; won a 2m1f Wexford maiden hurdle on rules debut last August; was then poor at Navan on handicap debut; much better but still well beaten at Punchestown on second attempt; first run for six months.						
 Survivors Sister 7 11-7	P J Gilligan	Jack G Gilligan (5)	16-1	105	105	121
Was keeping on when falling at the last in a 2m3f handicap at Limerick in December, went up 11lb for winning a weak 2m5f contest at the same venue in February; struggled at Fairyhouse later that month; not the most reliable sort.						
 Piccolo Player 5 11-6	J Ryan	Michael Kenneally (5)	12-1	104	100	115
Heavy-ground maiden winner last November; has failed to run to market expectations at Gowran and Limerick on his last two starts; needs to find extra						
 Chanceawetmorning 6 11-4	G Elliott	Jack Kennedy	13-1	102	84	110
11-race maiden; second of 12 finishers when a beaten favourite at Fairyhouse (2m4f, soft) in January; flopped when favourite at Ayr last month; first appearance for Gordon Elliott now						
 Desert Haven 6 11-4t	N Meade	Donagh Meyler	7-2	102	94	118
Two respectable Flat runs last month; 0-11 over hurdles; comes into the reckoning following an improved display that saw him finish fifth of 21 in a stronger race than this at Fairyhouse.						
 Jury Belle 5 11-4	J Hanlon	Philip Byrnes	14-1	102	55	111
Second in a bumper in Britain last summer; had hinted at handicap potential in maidens before a moderate run at Clonmel a month ago.						
 McLoughlin 4 11-1tp ¹	G Cromwell	Conor Stone-Walsh	10-1	107	50	98
80-rated Flat maiden, placed twice in soft-ground maidens last back-end; yet to show an equivalent standard over hurdles; tongue-tie on now as well as cheekpieces worn for his best Flat runs; could become competitive on handicap debut.						
 Must Meet Cecil 8 11-3v	C M Collins	Carl Millar (5)		101	110	118
Five-time winner over hurdles; now on a long losing sequence since a claiming race success at Tramore just over a year ago; out of his depth in a Flat maiden last time; this is more realistic; first reserve.						

**Coolboy Christy** 5 11-2

P Rothwell

100 104 114

Promising fourth in a novice handicap hurdle at Leopardstown before a lesser effort at Downpatrick, when almost 7l behind third-placed Metamorpheus; second reserve.

**Metamorpheus** 7 11-2

A McNamara

100 **111** 116

No success since a Punchestown maiden hurdle win (2m, heavy) three years ago; ran well from time to time when trained by Richard O'Brien; signs of a return to form when third at Downpatrick; in front of Coolboy Christy then; third reserve.

SPOTLIGHT VERDICT Dual Flat winner **DESERT HAVEN** has a realistic chance based on his fifth placing in a 21-runner contest at Fairyhouse last time. He has a clear edge over **Kabylia** on that running, but Gavin Cromwell's mare is respected as a course bumper winner with useful form in maiden hurdles. **Chanceawetmorning** could not be ruled out on his first run for Gordon Elliott. Another to consider is **Malbay Madness**, who won this race last year and scored again here in May.

 Two Can Plan 6 11-13t A first-time tongue tie brought about his best of four maiden hurdle efforts at Leopardstown (2m, soft to heavy) when a 21l sixth; tailed off at Clonmel last time; makes handicap debut now.	A Slattery	Cian Cullinan (7)	15-1	99	78	103
 Pourquoi Poi 5 11-12 Won at Punchestown last autumn (2m4f, good to yielding) off 87 and posted a decent Thurles run next time off current mark (2m4f, yielding to soft); player if ready after absence.	P W Flynn	Jack Kennedy	7-2	98	76	103
 The Dancen Kid 5 11-10h Went closest when third in a Leopardstown handicap over 2m2f last month on heavy; tame Wexford effort since back at 2m, so needs to bounce back, but this is a lower grade; never raced on ground better than yielding.	R O'Sullivan	Shane Fitzgerald	11-2	96	92	102
 Ferdia 10 11-9 Pulled up in five of six races since returning from over three years off the track; of little appeal.	J Ryan	Brian Barry (7)	50-1	95	-	102
 Coup D'Essay 5 11-8 No impact in maidens; beaten 13.5l when eighth if 14 at Limerick on handicap debut last time (2m, soft to heavy); mark looks high at the moment.	G Cromwell	Ben Harvey	16-1	94	-	94
 Dontcavein 6 11-7t Two handicap efforts haven't offered too much; pulled up at Limerick last time (2m, heavy); tongue tie now added.	C Murphy	Eoghan Finegan (7)	14-1	93	55	101
 Krishna Bellevue 6 11-7p Some promise in maidens but beaten 30l on handicap debut here (3m1f, good to yielding) when last seen; cheekpieces now added.	I Donoghue	Conor Stone-Walsh	33-1	93	81	105
 Dahoma 4 11-6 Struggled in maiden hurdles; didn't beat many rivals on handicap debut at Punchestown (2m4f, soft to heavy); bled when pulled up at Leopardstown last time.	D Queally	Kevin Healy (7)	7-1	100	32	90
 Mon Sheriffe 5 11-6 Third over 2m at Navan in December (2m, soft to heavy) but poor in two subsequent runs on heavy at Naas and Gowran; improved effort at Bellewstown last time when a 9.5l sixth (2m1f, yielding); others make more appeal.	P Rothwell	Tiernan Power Roche	7-1	92	94	102
 Sarah's Express 5 11-3 Showed bits and pieces of ability in four runs before pulling up on handicap debut at Punchestown (3m, heavy) when found to have bled; 24l fourth in a Clonmel maiden last time (2m3f, soft); more needed.	P Fahy	Danny Mullins	14-1	89	84	97
 The Toothpicker 9 11-3t A couple of encouraging efforts since returning from a long absence, notably when fifth of 24 at Cork (2m4f, soft to heavy); another positive effort when a 7.75l fifth at Limerick latest (2m, soft to heavy); should give a good account once again.	D Budds	Darragh O'Keeffe	15-2	89	85	105
 Euro Maker 5 11-1 Non-runner.	A Murray	NON-RUNNER		87	86	101
 Michael's Jet 5 10-13 Tailed off in completed m'den hurdle runs at big odds; hard to fancy	V Ward	Mr B M Coonan (7)	25-1	85	17	92
 Centaq 6 10-10 Best efforts have come over 2m2f at Downpatrick on better ground when runner-up twice in the autumn; ran out at halfway at Down Royal when last seen in December; claims if returning to Downpatrick form	D A McLoughlin	Patrick M O'Brien (5)	15-2	82	92	102
 Ahellofaman 4 10-7h Tailed off in last three starts; still early days but hard to fancy on evidence so far.	J Hanlon	G B Noonan	14-1	87	78	99

**Dontdoodson** 13 10-0

D Collins

Phillip Enright

15-1 72 94 102

**Laska Du Breuil** 5 11-2p¹

G Cromwell

88 61 100

First reserve; modest form overall; ninth of 18 at Punchestown in December (2m1f, yielding) but tailed off back there last time; down 2lb and cheekpieces go on.

**Fort Randall** 7 11-3

N Kelly

Mr O McGill (5)

89 **98** 102

Second reserve; beaten 25l when last seen at Down Royal in January but is capable of better for a shrewd yard, so keep an eye on the market.

**Move It On Over** 5 10-6

J O'Neill

78 76 94

Third reserve; 100-1 on handicap debut and beaten 15l; hard to fancy

SPOTLIGHT VERDICT A winner on better ground in the autumn, **POURQUOI POI (nap)** hasn't been seen since running a creditable race off his current mark in November. He has the aid of Jack Kennedy in the saddle and looks a big player in a race where few appeal. **The Dancen Kid** and **The Toothpicker** may give the selection most to do. [Denis Harney]

 Gino Bella 6 12-0t P Foley Peter Smithers (7) 4-1 100 99 101 Point-to-point winner last November and good form since, placing three times; 3.25l fourth at Clonmel earlier this month when last seen (2m, soft); still lightly raced and this ground shouldn't cause problems; claimer takes lessens her burden.						
 Embrace The Day 5 11-9t G Cromwell Keith Donoghue 14-1 95 55 98 Promise when winning a point-to-point for Jonathan Fogarty but didn't show much in three maiden hurdles nor at Fairyhouse (2m4f, heavy) on handicap debut when ignored in the market; never dangerous at Clonmel last time (2m3f, soft); perhaps a tongue tie can get more from him.						
 Jinxs Link 10 11-9 M Rice J J Slevin 15-1 95 - 103 Two hurdle wins include a success here; tailed off in a Fairyhouse beginners' chase returning from almost a year off and pulled up over hurdles at the same venue last time; needs to return to form.						
 Jaadil 5 11-8 D E Fitzgerald Jack Kennedy 4-1 94 90 108 Progressive in the autumn; runner-up at Navan (2m3f, yielding) before gaining a first win in emphatic fashion at Cork (2m3f, good); good effort at Sligo next time off 10lb higher mark when filling the second spot (2m2f, good to yielding); big player and Jack Kennedy is a very interesting booking (1-7 riding for this trainer).						
 Thurman 6 11-7 C A Murphy Ross Berry (7) 15-1 93 55 85 Modest maiden form; best watched for first handicap run.						
 Loughrask Jet 5 11-5h B McMahon Sean O'Keeffe 28-1 91 57 89 Tailed off on handicap debut at Thurles (2m4f, heavy); better ground needs to bring improvement.						
 Hidalgo Des Mottes 9 11-3tp E Griffin Eoin Staples (5) 6-1 89 93 109 0-20 over hurdles but has placed on several occasions, including at Thurles in November, when last seen over timber (2m, good to yielding); poor run at Dundalk in December; better ground suits and top claimer aboard.						
 Live My Dream 5 11-3 D Budds Darragh O'Keeffe 22-1 89 64 96 Beaten 20l on handicap debut at Clonmel last month (2m3f, soft); improvement needed.						
 Miss Donna 5 10-13 P J Kiely Dylan Whelan (7) 18-1 85 70 105 Not beaten too far in a couple of maidens; not ruled out on handicap debut.						
 Bowgate Street 7 10-12t M Flannery Philip Donovan (3) 16-1 84 95 108 Record of 0-24 is immediately off-putting; close third at Galway in October (2m1f, yielding) but overall moderate form last year; 17l eighth of 20 back from a break earlier this month not hugely encouraging.						
 Thatsmyroadie 6 10-12 D A McLoughlin P J O'Hanlon 22-1 84 - 57 Huge odds and tailed off in completed maiden hurdle starts; vast improvement required on handicap debut.						
 Crafty Gael 7 10-11b ¹ R O'Sullivan Shane Markey (7) 22-1 83 50 105 Winless from 14 but went close on several occasions in 2023; beaten 34l in both starts since returning from 800-day absence; good ground and addition of blinkers need to transform him.						
 Crab Road 5 10-10 J Hanlon Elizabeth Gale (5) 28-1 82 - 77 Poor form in maiden hurdles and beaten 53l on Flat debut at Dundalk last time; passed over on handicap debut.						
 Finnicky Filly 8 10-7t J Ryan Michael Kenneally (5) 10-1 79 104 103 Lost form after winning at Clonmel in December (2m1f, heavy); caught the attention of the stewards when a never-nearer fifth back at Clonmel earlier this month (2m1f, yielding); never dangerous over fences at Tramore five days ago; others preferred.						

**Chemdawg** 7 10-5b

O McKiernan

Phillip Enright

7-1 77 99 104

Couple of placed efforts in November-December before going with no enthusiasm and being pulled up at Clonmel and Down Royal in opening 2026 runs; back on track with a 6l second at Limerick last time (2m6f, soft); needs to back it up and this is harder.

**Sidiriya** 7 10-5

P Rothwell

Tiernan Power Roche

20-1 77 95 107

Flat winner in 2022; nowhere near as effective a hurdler but penultimate Naas third (2m, soft to heavy) offers a modicum of hope.

**Avandra** 6 10-0p

P Rothwell

72 74 108

First reserve; moderate sort now 0-16 hurdling, continues to struggle off this basement mark.

**Celtic Crossing** 6 10-9

D Collins

81 78 101

Second reserve; just modest form in five runs and returns from a mammoth absence; best watched.

**Kentucky Bluebird** 5 11-8

G Cromwell

94 67 89

Third reserve; improved over moderate handicap debut when a 13l sixth of 18 at Cork when last seen in August (2m1f, good); best watched.

SPOTLIGHT VERDICT A point-to-point winner in November, **GINO BELLA** has been knocking on the door under rules since and may get it done here with Peter Smithers reducing her burden. Jack Kennedy rides **Jaadil**, who showed good progression last autumn, including a win but doesn't have the benefit of a run. A record of 0-20 over hurdles is off-putting but **Hidalgo Des Mottes** has run well in defeat and has a top claimer aboard. [Denis Harney]

 Midleton Rare 8 12-2tp	I Donoghue	Mr J Dunne (7)	10-1	102	93	98
Three-time winner this season, the latest coming at Bellewstown last time off 6lb lower (3m, yielding); in and out form, so not certain to back up his win.						
 Sean Mc 6 12-0	P Nolan	Eoin Staples (5)	8-1	100	74	102
Made the breakthrough at Wexford earlier this month (2m4f, good to yielding) when keeping on well; up 6lb but that was his first time running on better ground and there could be more improvement to come now trying this trip for the first time.						
 Mr Dibbs 7 11-13	S Curling	Phillip Enright	20-1	99	58	101
Maiden hurdle winner here in 2024 (2m4f, good); good second at Sligo when last seen under rules' in August last year off 97 (2m5f, good) in final start for Adrian Murray; point-to-point form since then raises questions						
 Live To Laugh 7 11-8	P Fahey	Ethan O'Sullivan (7)	5-1	94	97	114
In great form at the moment over fences; followed up a wide-margin Thurles success (2m6f, soft) when beating Plain Or Battered by 2l at Clonmel next time (3m, soft); runs off 18lb lower hurdles mark; big player.						
 Dolly Watkins 7 11-7tp	A Howard	Simon Torrens	15-2	93	91	106
Signed off last season with an improved display at Limerick; made an encouraging if belated return when second at Down Royal last month; had plenty to spare when winning at Limerick a fortnight later in a mares-only contest; up 7lb and this looks harder.						
 It's Time Again 10 11-7	D Barry	John Shinnick	12-1	93	57	102
In good form in 2024-2025; placed at Limerick and Gowran before adding a third hurdling win at Ballinrobe (2m6f, good), all three wins coming at that venue; unseen since that success just over a year ago; check market.						
 Anodandawink 5 11-6p ¹	C Murphy	Eoghan Finegan (7)	16-1	92	89	103
Out of his depth in maidens, always at big odds; finished second in a point-to-point when with Derek O'Connor; inauspicious start to handicaps when beaten 22l at Clonmel last time; cheekpieces go on now.						
 Creadan Grace 6 11-6	G Elliott	Danny Gilligan	12-1	92	70	102
One of three for trainer; upped to 3m for a 20-runner race at Down Royal in October (good to yielding) and it brought improvement with a last-gasp win; another nice effort at Ascot (3m1f, good to soft) off higher British mark when a 3.5l third; may need this first run back but ground to suit.						
 Dalmatic 6 11-6b	W O'Doherty	Philip Byrnes	14-1	92	76	101
Battled to gain a first win when successful over hurdles at Limerick in December off 84 (2m6f, soft to heavy); tailed off at Punchestown next time; bounced back when runner-up back at Limerick last time (2m7f, heavy), had Mickey Hulie 17l behind in third that day; best form on softer.						
 Mickey Hulie 6 11-6p ¹	D Kelly	Sean Flanagan	12-1	92	72	103
Dual point winner; confirmed his liking for a stamina test when second over 3m at Naas (soft to heavy) last month; below that level when a remote third of 15 at Limerick (2m7f, heavy; favourite) eight days later; perhaps that came too soon; cheekpieces go on now and better ground should be okay based on his point-to-point wins.						
 Plain Or Battered 9 11-4b	P Rothwell	Tiernan Power Roche	13-1	90	99	104
In good form under both codes recently; 3lb outside the weights at Leopardstown but took the third spot (3m, soft); backed that up when runner-up in a Clonmel novice handicap chase last month (3m, soft); withdrawn due to unsuitable good ground at Down Royal last time, so conditions a question.						
 Courageous Cleo 6 11-3	G Elliott	James Smith (5)	22-1	89	49	94
Made little impact in three maiden hurdle outings; respect for the stable is the only positive factor, but Kennedy rides Coppola.						
 Ardera Gun 6 11-1tb	E Doyle	Donagh Meyler	16-1	87	67	96
Best placing came at Down Royal last time when seventh of 19 (3m, good), still finished 24l behind all the same; others preferred.						
 Mistyburn 6 11-1p	P Rothwell	Darragh O'Keeffe	18-1	87	67	99
Point winner is yet to score on the track but ran well enough in a 3m Cork handicap hurdle last time (yielding); down 2lb and the tongue tie is left off now; O'Keeffe takes over from claimer now.						

**Coppola** 7 10-13p¹

G Elliott

Jack Kennedy

6-1 85 94 100

Runner-up in all three starts since joining this yard over trips of an extended 2m4f up to 3m at Down Royal and Downpatrick; cheekpieces go on now; in the mix once again.

**La Tene** 8 10-1

J Ryan

Michael Kenneally (5)

16-1 73 60 102

Took a step forward in a 2m3f handicap hurdle at Clonmel (soft) on latest, outpaced and rallying for a 7l third; way below that level over fences at Tramore last time (2m, yielding).

**Made In The Woods** 9 10-6p¹

N Lee

G B Noonan

78 37 102

First reserve; sole win came over fences in 2023 off 88; reverts to hurdles (4lb lower mark) after a moderate effort over fences at Clonmel on stable debut; cheekpieces go on.

**Appian Way** 10 10-0

M Flynn

72 84 100

Second reserve; no wins since 2022 and outings this year have been poor.

**Clever Court** 5 10-5p¹

P Rothwell

77 56 104

Third reserve; No sign of winning potential yet; outsider when pulled up at Fairyhouse in January; cheekpieces go on now.

SPOTLIGHT VERDICT Plenty with claims but a chance is taken on **MICKEY HULIE**. The dual-point-to-point winner was beaten just a neck at Naas last month and his moderate third eight days later may have come too soon. **Live To Laugh** will be popular given he runs off an 18lb lower hurdles mark following dual chase wins recently. **Coppola** and **Sean Mc** are others of interest.  Astley 6 11-12	P Traynor	Alex Harvey	14-1	-	53	124
A distant runner-up in a bumper at Clonmel (2m4f, good to yielding); beat very few rivals in three runs over hurdles; started over fences with a respectable run at Down Royal recently.						
 Bobbysingindablues 6 11-12	P J Gilligan	Jack G Gilligan (5)	50-1	-	-	-
Minor placed form over hurdles in 2024; nothing of much note in his form since then; readily discounted.						
 Gatsby Grey 10 11-12tp	O McKiernan	Phillip Enright	33-1	110	72	110
Useful hurdler; nothing approaching that level over fences; pulled up on last two starts; has burst blood vessels.						
 Give Him A Chance 7 11-12	P Rothwell	Tiernan Power Roche	14-1	-	-	-
Course winner over hurdles (2m4f good) last summer; gained his third hurdles win in February; mishap at Wexford last time, when slipping up early.						
 Maxi Mac Gold 7 11-12tb	P Nolan	Eoin Staples (5)	14-1	119	47	123
126-rated hurdler; not as effective over fences; best effort when second over 3m2f at Fairyhouse in February; pulled up in a competitive handicap last time; needs to improve.						
 My Trump Card 8 11-12b	G Elliott	Jack Kennedy	8-1	121	94	124
Bumper and hurdles winner has been disappointing in six chase starts, jumping poorly; well held by Pray Tell on Punchestown running.						
 Pray Tell 10 11-12	D Kenneally	John Shinnick	11-2	-	117	132
Won a Grade 3 novice hurdle (3m) at Cork in December 2024; made a bright start over fences when second to Argento Boy at Punchestown; fell five out in the race won by Solder In Milan at the same venue; kept ticking over with a hurdles run.						
 Supersundae 7 11-12	W Mullins	Brian Hayes	100-30	-	98	132
Rated 142 over hurdles; seventh in the 2024 Supreme Novices' Hurdle; 8l second behind The Yellow Clay in a Grade 1 novice hurdle at Naas in January 2025 (2m4f, soft); pulled up in two following hurdle starts at Grade 1 level; form of his two chase starts bears little relation to his best hurdles form.						
 The Burrow 7 11-12	P Fenton	Niall Moore (5)	66-1	-	51	92
Point winner; ordinary form over hurdles, well below the level of many of these rivals; tailed off on chasing debut at Cork.						
 Billie Frechette 5 11-5t	N Meade	Donagh Meyler	8-1	-	-	-
Useful form on the Flat and over hurdles (rated 120); suited by staying trips on the Flat; should be fit for chasing debut after AW run at the beginning of the month.						
 Dameauscottlestown 6 11-5t	G Cromwell	Keith Donoghue	11-2	-	113	127
Came good at Punchestown on New Year's Eve in her first handicap hurdle; continued on the upgrade with second in valuable mares' handicap hurdle at the DRF; headed close home over fences at Leopardstown last month on chase debut; not at her best back over hurdles at Cork last time.						
 Gaoth Chuil 8 11-5	T Walsh	Shane O'Callaghan (5)	7-2	121	128	142
Three-time hurdle winner with some excellent efforts in competitive handicaps; second behind Perceval Legallois at DRF last season off 133; ran to a good level on chase debut over C&D a year ago; failed to repeat that until last month's Cork second, confirming winning potential						
 Rue Taylor 6 11-5tp	P Nolan	Sean Flanagan	20-1	-	-	-
Has won twice over hurdles at Wexford, notably final start last term in 3m novice in April (yielding), relishing stamina test; no sign of her best hurdles form on last three runs.						

SPOTLIGHT VERDICT A good second at this venue 12 months ago and another respectable run at Cork last month are enough to give the vote to **GAOTH CHUIL** who achieved a career-high mark of 136 over hurdles. **Supersundae** is a 142-rated hurdler, but his two chase runs have failed to inspire confidence. **Pray Tell** was a useful hurdler at his best and ran creditably on his chase debut before being left down by his jumping next time. **Billie Frechette** has claims on her Flat and hurdles form. 	Harbour Highway 7 11-12t	E Mullins	Peter Smithers (7)	6-1	109	79 114
Weak form over fences until coming good at Leopardstown early this month, with the returning Favori Logique in third; something amiss at Fairyhouse last time, never in contention and pulled up; 5lb higher than for Leopardstown win; could bounce back to form; 7lb claimed.						
	Quornofamondy 8 11-12b	J P Dempsey	Keith Donoghue	12-1	109	106 113
Gained a second chase success with a good display over 2m2f at Thurles in February; pulled up at the same venue on next start; jockey lost an iron at an early fence at Fairyhouse, and was unseated four out; blinkered for the first time now.						
	Hitthehayson 7 11-9p	I Donoghue	Conor Stone-Walsh	11-2	106	104 116
Winner of both starts over fences; 15lb higher than when beating Duffys Hodey over 3m at Fairyhouse in November, having backed that up with a 2m4f win at Haydock; placed off his much lower hurdles mark in two outings this month.						
	Favori Logique 11 11-8	R O'Sullivan	Danny Gilligan	6-1	105	93 116
Two handicap chase wins, including over C&D in July 2024; fine comeback run after 16 months' absence at Leopardstown when a staying-on third behind Harbour Highway over 2m6f (yielding); ground may be too testing at Limerick more recently.						
	Justabitofoours 6 11-8	P J Gilligan	Jack G Gilligan (5)	25-1	105	77 117
Looks harshly treated; struggled in beginners' events; never in contention and pulled up at Fairyhouse on handicap debut.						
	Duffys Hodey 9 11-7p	P Rothwell	Simon Torrens	5-1	104	97 111
Decent performer at a modest enough level, three hurdle wins and twice successful over fences off lower marks this term in Limerick handicaps; beaten only one length in third at Wexford a fortnight ago; now 10lb better off with Hitthehayson who beat him by 2 3/4l at Fairyhouse in November.						
	Stoneyford Lady 7 11-7tp	H De Bromhead	Darragh O'Keeffe	8-1	104	106 118
Maiden hurdler; second in a Thurles beginners' event before making going one better in a handicap at the same venue (2m2f, yielding); failed to recover from a bad mistake two out at Limerick after Christmas.						
	Ballybrittas 7 11-5	P Rothwell	Tiernan Power Roche	12-1	102	77 102
Winning pointer and hurdler; runner-up on first two attempts chasing, in beginners' at Thurles (2m5f) and Clonmel (2m1f) last season; has failed to build on those promising efforts, stablemate Duffys Hodey is more appealing currently.						
	Musta Lovea Lovea 10 11-5p	O McKiernan	Phillip Enright	33-1	102	75 107
Still a maiden after 22 starts under rules; struggled in two chase starts early last year; faces a huge task after a long break.						
	Iamagetaway 7 11-3t	G Elliott	Jack Kennedy	4-1	100	96 116
Maiden hurdle winner over 2m4f on good; best effort over fences when second in a 2m5f Roscommon beginners' event last June, form shown in a good light by the progressive winner Boston Rover; failed to build on that in two subsequent novice runs; weak form in two handicaps last autumn; makes debut for top stable after a break						
	Riyami 7 11-3t	D Hogan	Sean Flanagan	14-1	100	- -
Four-time AW winner including in 2m event at Dundalk on penultimate start; in rear in a 2m Lingfield race three weeks ago; has won over hurdles; makes chase debut						
	The Blaggard 6 11-3t	E McCarthy	G B Noonan	25-1	100	- -
Tramore maiden hurdle winner in 2024; has failed to make his presence felt in handicap hurdles; no chasing experience.						
	Good World 11 11-2p	E Griffin	Ricky Doyle	8-1	99	- 114
Five-time hurdles winner; limited chasing experience and lacks a recent outing; however, potentially well handicapped, 8lb below the current hurdles rating he earned with a Fairyhouse win last November.						
	Sampoet 9 10-13p	D Christie	Josh Williamson (5)	20-1	96	122 115
Only one win from 16 starts in points; recent last of eight finishers at Down Royal provides no encouragement.

N Meade

Donagh Meyler

96 99 116

Now 0-10 over fences having been an unplaced favourite over a longer trip at Down Royal 12 days ago; this is probably closer to his optimum distance; first reserve.

**Doyen Magic** 7 10-12

P Rothwell

95 108 114

Won over hurdles at Clonmel in January; solid runs in defeat in handicap chases at Clonmel (2m, heavy) and Limerick (2m2f, heavy); effective on good-to-yielding when a C&D winner last summer; second reserve.

**Mareilly** 9 10-12b

P Rothwell

95 97 114

Second of four finishers at Limerick last time; three-time hurdles winner; maiden over fences; stable also has the second reserve and a guaranteed runner; third reserve.

SPOTLIGHT VERDICT The in-form Ross O'Sullivan yard may strike with **FAVORI LOGIQUE**, a C&D winner off this mark in 2024. On the first of two runs since returning from a lengthy absence, he was not far behind **Harbour Highway**, who has since blotted his record at Fairyhouse. **Hitthehayson** and **Duffys Hodey**, winner and second respectively in a Fairyhouse handicap earlier in the season, are leading contenders. **Imagetaway** is of some interest on his first run for Gordon Elliott. Third reserve; gave herself little chance on debut at Cork when pulling her way into the lead and was a spent force in the straight; hooded; 349-day absence.

SPOTLIGHT VERDICT Terence O'Brien has fared well with his bumper runners this season, and there was plenty to like about **STREAMHILL**'s fourth at Cork on return from a long layoff. The prospect of better ground can see **Greenhills Of Cork** and **Seven Towers** bounce back after poor efforts in the mud. **Lultimatom** was turned over at odds-on at Fakenham but still commands plenty of respect given connections.
