Finished last of 14 when sent off at 250-1 for Leopardstown debut (1m, yielding to soft); very unlikely.										
	Billy Jean 3 9-3	J Stack	Leigh Roche	20-1	-	50	71			
Improved over poor 6f Dundalk debut when a 8.25l sixth for first turf run at the Curragh (7f, soft to heavy); others preferred.										
	Carmel Valley 3 9-3	D McLoughlin	Scott McCullagh	22-1	-	24	60			
Never better than midfield on debut at the Curragh (7f, soft to heavy) when 33-1; others appeal more.										
	Curious Jane 3 9-3	C Murphy	Jack Kearney (3)	80-1	-	-	52			
Beaten 16l over 7f at Dundalk and 15l over 10.5f there last time; hard to fancy.										
	Divine Legend 3 9-3	J Murtagh	Rory Mulligan (5)	25-1	-	58	67			
Exhibited just modest improvement over her Leopardstown debut when a 12l seventh at Cork on seasonal return (7f, soft to heavy); much more needed.										
	Expert Dancer 3 9-3	A Slattery	Andrew Slattery	11-2	81	84	91			
Eyecatcher when making late gains on debut at Naas over 6f in October; another solid run when a 3.5l third on heavy at the Curragh (6f, heavy) eight days later; 2.25l behind Signora when third at Cork on seasonal return; place claims.										
	Glasarmi 3 9-3	R Anthony Devine	N G McCullagh	80-1	-	-	-			
Second foal; dam unplaced 6f-1m (RPR 42), half-sister to winners Dark Regard (6f inc 2yo), Pride Of Nepal (1m1f-1m4f) and Michonne (French 1m3f/2m), out of German 6f Listed winner; unlikely to make immediate impact.										
	Green Interlude 3 9-3	J P O'Brien	Declan McDonogh	12-1	68	52	80			
Finished just 2.75l behind Ridersinthesky when fifth at the Curragh on debut last season (7f, good to yielding); didn't kick on from there in two subsequent starts, including when 13.5l behind at Dundalk when last seen in February.										
	Lamberella 3 9-3	D Marnane	Luke McAteer	33-1	-	48	84			
Last of 16 on debut at Cork but showed good improvement to finish ninth of 15 in a strong maiden at Leopardstown (1m, good to yeilding) 13 days ago; vast improvement required all the same.										
	Moon Aura 3 9-3	Mrs J Harrington	Keithen Kennedy (5)	25-1	-	21	65			
Weakened into a 12.5l eighth at Leopardstown on debut (1m, yielding to soft); others appeal more.										
	Open Eye 3 9-3	Joseph G Murphy	NON-RUNNER		-	-	-			
No Nay Never filly; 125,000euros yearling; eighth foal; sister to winners The Irish Rover (Group-placed 6f 2yo; RPR 109) and Just For One Day (6f; 70), closely related to 7f-8.6f winner West Palm Beach (inc 2yo/AW/US; 92), half-sister to two winners; dam placed 6f-1m (81); check market.										
	Rayzera 3 9-3	J Murtagh	Seamie Heffernan	9-2	-	81	85			
Looked in need of further when 9l behind on Gowran debut (7f, good to yielding) last September; appreciated extra trip when 5l fifth of 16 over 1m at Cork (yielding); well beaten behind impressive winner back at Gowran on seasonal return (1m, soft); could be in the mix with improvement but drop to this trip may not be the answer.										
	Ridersinthesky 3 9-3p	Mrs J Harrington	Nathan Crosse	100-30	90	81	94			
Third at the Curragh on debut (7f, good to yielding) and again at Cork (7f, good); again made the frame in a Curragh Group 3 in August (1m, good); below her best on final start at Cork when sixth; player.										
	Signora 3 9-3	A P O'Brien	Jack Cleary (5)	5-2	91	90	97			
Took third in a Naas Group 3 on debut last term (6f, good); beaten favourite in Albany Stakes next time and no help to favourite backers in two maiden runs this term either; collared late on at the Curragh (7f, heavy) when second; filled the same spot despite 1-2 odds at Cork last time (7f, soft to heavy); drying ground could help her and may finally make the breakthrough.										

**White Lily** 3 9-3t

D Geary

Chris Hayes

14-1 - 43 81

Vastly improved over her moderate debut when outrunning 125-1 odds to take third at Naas (6f, yielding); others preferred.

SPOTLIGHT VERDICT Although proving expensive to follow after failing to justify favouritism on her last three starts, **SIGNORA** may finally be able to make the breakthrough. Placed in a Group 3 on debut, she has finished runner-up in two runs this season and if the ground dries it could help her further. **Ridersinthesky** has the form to be a big danger but lacks a recent run. **Rayzera** and **Expert Dancer** have place claims. 	Big Cypress 3 9-8 One of three for yard; sent off at 12-1 on debut at the Curragh (7f, sft-hvy) last October and was beaten 14.5l; bred to do better and could improve for a sounder surface so can't discount.	J P O'Brien Declan McDonogh	14-1	-	14	49
	Casamorati 3 9-8 One of three for yard; 11-2 but never landed a blow on debut at Gowran (9.5f, soft); the drop back in trip here should suit but yard has stronger chance with The Publican's Son.	J P O'Brien Gary Halpin	16-1	-	54	74
	Dark Leader 3 9-8 Dark Angel gelding; 65,000gns 2yo; closely related to Italian 7f/7.5f 2yo winner Bridge Dress Me, half-brother to winners The Wizard Of Eye (6f-1m inc 2yo/AW Listed; RPR 112) and Arran (5f 2yo; 87); dam maiden (56); a bit of appeal on paper and worth a market check on debut. 	The Publican's Son 3 9-8 Rated 102 after four starts, the first three of which came in stakes company; narrowly denied in a Curragh Group 3 on debut; out of depth in Middle Park and not disgraced in Group 3 at Leopardstown on seasonal return; the one to beat if turned out quickly after finishing second in a Cork maiden yesterday.	J P O'Brien Hugh Horgan (5)	5-6	102	76	105
	Zenford 3 9-8h Close third on debut at Leopardstown (7f, yld-sft) in a hood last October; beaten 5.5l at the Curragh on seasonal return last month (7f, sft-hvy) minus the hood; the hood returns now and he looks the main threat to The Publican's Son.	J Murtagh Jamie Powell	3-1	-	58	80

SPOTLIGHT VERDICT **THE PUBLICAN'S SON** sets a pretty high standard here and he's the one to beat if turned out quickly after finishing second in a maiden at Cork yesterday. **Zenford** looks the main danger on form and the selection's stablemate **Big Cypress** could improve for better ground. **Sancerre Rock** and **Dark Leader** appeal most of the newcomers. Second reserve; dual-purpose; hurdles winner is 0-7 on turf on the Flat but has run well in defeat at times; well below best on seasonal return at the Curragh last month though and needs to leave that well behind.

SPOTLIGHT VERDICT It is hard to get away from the form claims of **SPACEBOUND (nap)** here. He has the strongest form on offer and while the ground is a query, this trip looks sure to suit. **Senna's Girl** could give the selection most to think about. **Sron Na Caise** and **Treasure Rose** have place claims and **El Rehaiby** is interesting on his first start for Andy Slattery. Seven-time winner wasn't disgraced on seasonal return at the Curragh six days ago (7f, soft) when 3.5l behind the winner; could improve for that first run back; not discounted.							
	Moyassr 5 9-12t	P W Flynn	Seamie Heffernan	14-1	68	73	79
Flying on the AW over the winter, winning over 1m in October and twice in January; winless from ten on turf, although ran okay at times; rated 9lb lower on this surface; not ruled out.							
	Teffian Warrior 4 9-11p ¹	C Murphy	Scott McCullagh	12-1	67	54	74
Best effort from five maidens came at Galway in July when a 6l fifth of 14 (7f, yielding); led before fading into fourth of 8 on handicap debut at Leopardstown ten days ago (1m1f, yielding to soft); likely capable of better; cheekpieces applied now.							
	Medieval Night 4 9-10	D Hogan	Mel Sheridan (10)	10-1	66	46	77
Moderate form overall in six runs for Dermot Weld apart from a standout runner-up finish on handicap debut in a 21-runner contest at Leopardstown in a first-time visor (1m1f, good); that run came after an absence so perhaps this is the time to catch him on stable/seasonal debut.							
	La Tulipe Noire 6 9-9p	Aengus King	Luke McAteer	11-1	65	62	74
AW maiden winner was successful on turf twice last autumn at Cork (1m, yielding) and Roscommon (7.5f, soft); ran some solid runs in defeat afterwards; capable of more than what she has shown in two runs this season.							
	Lady Arwen 7 9-8	C O'Dwyer	Jack Cleary (5)	9-2	64	62	74
Had been on a losing run of over 2.5 years before a short head victory at Gowran last time provided her fourth career turf win (1m, soft); runner-up hasn't done much for the form in the meantime; still on an attractive mark compared to her previous wins if continuing on an upward curve.							
	Mags 5 9-7h ¹	C Coakley	G B Noonan (5)	33-1	63	41	77
Off the mark when winning a 1m handicap at Dundalk in November 2024; ran just twice last season, finishing last on both occasions; makes stable debut now in a first-time hood.							
	Bella Colombia 5 9-6	W McCreery	Leigh Roche	7-1	62	-	75
Added a second AW win at Dundalk last month (1m) off 3lb lower; ran some decent races in defeat on turf in 2024; hurdling wasn't her bag; could go well.							
	Burford Beauty 4 9-6t	G Cromwell	Jack Kearney (3)	15-2	62	47	76
Just fair form in handicaps to date but her mark is beginning to drop and she is lightly raced; finished a 5.5l fifth of 13 at Down Royal when last seen on turf (7f, yielding); got upset in stalls and weakened quickly into tenth at Dundalk in November (10.5f).							
	Cannonball Queen 4 9-2	S Duffy	N G McCullagh	33-1	58	43	75
Promise on Curragh debut when beaten 5.5l (7f, good) but hasn't been able to build on that initial effort; finished last of 12 on return at Leopardstown 10 days ago (7f, yielding to soft); others more appealing.							
	Deuteronomy 7 9-2b	R Burns	Nicola Burns (5)	10-1	58	54	77
In the form of his life last June, notching three wins on the trot at 1m/1m1f following addition of visor/blinkers; final leg of the trio came over this C&D off 54 (good); well beaten in two starts this season but interestingly the blinkers go back on now.							
	Electric Night 3 9-1	J P O'Brien	Declan McDonogh	15-2	71	-	74
Some decent efforts in defeat in Dundalk maidens over 7f-1m; respectable handicap debut (7f) in February when fourth of 13; makes turf debut now and this trip should suit.							
	Linger For Longer 7 8-12	A Leahy	Jimmy Dalton (7)	16-1	54	57	76
Three-time winner was below par in six runs last year; now 17lb below last winning mark but must return to form.							
	Glamazon 3 8-11	Mrs J Harrington	Nathan Crosse	9-1	67	73	72
Consistent form in defeat in seven turf runs as a juvenile over 6f-7.5f; way below her best on AW debut at Dundalk in October; demonstrated a good attitude to take a 7.5l fifth on seasonal return at Bellewstown (1m, soft); dropped 1lb and could improve.							
	Nicky Larson 3 8-8	P Nolan	Chris Hayes	12-1	64	54	70
Moderate maiden form; may do better now entering handicaps.							

SPOTLIGHT VERDICT A tricky race to get a handle on, but it's interesting that blinkers go back on **DEUTERONOMY**. The **C&D winner excelled when headgear was applied last year, winning three on the bounce, and they had been discarded in his poor opening runs this season. Electric Night** could go well on her turf debut after posting some decent AW efforts. **Bella Colombia** was a winner at Dundalk last time and is another with claims. The form of **Lady Arwen's** Gowran win doesn't look the strongest. [Denis Harney]

Best maiden run came at Killarney on penultimate run last season when a 5.5l runner-up (1m, soft to heavy); way below that at Gowran next time (7f, heavy); claims if repeating his Killarney effort off this mark.

Best run for Ollie Sangster was when runner-up in a 1m3f Southwell novice contest in March last year; poor on final British start and got off to a bad start on stable debut at Gowran earlier this month when well beaten; visor goes on.

Back to form when recording a tenth win under rules' at Dundalk last month (7f); 6f perhaps a bit sharp back at Dundalk last time and was hampered turning in; she was a C&D winner last June off 5lb higher, so a few things in her favour back on turf.							
	Selective Power 7 9-6p	T Coyle	Chris Hayes	7-1	62	71	76
Three-time turf winner who appreciates an ease in the ground; 3lb above his last success in September at Roscommon (7.5f, soft); positive return to turf at Bellewstown (1m, soft) two weeks ago when fourth of 14 following a poor effort at Dundalk prior; no surprise to see him feature.							
	Fits Perfect 3 9-5	J P O'Brien	Gary Halpin	16-1	75	52	59
Towards the rear and well beaten in opening three maidens; gelded since last seen at Galway in October; has shown nothing to date to recommend him but may improve now handicapping.

Finished runner-up at Dundalk on final two starts last year when upped to 7f; 2lb wrong here but not out of it if bringing his AW form.

SPOTLIGHT VERDICT | An open affair, but a speculative choice is **SMITHFIELD**. Just denied on maiden debut last season, he couldn't recapture that form subsequently, but perhaps can give his best on seasonal return with the drying ground in his favour. **Amemri** was a C&D winner here last year and returned to form with a recent AW win. **Faoladh** and **Selective Power** made creditable returns to turf last time and can go well.  Orandi 8 10-3t Last year's Irish Lincolnshire winner has lost way since a Galway premier handicap third last August; beaten 21l in both starts this season and remains 5lb above last winning mark; revival needed.	A Martin	N G McCullagh	18-1	93	90	98
 Crypto Force 6 10-0 Classy 2yo won a three runner race Gowran last July, his third win on turf; has failed to fire since and was never sighted in the Irish Lincolnshire last time, although heavy ground may not have suited; sliding mark but others appeal more.	R De Aguiar	Jack Kearney (3)	16-1	90	98	96
 Motu Proprio 4 10-0 French AW winner; 0-4 on turf but wasn't beaten far behind a 97 rated rival when fourth in a 1m listed heat at Longchamp (soft) last June (RPR 97); could be well treated and market can reveal expectations on debut for new yard.	J P O'Brien	Hugh Horgan (5)	11-1	90	56	97
 Grey Leader 6 9-11 Five-time winner for Joe Murphy; tailed off on debut for this stable in the Irish Lincolnshire last month; acts on most ground but can only be watched after that latest effort.	R Burns	Nicola Burns (5)	25-1	87	82	96
 Rion Rubette 4 9-10 Course winner (7f, good) bounced back to form with a 7f win at Gowran (soft) three days ago; carries a 7lb penalty for that and steps up in trip now; chance if she stays (not beaten far sole previous start at 1m).	M Butler	Paddy Harnett (5)	13-2	86	72	96
 Collecting Coin 4 9-9 Consistent form last season included a Galway maiden win (7f, yielding); sound effort on handicap debut and seasonal return at Naas (7f, soft) last month; sharper for that and place shout at least stepped back up to 1m off 1lb lower.	Mrs J Harrington	Keithen Kennedy (5)	7-1	85	72	98
 Hellorhighwater 4 9-9 Placed over C&D (good) on debut for Gavin Cromwell; won a 1m Cork maiden (soft) on third and final start for that stable last September; opening mark looks fair; market best guide on stable/handicap debut after a break.	Miss N Lupini	Leigh Roche	6-1	85	52	94
 Dark Summit 4 9-8 French winner on good to soft (1m); shaped promisingly enough on debut for this yard in the Irish Lincolnshire (1m, heavy); 1m2f may have stretched latest; dropped another 3lb, moves back in trip and drying ground in his favour; could go well.	D Hogan	Jamie Powell	20-1	84	68	88
 Follow Me 5 9-8h ⁺ Has come up dry since back-to-back wins at the Curragh in 2024; no impact in three runs last season; hood now reached for; sliding mark and stable form the main positives but likely best watched on seasonal reappearance.	R O'Sullivan	Scott McCullagh	22-1	84	62	93
 Lady Lilac 4 9-8p ⁺ 1-9 on turf; won a maiden at Killarney last October (1m, sft-hvy); fine effort on seasonal reappearance in a Curragh handicap (1m, sft-hvy) when beaten a head off 4lb lower; cheekpieces now go on; ground versatile and obvious chance.	Joseph G Murphy	Seamie Heffernan	11-2	84	86	92
 Expond 7 9-4tp Dual-purpose; 3-22 on turf on the Flat; all three Flat wins have come over an extended 1m1f on good ground; has run well over C&D before and fit from the AW but remains 4lb above last win and beaten off lower AW mark on latest.	D Hogan	Jared Huggan (10)	10-1	80	72	93
 Fast Tara 6 9-3t Sole success came in a Bellewstown maiden in April 2023; has run well in defeat at times and should strip fitter for her comeback run at Gowran 17-days ago; place chance if steps forward from that.	P W Flynn	Adam Grant (7)	14-1	79	85	95
 Highbury See See 4 9-3 Won two handicaps last season; below best on seasonal return in Irish Lincolnshire but much better on latest back at the Curragh (1m, sft-hvy) when a 4l fifth of 21; dropped 1lb for that but may need softer ground than this.	A Slattery	Andrew Slattery	10-1	79	81	92
 Spanish Temptress 4 9-3 Went up a cumulative 21lb for three handicap wins last season; beaten 7.25l when third of 16 at Gowran on latest and dropped 1lb; has placed C&D form but may need a bit more help from the handicapper.	R O'Brien	Chris Hayes	9-1	79	75	92

**San Aer** 8 9-2t

R O'Sullivan

Luke McAteer

25-1 78 89 95

No win since October 2023; promise on first two starts for this yard last October but two runs this season have not been good (very slowly away latest); others arrive in better form.

**Um Wadi** 5 9-2

J P O'Brien

Declan McDonogh

15-2 78 77 97

French AW winner; promise on debut for this yard at Leopardstown but blood in both nostrils when a beaten favourite for her next run at Navan; back on track after a break at Dundalk (7f) last month when a 1l third; chance off the same mark if backs that up.

**Walhaan** 10 9-1p

C Murphy

Rory Mulligan (5)

77 69 96

First reserve; versatile sort has won eight races on the Flat and over hurdles; scored at Dundalk (10.5f) in December off 3lb higher but ordinary effort back on turf at Leopardstown latest; this trip looks too sharp.

**Great Mover** 4 9-1

W McCreery

77 73 96

Second reserve; off the mark at Gowran (9.5f, heavy) last September off 10lb lower; not a bad effort back there on latest but was beaten 9l and just 2lb lower now; others look better treated.

**Earls** 9 9-0tp

G Cromwell

76 45 94

A winner of 11 races on turf, the latest at Roscommon (7.5f, soft) last September off this mark; well below best on first two runs of this season and needs to leave those tame efforts behind.

SPOTLIGHT VERDICT Cases can be made for a few of these. The recent Gowran winner **Rion Rubette** should go well again if this doesn't come too soon. **Lady Lilac** is another big player but **COLLECTING COIN** is narrowly preferred after his pleasing comeback run at Naas with the step back up to 1m a plus. Market support for **Um Wadi** and \Motu Proprio should be noted and drying ground could elicit an improved effort from **Dark Summit**. [Dave Stephens]

D A O'Brien	Paddy Harnett (5)	9-1	-	-	-
 Chablis Rock 3 9-3 ^t Improved plenty over Cork debut last September (1m, yielding) when taking the third spot at Gowran; good return to action at the Curragh when a 2.75l second (1m2f, soft to heavy) and 18l clear of third; tongue tie goes on and she's a big player with the best form on offer.	J P O'Brien	Declan McDonogh	5-4	-	75	85
 Nathema 3 9-3 Moderate Gowran debut when eighth of 11 (8.5f, heavy); tailed off at the Curragh earlier this month (1m2f, soft to heavy); stable in good form but much more needed.	A Slattery	Andrew Slattery	16-1	-	-	62

 Sofi's Gift 3 9-3 No sign of winning potential in opening two maidens.	C Murphy	Luke McAteer	20-1	-	17	60
 Zitkala Sa 3 9-3 ^t Beaten 17l on debut at Dundalk earlier this month; tongue tie needs to spark a big improvement.	K Coleman	Seamie Heffernan	18-1	-	-	64

SPOTLIGHT VERDICT Well clear of third when runner-up on seasonal return at the Curragh, **CHABLIS ROCK** can put her race-fitness to use and shed her maiden tag. Newcomers **Near Perfection** and stablemate **Pleased** look most likely on paper to give the selection most to do. [Denis Harney]

 Church Mountain 8 10-2tp	D Hogan	Jack Kearney (3)	17-2	60	40	64
Dual-course winner at 1m is capable off this mark and he shaped promisingly at Navan (1m2f, heavy) last month (3l behind Calmint); should go well stepped back up in trip (has won over 1m4f on AW).						
 Deed Pole 6 10-2	T O'Brien	Robyn Donaghue-Leahy (7)	10-1	60	-	63
Two-time AW winner is 0-7 on turf; out of sorts over hurdles when last seen in October; best watched on return.						
 Miss Crinshawn 4 9-13	J S O'Donoghue	Nathan Crosse	7-1	57	46	60
Returned from a 136-day break with a staying on third at Dundalk (10.5f); not discounted off the same mark upped in trip if repeating that on return to turf.						
 Amavasya 4 9-12h	M Grassick	N G McCullagh	11-1	56	62	64
Maiden shaped okay at times last season without really threatening to win; her best run came over this trip at Cork when a 2.75l fourth and she's 4lb lower now; lacks a run but can't dismiss.						
 Khormor Syd 5 9-12t	G Scott	Seamie Heffernan	11-2	56	59	63
Best effort yet when a 1.25l second of 14 at Gowran (9.5f, soft) on seasonal return; shaped like this longer trip would suit and is a player off just 1lb higher.						
 Broadchurch 4 9-11	Joseph G Murphy	NON-RUNNER		55	50	58
Modest form so far in three maidens and again on handicap debut on seasonal reappearance at Gowran 16 days ago; major improvement required off just 1lb lower.						
 Ellaat 10 9-11	C Coakley	G B Noonan (5)	22-1	55	46	62
Dual-purpose veteran has won eight races including four on turf on the Flat; not a bad run on final start for Ian O'Connor in a Cork handicap hurdle in November; off since and entitled to need this on first run for Charles Coakley.						
 Hosanna Power 6 9-11	D Broad	Jack Cleary (5)	28-1	55	67	62
No win since May 2024; hasn't looked like ending the drought on the AW on recent starts; hard to fancy.						
 Captain Hanley 6 9-8ht	E O'Connell	Declan McDonogh	15-2	52	60	62
0-17 on the Flat (0-9 on turf); went close off 6lb higher at Tramore last August (1m4f, gd-yld); some fair efforts in defeat on AW this year; could go well with drying ground a plus.						
 Piatra Neamt 5 9-8p	S Duffy	Jamie Powell	20-1	52	41	59
Shaped like this trip might suit when a 5l sixth of 17 at Navan on handicap debut (1m2f, yielding) in October; never travelled on heavy ground at Galway later that month; this ground more suitable but lacks a recent run.						
 Calamint 6 9-7	A Murray	Yudish Geerdharry (7)	9-2	51	45	61
No win since scoring off 2lb higher at Naas in April 2024 (1m, yielding); back on song with a 2.5l second at Navan (1m2f, heavy) on seasonal return (Church Mountain 3l behind); worth another go at this trip on that evidence; chance.						
 Anightaway 5 9-5	S Davis	Jimmy Dalton (7)	25-1	49	25	58
Maiden has yet to display winning potential in five starts on turf; soundly beaten again over 1m2f at Navan latest; tries a longer trip now; others preferred.						
 Jurality 5 9-5	P W Flynn	Leigh Roche	10-1	49	40	66
Dual-purpose maiden; not a bad run over hurdles at Bellewstown a week ago and had been shaping okay at this trip on the AW earlier this year; best Flat run came over C&D last July when a 0.5l second off 2lb lower; interesting.						
 Rapid Sequence 4 9-1	J Fahey	Chris Hayes	18-1	45	44	61
Modest efforts in maidens at 7f-12.5f for former yard last season; best watched on stable and handicap debut after a 242 day break unless the market speaks.						
 Patrick Street 7 9-0t	A Kinirons	Nicola Burns (5)	12-1	44	44	66
Last of two career wins came in October 2023; ran well at Dundalk in February but soundly beaten back on turf at Gowran on latest; others make more appeal.

**Almenfee** 5 9-12tp

D A McLoughlin

56 - 52

First reserve; German winner has failed to fire in four runs for this stable; beaten 17.5l on seasonal return at Bellewstown on latest; hard to fancy.

**My Girl Robyn** 4 8-11

A Slattery

41 48 63

Second reserve; showed little in maidens and similar story in first two handicaps; major improvement needed.

**Haeret In Pectore** 5 8-10t

A Martin

40 32 52

Third reserve; won over 7f when trained in Poland; showed a glimmer at Dundalk in January but didn't back it up back there later that month and off since; hard to make a case for.

SPOTLIGHT VERDICT If **CALAMINT** builds on her promising seasonal reappearance second at Navan she could be the one to be on here. **Church Mountain**, who was 3l behind the selection in that same Navan race, rates a live danger. **Jurality** has a chance, as do **Khormor Syd** and **Miss Crinshawn**. **Piatra Neamt** could go well at a price if fit for he return.
