	Un Sens A La Vie 6 12-0	N & W Twiston-Davies	Sam Twiston-Davies	4-6	130	125	130
Record of 2-5 over hurdles and he was runner-up behind subsequent Supreme winner Old Park Star at Kempton (2m, good) in November; finished a well-held fourth of 15 at Newbury in February but that was a major handicap and not many got involved in the testing conditions; sets a clear standard back in much calmer waters and his last win was over C&D; strong contender.							
	Snatch A Glance 6 11-9	F O'Brien	Fern O'Brien (5)	9-2	116	105	122
The last four of his six runs have been at Ludlow and he won a bumper in October and a maiden hurdle (2m, good) the following month; fell three out on his return from a break three weeks ago but he was travelling well enough in a prominent position at the time; this looks a tougher assignment but he still has potential and is respected for in-form yard.							
	Latin 5 11-2h	J Owen	Jonathan Burke	14-1	-	74	115
Six-time Flat winner including five on AW (1m-1m2f) since December; unexposed over hurdles and was fair fourth of 13 back in this sphere at Hereford (2m, good; 12-1) last week; should have more to offer as a jumper but this looks a tough task against Un Sens A La Vie.							
	Not For Passin 6 11-2ht	R Llewellyn	Liam Harrison	9-1	-	57	107
Easy winner of a five-runner Perth bumper (good ground) last spring and later recruited for 60,000euros; fell when prominent in the market on hurdle/stable debut at Huntingdon in November and was well held in second when odds-on at Catterick last time; still early days in this sphere but he needs major improvement with equipment added after a break.							
	Sonic Pioneer 4 11-1p	M Keighley	Harry Atkins (7)	5-1	116	100	124
Dual Flat winner whose form in juvenile hurdles includes an emphatic success at Kempton (2m, good) and two non-completions (pulled up both times) in Grade 2 races; drops back in class after a break but he has a bit to prove and probably needs to kick on again to make a major impact.							
	Winston's Oath 4 10-8	D Cunha	Lee Edwards	33-1	-	99	110
Lightly raced 4yo who showed ability in a Fakenham maiden (2m, good) two weeks ago but he has plenty to find here and is best watched.							

SPOTLIGHT VERDICT This looks a good opportunity for C&D winner **UN SENS A LA VIE** who was a respectable fourth in gruelling conditions in a major handicap at Newbury in February. He sets a useful standard back in much calmer waters and should be hard to beat in his bid to make it 3-6 over hurdles. The main threat could come from dual course winner **Snatch A Glance** who was disputing the lead when he fell three out in a novice here on his reappearance last month.[David Moon]

	The Egyptian Ginge 5 11-13	N & W Twiston-Davies	Mr Jamie Neild (7)	9-2	115	111	117
0-9 but was runner-up on handicap debut at Haydock (2m3f, good to soft) last month and he filled the same position behind an odds-on rival in a maiden at Ascot (2m3f, good) last time; needs to find more at this new trip but he still has potential and is a half-brother to a 2m7f chase winner.							
	Maximum Offers 7 11-11p	J Snowden	Gavin Sheehan	13-8	113	87	118
2m hurdle winner who landed the odds with an easy win in a handicap chase at Hereford (3m1f, good) last Thursday; that was a three-runner race but he won by a long way and is still unexposed at staying trips; major player again off 5lb higher back over hurdles.							
	Tzarmix 8 11-10p	A Ralph	Toby McCain-Mitchell (5)	100-30	112	109	119
Back from a break with a clearcut win over C&D (good to soft) in December and he's finished runner-up in three subsequent starts; up another 2lb but he had a near-miss at Market Rasen (2m7f) last time and this return to quicker ground is no problem (won a point on good to firm); respected.							
	Springs A Girl 7 11-7	M Keighley	Harry Atkins (7)	9-1	109	99	117
Won a novice here (2m5f, good to soft) in December 2024 but she's been up and down in handicaps since; finished second of five at Newbury (3m, soft) in February but she didn't fire at Chepstow (2m3f) last time; now goes back up in trip and down in grade but this is competitive and others are more persuasive.							
	Windsor Blue 5 11-5	H Daly	Sam Twiston-Davies	10-1	107	106	113
Off the mark with 20-1 win in a handicap here (2m5f, soft) in February but she failed to back that up on her return visit last month; still has low mileage but she needs to resume her progress at this new trip.							
	Noonetellsmenothin 5 11-4b ¹	J & A J O'Neill	Jonjo O'Neill Jr	13-2	106	110	117
Lightly raced 5yo who won a novice at Catterick (2m3f, good to soft) in December; finished lame when pulled up on handicap debut at Kelso (2m7f, heavy) in February and he bounced back with a fair fourth at Market Rasen (2m4f; cheekpieces added) last month; looks worth another try at this sort of trip and he's not ruled out in first-time blinkers.							
	Catwalk Girl 6 11-2	M Comley	Tom Broughton (5)	20-1	104	94	114
Point winner who has shown some promise in three hurdle runs this year, including when third of five at Wincanton (2m5f, good) three weeks ago; should have more to offer now switched to a handicap and her dam was a 3m winner over fences; one to keep an eye on.							

SPOTLIGHT VERDICT Several have possibilities but the most striking contender is **MAXIMUM OFFERS** who was a runaway winner over fences at Hereford last week. He's a major player again off 5lb higher back over hurdles and his yard won this race last year. **Tzarmix** has been knocking on the door since his C&D win in December and he's feared most, ahead of **Noonetellsmenothin** and **The Egyptian Ginge**. Another to keep an eye on is handicap newcomer **Catwalk Girl**. [David Moon]

Not the force of old and has failed to complete in his last two starts but this is a drop back in grade and he went close at Catterick (3m1f, good) in November; looks interesting on that form and he made all when winning this race last year.							
	Epic West 7 11-11	J Snowden	Gavin Sheehan	9-2	117	118	124
Irish point winner who was 2-3 as a novice hurdler last season (wins gained on soft/good to soft); his three runs over fences since December include a close second at Warwick (2m, good to soft) but he was tailed off in both runs either side of that; still lightly raced but he has something to prove on this big step back up in trip.							
	Tax For Max 9 11-9t	N & W Twiston-Davies	J J Slevin	5-1	115	112	123
Three wins at around 2m in Ireland and latest was over fences for Willie Mullins in June 2023; record of 0-8 for current yard but he rallied well when a creditable third here (2m, good) last month; this is a different test at this new trip but he's well treated on his old form and needs watching in the market; tongue-tie back on.							
	Gris Majeur 9 11-7	Sheila Lewis	Sean Houlihan	9-2	113	113	125
Triple hurdle winner who made the breakthrough over fences in a Ludlow handicap (2m4f, good to firm) in October; that was a four-runner race but he's been placed in four runs since including when runner-up at Chepstow (2m7f) 11 days ago; should go well again and all of his wins have been on good/good to firm.							
	Arrycan 12 11-5	N Scholfield	Jack Quinlan	10-1	111	70	120
12yo who has won four times over fences but there were more bad runs than good ones in Ireland last year; on workable mark in suitable conditions but he was tailed off when last seen in October and needs a major revival for new yard.							
	Petty Cash 9 11-2t	H Daly	Sam Twiston-Davies	9-1	108	108	127
Won over fences at Chepstow (2m7f, good to soft) in November 2024 but he's not seen much action since; ran well after wind surgery when third over C&D in February but he was pulled up at Newbury (2m6f) last month; tongue-tie is now added and he needs to bounce back again after that last run.							
	Annie Express 8 11-0v	R Llewellyn	Toby McCain-Mitchell (5)	2-1	106	96	127
Has a patchy profile but she made it 2-6 over fences when justifying favouritism here (2m4f, good) last month; up 6lb but that was a personal best last time and her other chase win came over this C&D; key player.							
	Zacony Rebel 11 10-2tb	S Davies	Charlie Price	40-1	94	105	123
Won a five-runner handicap at Huntingdon (2m7f, soft) in December but this veteran has struggled in five subsequent runs; has lots to prove and he's a long way out of the weights.							

SPOTLIGHT VERDICT Preference is for C&D winner **ANNIE EXPRESS (nap)** who made it 2-6 over fences when justifying favouritism over 2m4f here last month. She remains feasibly treated off her revised mark and is open to more progress on this step back up in trip. The main threat could come from the in-form 9yo **Gris Majeur** who was runner-up in a similar race at Chepstow 11 days ago. Another to consider is last year's winner **Almazhar Garde** who could be a handful if he can get back on track.[David Moon]

Second of four on hurdling debut at Leicester (1m7f, soft) in November but she's not gone on from that and was a remote third in a Chepstow maiden last month; now switches to a handicap needing improvement on this step up in trip.							
	Kottayam 6 11-7w	Dave Roberts	Lee Edwards	25-1	90	81	100
Seven-race maiden who was pulled up in two handicaps (2m3f/3m1f) for Dylan Cunha in October; had wind surgery since but she's with another new yard now and needs a major revival after six months off.							
	After Many Days 7 11-7p	H Daly	Sam Twiston-Davies	2-1	90	94	97
0-18 but she's finished runner-up in her last three handicaps and latest was at Hereford (2m4f, good; 15-8 favourite) last month; up another 2lb but she still looks feasibly treated and should be in the thick of things again.							
	Slack Alice 5 11-5v	M Bowen	Shane Fenelon (5)	20-1	88	81	96
14-race maiden on Flat and over jumps; well beaten back over hurdles in her last three starts including in a handicap at Newcastle (2m4f, good to soft) three weeks ago; still unexposed in this sphere but she needs a transformation back on good ground; visor reapplied.							
	Jlow 5 11-2t	R Potter	Brendan Powell	12-1	85	95	96
Longstanding maiden who made it 0-11 over hurdles when a well-held fourth in Ffos Las handicap (2m4f, good to soft; 25-1) ten days ago; others preferred.							
	Klervia 6 11-1p	F O'Brien	Tom Broughton (5)	6-1	84	77	100
Overall record of 0-10 but she was a respectable fourth of 13 in Exeter handicap (2m5f, good; cheekpieces added) two weeks ago; continues to drop down the weights and has each-way claims if she can build on that last run.							
	La Cantate 5 10-12	R Llewellyn	Charlie Price	12-1	81	69	89
Unexposed 5yo but she hasn't progressed over hurdles so far and has been well held in two handicaps (2m4f/2m2f) for her current yard; returns after 276 days off and she needs improvement back up in trip.							
	Imperial Pride 10 10-10tp	D Dennis	Jonathan Burke	11-2	79	-	-
Veteran who has turned things around over fences recently, with a win at Huntingdon (2m7f, good to soft) followed by a second on similar ground at Plumpton (3m1f); now returns to hurdling but she's lightly raced in this sphere and looks interesting off the same mark as last time.							
	Wishful Wings 5 10-6p ¹	Sheila Lewis	Sean Houlihan	12-1	75	67	88
Lightly raced 5yo who hasn't finished closer than 12l to a winner and didn't get very far over fences here (unseated at third) last month; still unexposed in handicaps but cheekpieces need to make a difference back over hurdles.							
	Shes All Pride 6 10-5	Deborah Cole	Lewis Stones (3)	6-1	74	73	99
Improved form upped to 2m6f on handicap debut when third from off the pace at Stratford (good; lost shoe) last month; 3lb out of the weights again but she was only beaten around 2l last time and that was behind a progressive rival; dangerous.							
	Jessie's Giant 5 10-5	T Ellis	Jack Andrews	10-1	74	36	91
Down the field in two bumpers and she's finished tailed off at big prices in three hurdle runs (2m); now goes handicapping but she's out of the weights and needs major improvement on this big step up in trip.							

SPOTLIGHT VERDICT The resurgent veteran **Imperial Pride** has had a win and a second over fences in her last two starts and is a big player if she can continue the good work back over hurdles. **Klervia** has claims if she can build on her promising fourth at Exeter, while **Shes All Pride** enters the reckoning after her creditable effort from out of the weights at Stratford. However, the vote goes to **AFTER MANY DAYS** who has finished runner-up in her last three handicaps and remains feasibly treated on her best form.[David Moon]

Bought for £120,000 after winning an Irish mares' maiden point (3m, yielding) on debut in October; tailed off on bumper debut at Hereford in January but she showed promise with her third at that track (2m, good) last month; has possibilities if she can build on that and she's a half-sister to a bumper winner.							
	Mrs Cravatte 6 11-2	H Oliver	Lee Edwards	50-1	-	-	-
Struggled in her first two points in May 2024 and she fell on her comeback at Siddington (3m, good) last month; opposable on rules debut.							
	Mysti Meadow 5 11-2	Mel Rowley	Charlie Deutsch	5-1	-	-	94
14-1 and raced alone on the inner in the home straight when fifth of 14 on last month's debut over C&D (good to soft); that was an encouraging start from this well-related 5yo and she should benefit from that experience; in the mix.							
	Rose Of Knocknamoe 6 11-2	F O'Brien	Jack Hogan	12-1	-	-	83
Runner-up in an Irish point in December but she was beaten 13l and only three completed; stumbled after getting hampered on recent rules debut at Stratford (2m, good; 9-1), finishing a well-held sixth, and needs major improvement here; stablemate of Milly Ocean.							
	Thatshotmyname 5 11-2	D Horsford	Brendan Powell	33-1	-	-	-
£4,000 yearling, £2,000 3yo; tenth foal; half-sister to winners San Rumoldo (bumper/2m4f hurdle), En Joule (bumper) and Perculator (bumper and 2m5f/3m hurdle); dam unraced sister to high-class bumper and 2m1f-3m chase winner The Tother One; yard has had a debut bumper winner this year and she needs watching in the market.

	Chocolate Cosmos 4 10-8	C Longsdon	Daire McConville (7)	10-1	-	-	103
Well-related filly; ran well for a long way when fifth over C&D (33-1) in January but she failed to build on that when ninth of 14 at Huntingdon last month; enters the reckoning on her initial form but has something to prove after that last run.							
	Donwell Abbey 4 10-8	H Morrison	Jonjo O'Neill Jr	25-1	-	-	83
Has a striking pedigree but she made a low-key start when 12th of 14 at Huntingdon (good; 18-1) last month, running green; needs to leave that form a long way behind.							
	Lightning Luna 4 10-8	Sheila Lewis	Sean Houlihan	20-1	-	-	-
Well-held fourth of six in a British point last month and is probably best watched on her rules debut.							
	Meliden Mountain 4 10-8	N & W Twiston-Davies	Sam Twiston-Davies	7-2	-	-	-
Second foal; dam unraced sister to useful 2m/2m1f hurdle winner Hearts Are Trumps, out of unraced sister to Cheltenham Gold Cup winner Denman; yard 15% in bumpers this season and she's an interesting newcomer.							
	Milly Ocean 4 10-8	F O'Brien	Jonathan Burke	5-2	-	-	103
Attracted support into 14-1 and she showed clear promise when fourth of 14 on Huntingdon debut (2m, good) last month; just about sets the standard on that form and she should be more streetwise this time; key player for yard with record of 2-3 in bumpers here this season.							
	Oakstead Park 4 10-8	Mel Rowley	Toby Wynne	12-1	-	-	-
35,000euros 3yo; twelfth foal; sister to bumper/2m5f hurdle winner Lime Avenue, half-sister to three winners including Rogue Angel (smart 2m-3m5f hurdle/chase including Irish Grand National) and Fire In His Eyes (useful bumper/2m4f hurdle); dam unraced; one of two runners for the yard and interesting to see how she figures in the market.							

SPOTLIGHT VERDICT Preference is for **MILLY OCEAN** who showed clear promise with her debut fourth at Huntingdon last month and represents a yard with a record of 2-3 in bumpers here this season. **Mysti Meadow** and **Britway Belle** could be the pick of the other runners with experience, although there are several newcomers who need a close look including **Meliden Mountain** and **Thatsnotmyname**. 	Potters Party 9 11-12tp	Miss K Morgan	Miss Ellie Callwood (7)	13-8	122	-	117
Fairly useful chase form for Henry de Bromhead as recently as winter 2024-25; unseated on hunter chase debut at Hexham last Monday but that was after two solid efforts in points and he should have a future in this sphere; respected.							
	Prohus Yank 11 11-12	Miss H Brookshaw	Mr Huw Edwards (3)	5-2	123	-	117
Dual point winner but he was well held in that sphere two weeks ago; failed to complete in two previous runs over regulation fences but he held a narrow lead when he unseated at the last over C&D (soft) in February, and that race was won by subsequent Cheltenham and Aintree hero Barton Snow; looks interesting on that form and he's a key player back in a hunter chase.							

SPOTLIGHT VERDICT This looks tricky but it might be worth siding with **PROHUS YANK** who has had only two runs over regulation fences and ties in with subsequent Cheltenham and Aintree hero Barton Snow on a piece of C&D form in February. **Potters Party** looks the main danger, although **Mr Glass** was useful in his prime and could make a serious impact if he can build on his third at Exeter last month.
