Note: Superior figures alongside going and distance records represent each horse's best Racing Post Rating in the relevant category to date, during a period beginning two seasons ago, adjusted for age and weight. The abbreviations H,L,P indicate a horse's usual style of running where H is held up, L is led and P is pressed leaders. The percentage after a trainer's name indicates the percentage of a trainer's runners that have run to form in the last 14 days. The superior figure after each horse's name is the number of days since its last race.
