	Poweracclaim 4 10-3h	J Murtagh	Yudish Geerdharry (7)	10-1	73	63	75
Has posted some fine runs in defeat in maidens over 6f-7f including here last time; has early speed so could cope with the drop in trip with the hood worn last time retained; considered.							
	Sporting Hero 6 9-13b	W Durkan	Jamie Orr (7)	7-1	69	58	76
Nine AW wins but is a maiden on turf after 18 runs; however, he ran a cracker on soft ground at Bellewstown last time and this drying surface should suit better; a squeak.							
	Arctic Steps 4 9-12p	R O'Sullivan	Reese Holohan (7)	6-1	68	59	74
AW winner over this trip in November and fine efforts in defeat back there last twice, including when just behind Sporting Hero; has won on turf so has a shout.							
	Asdana 4 9-11v	W McCreery	Sam Coen (2)	5-1	67	48	77
Won over this trip at Cork last August and some fine efforts in defeat since including a fourth at Bellewstown last time; back to her winning mark so considered; can be slowly away.							
	Nouvel Espoir 6 9-9	J Barcoe	E E Ryan (7)	16-1	65	65	75
Three wins including over C&D; well beaten in soft ground on Curragh return but this surface will suit better; inexperienced rider.							
	Edmond Halley 4 9-7p	K Cotter	Joseph Harnett (7)	20-1	63	62	75
Best efforts came in 5f-6f maidens at this track last October on yld/sft ground; well below that level in three handicaps including on the AW last time; this track does suit; cheekpieces back on.							
	Verified 5 9-7	G Keane	Emily Grifferty (7)	12-1	63	60	75
Maiden after 19 starts for former yard but several fine efforts in defeat including here; ground-versatile and could run well if ready enough on return.							
	Verhoyen 11 9-6p	M Grassick	Sadhbh Tormey (7)	25-1	62	69	72
Fine servant is a seven-time turf winner though didn't score in 2025; has run well in defeat at this track but has never won over 5f; poor last time; opposed.							
	Irish Ballet 4 9-5t	H De Bromhead	Conor Cusack (7)	20-1	61	-	72
Best run came when third in a C&D maiden as a 2yo; however, she has been well below that since including three AW runs back from an absence; opposed.							
	Kilmoody Susan 4 9-4	M Mulvany	Shay Wallace (7)	25-1	60	65	71
Won a Cork maiden over this trip for her former yard last summer in first-time blinkers; has been well below that level on soft ground since but should do better on this drying surface; blinkers left off; not ruled out.							
	Polar Bear 6 9-3v	Mrs J Harrington	Darragh O'Sullivan (7)	6-1	59	58	72
On a losing run since April 2023; however, put up a sound effort here over 6f here (sft) on return off this mark; handles better ground so if improving from that has a chance.							
	Step Back In Time 8 9-2p	C Timmons	Julian Pietropaolo (4)	12-1	58	68	71
All four of her wins have come at this track between 5f-6f, including last October off a 5lb lower mark; not as good next time and tends to need her first run after an absence.							
	An Laochmor 5 9-0b	D J Murphy	Patrick McGettigan (2)	7-1	56	62	71
Won over this trip on AW at Lingfield and Dundalk the last twice, his only wins; has run well at times on turf including at this course; has to do more but has to be considered.							
	Skillman Ave 4 8-9v	J McConnell	Jessica O'Gorman (7)	28-1	51	85	73
Sole win came over this trip at Tipperary last July off 68 for Gavin Cromwell and a fine second over 6f here next time; however, has been regressive since and has to get back to form.							
	Andosky 3 8-8t	M Mulvany	Wesley Joyce	12-1	60	46	75
Best effort when runner-up in a Sligo nursery last year; soundly beaten over 6f and 7f both starts in soft this term; has to improve for better ground and drop in trip.							

Apache Star 7 8-8hp⁺ E Delany Kyle Faulkner (7) 22-1 50 45 73
Three wins when trained in UK with the last in 2023; well beaten in testing ground last twice but might go better today; cheekpieces instead of blinkers.

Romantic War 4 8-7b J Murray Freya Frain (7) 50-1 49 34 69
Maiden is out of form and 9lb out of the handicap so look elsewhere.

SPOTLIGHT VERDICT Though her recent form figures are uninspiring, **KILMOOD SUSAN** hasn't encountered good ground since winning a Cork maiden last year and is worth taking a chance on at a price. Her stablemate **Andosky** will appreciate the ground too. **Arctic Steps**, **Sporting Hero**, **Asdana**, **Polar Bear** and **An Laochmor** can run well. [Tyrone Molloy]

First foal; dam 5f winner (RPR 83), half-sister to winners Texas Rock (6f/7f Listed) and We Dare To Dream (7f 2yo/7.4f), out of unraced half-sister to useful 5f/6f 2yo winner Rosabee; dam was useful over this trip and a sibling to some useful sorts; by a quality sire; not ignored.							
	Amigos Legacy 2 9-7	D Hogan	Alan Casey (7)	66-1	-	-	36
Decent pedigree but was beaten 13l on debut at Dundalk and has to do much better.							
	Arizona Raider 2 9-7	M Mulvany	Wesley Joyce (3)	25-1	-	30	69
Not beaten far on recent Curragh debut and can run respectably but likely to find some of these too smart also.

Fourth foal; half-brother to 7f-1m2f winner for this yard Snellen (inc 2yo/Group 3; RPR 113); dam 1m2f turf/1m4f AW winner (103), half-sister to 1m 2yo Group 3 winner Night Lagoon (dam of King George winner Novellist); by a first-season sire; worth a market check.

Eur110,000 yearling; first foal; dam US 5.5f/6f turf 2yo winner (inc stakes; RPR 99), half-sister to US stakes-placed 1m/8.5f winner Tempers Flair, out of 5.5f stakes winning half-sister to BC Juvenile winner Boston Harbor; by a promising sire; from a quality US damline; a likely player.							
	Tribeca 2 9-7	R De Aguiar	Donagh O'Connor	7-4	-	-	-
Eur250,000 yearling was later resold for 575,000gns; second foal; dam 1m2f winner (RPR 80), sister to 1m1f Group 3 winner Carla Bianca, half-sister to 7f Listed winner Joailliere, out of unraced half-sister to 1m4f-1m6f Group 3 winner Profound Beauty; by a leading sire and from a fine Moyglare damline; check the market.							
	West Of Eden 2 9-7	A P O'Brien	Ryan Moore	7-4	-	-	-
Second foal; dam 7f 2yo winner (RPR 81), half-sister to 1m4f Listed winner Heliac, out of French 1m5f winning half-sister to winners Meteor Storm (US 1m2f Grade 1) and Polish Summer (UAE 1m4f Group 1); Eur500,000 yearling is by a speed influence with quality stamina in damline; of obvious interest so check the market.							
	Margot Mae 2 9-2	Mrs J Harrington	Shane Foley	10-1	-	-	-
A 115,000gns yearling; eighth foal; half-sister to winners incl' New Endeavour (7f-1m1f inc 2yo/AW/Australian Group 3; RPR 117), and Johnny Boom (8.6f-1m4f inc AW; 80); dam unraced half-sister to 7f 2yo Group 3 winner Luminous Eyes; by a quality sire and related to lots of winners so check market.							

SPOTLIGHT VERDICT A guessing game but **Tribeca** and **WEST OF EDEN** look the two of most interest. Both were expensive yearlings and come from yards that have had 2yo winners so far this term. Marginal preference is for the O'Brien-trained runner, but market moves for any of the others would be significant. [Tyrone Molloy]

	Charles Darwin 3 9-10	A P O'Brien	Ryan Moore	1-2	110	101	113
Brother to Bluebeard (Prix Morny and Middle Park); only fourth of seven when 4-6 for his Curragh debut (5f, good) last April; made handsome amends with wins in a C&D maiden (soft), a four-runner Naas conditions event (5f good) and the Norfolk Stakes, at the main expense of Middle Park winner Wise Approach; top-class sprinting prospect, reportedly in good shape.							
	Chicago Call 3 9-5	J Murtagh	Ben Coen	8-1	100	94	107
Won a 6f Fairyhouse maiden over this trip last July; best form when just denied in a Listed event at the same track in September (6f yielding); below form in the Goffs Million on only 7f attempt; soft ground probably not ideal on seasonal debut at Cork.							
	Frescobaldi 3 9-5	D J Murphy	James Ryan	12-1	96	89	102
Ex-Aidan O'Brien won the 7f Convivial at York on his third outing; confirmed a fair standard of form in 7f Listed races at Doncaster and Dundalk before changing hands for 100,000gns; useful prospect for Danny Murphy; unlikely to match former stablemate Charles Darwin.							
	Starman Tom 3 9-5	K Cotter	W J Lee	25-1	-	74	93
Showed promise in finishing second behind last season's Queen Mary fourth on debut in a 5f maiden at Cork last month; beaten favourite when third in a big-field 6f maiden of a relatively modest standard at the Curragh last Sunday.							
	Focaccia 3 9-0	J Stack	Gavin Ryan	20-1	-	67	76
Debut third at the Curragh four weeks ago suggests she can win races; this looks much too demanding at this stage of her career, but worth a shot with black type available.							
	Kindergarten 3 9-0	Mrs J Harrington	Shane Foley	13-2	-	51	97
Made most of the running when a 7/1 winner on debut over C&D last October; placed horses Ocean's Breath and Anushka have both won at Dundalk; should not be out of place at this level.							
	Silk Braid 3 9-0	G Lyons	Colin Keane	10-1	-	72	92
Beat a Joseph O'Brien-trained odds-on chance in a 6f Curragh maiden last October on her only start at two; hard to know what level she can reach; tough task against Charles Darwin.							

SPOTLIGHT VERDICT This should be relatively straightforward for the Norfolk Stakes winner **CHARLES DARWIN** who pleased Aidan O'Brien in a Curragh workout last month. **Chicago Call**, Listed-placed at two, should be capable of better than he showed at Cork on his seasonal debut and may compete for the place money with **Kindergarten**, a once-raced maiden winner. 	Carmers 4 9-10b	P Twomey	W J Lee	4-1	113	115	118
Won his first three races, notably 1m6f Group 2 Queen's Vase at Royal Ascot, beating the subsequent Geoffrey Freer winner; Furthur; lost his unbeaten record but emerged with credit in taking second in the 1m4f Great Voltigeur at York; hung left and dropped away to finish fifth behind Scandinavia when running on soft for the first time in the St Leger.							
	Scandinavia 4 9-10p	A P O'Brien	Ryan Moore	4-5	117	119	122
Won four of his five races at three, the exception when a close-up fifth behind Carmers in the 1m6f Queen's Vase; improved with cheekpieces, winning a five-runner 1m5f Group 3 at Newmarket by almost 9l and mastering older stablemate Illinois in the Goodwood Cup (2m, good); dug deep to hold off Rahieb on soft ground in the St Leger (Carmers fifth); top-class stayer.							
	Leinster 5 9-8	J P O'Brien	Ronan Whelan	14-1	105	81	115
Stepped outside of handicap company (fourth in Chester Cup and in Ascot Stakes) to win a four-runner St Leger Trial at the Curragh last August, readily brushing aside front-running Dallas Star in the final furlong; faced a very stiff task but ran no sort of race when tailed off in the Irish St Leger.							
	Dallas Star 5 9-5	R De Aguiar	Donagh O'Connor	25-1	98	87	114
Won Leopardstown Group 3 in April 2024 (1m2f, heavy); last win was at Dundalk early last year; no match for Leinster in a St Leger trial at the Curragh last August; twice placed in small-field AW events during the winter; well held in third behind Layfayette at the Curragh early this month; up against it.							
	Emit 4 9-5t	J P O'Brien	J M Sheridan	11-2	111	121	124
Consistent last season apart from a poor run in the Hampton Court Stakes at Royal Ascot. went close in a 1m2f Group 3 at the Curragh in May; Listed winner at Gowran (1m4f, good) in July before runner-up in Group 2 and Group 3 (both over 1m7f on very soft ground) in France; failed to show his best form when fourth behind Layfayette on reappearance at the Curragh.							
	Layfayette 9 9-5p	N Meade	Colin Keane	10-1	102	94	115
Winner of ten races; last of six stakes race wins was in 2023 Royal Whip over 1m2f at the Curragh; however, he proved that he retains considerable ability and enthusiasm when winning a conditions event over this trip at the Curragh on seasonal debut; (Dallas Star third, Emit fourth), that was his first 1m6f attempt, on his 47th outing.							
	Sunchart 9 9-5	A Slattery	Ben Coen	12-1	105	96	115
Useful dual-purpose sort, 3-34 on Flat (and second on ten occasions); his only two stakes race wins from 28 attempts have been in the 1m2f Naas event in which he was third of eight last month; suited by testing conditions, drying ground against him.							

SPOTLIGHT VERDICT One of only two horses of Classic age (Stradivarius being the other) to win the Goodwood Cup since 1990, **SCANDINAVIA** confirmed his high-class staying credentials in the St Leger. In doing so, he reversed Queen's Vase form with the Great Voltigeur winner **Carmers** who should be suited by drying ground. **Emit**, who failed to do himself justice on his seasonal debut, is respected on overall form. Wootton Bassett filly out of a Listed winner by Galileo; stepped up from unplaced debut at Leopardstown to win a 1m maiden at Cork last September; stable's two other runners are more appealing.							
	Camino Vino 3 9-2	G Cromwell	Rory Cleary	14-1	-	-	89
Invincible Spirit filly created a good impression when beating an 86-rated previous winner in a 1m maiden at Dundalk in December on her only juvenile start; interesting, although not guaranteed to stay as far as this on pedigree.							
	Chasing Paradise 3 9-2	J Murtagh	Ben Coen	11-2	-	82	93
Showed promise when 7l second to an experienced Ballydoyle-trained filly over 1m at Leopardstown on sole start at two; stayed this trip well when a winning favourite on soft-to-heavy at the Curragh on reappearance.							
	Emmeleia 3 9-2	D A O'Brien	Gavin Ryan	4-1	92	-	98
Half-sister by Camelot to 2025 Lingfield Derby Trial winner Puppet Master; won a 7f barrier trial at Leopardstown last August, second to the promising Yellowstone Lake in a 7f maiden at Dundalk in September; battled well to beat a stablemate over a bit further than this at Dundalk; needs to improve, drying ground should help.							
	Ice Dancer 3 9-2	A P O'Brien	Ryan Moore	3-1	92	88	95
Had a troubled run on debut; put that behind her when landing the odds in a 1m maiden at Gowran last September; ground was testing then, and same when she was third in a 1m Group 3 race at the Curragh in October; pedigree implies she can improve at this trip; Ryan Moore prefers her to Minerva who is rated 10lb superior (official and RPR figures).							
	Minerva 3 9-2p	A P O'Brien	Wayne Lordan	7-2	102	86	105
Ran seven times at two, opening her account on final start, when odds-on in a 7f maiden at Leopardstown; best effort when second to top-class stablemate Diamond Necklace (unbeaten Prix Marcel Boussac winner) in a 7f Curragh conditions event; possible stamina doubt, and Ryan Moore prefers the lower-rated, less exposed Ice Dancer.							
	Thundering On 3 9-2	J P O'Brien	J M Sheridan	4-1	-	100	106
Frankel filly, whose dam won the 1m2f Pretty Polly for this stable; fine effort on second juvenile start when second in 1m Group 3 at the Curragh, 4 3/4l in front of third-placed Ice Dancer; touched off in a 1m maiden at Leopardstown 13 days ago; trip will suit, stable in terrific form; could feature here despite her maiden status.							

SPOTLIGHT VERDICT In theory, **Minerva** sets the standard with an official rating of 102. Ryan Moore's preference for the less-exposed 92-rated **Ice Dancer** is significant, but she appears held by **THUNDERING ON**, based on a Curragh clash last October. Joseph O'Brien's filly has a run under her belt, an advantage she shares with Dundalk maiden winner **Emmeleia**. [Alan Sweetman]

SPOTLIGHT VERDICT The form of the Curragh maiden in which **LATIN AMERICA (nap)** finished second is persuasive enough to give him the vote over **Genchev** who disappointed in maidens after a promising first run in a Listed race. **HuffN'Puff** has an edge over **Battle Of Maldon** on 1m running here. 	Tailed-off in two bumpers but better runs in two AW maidens (1m-1m4f) either side of a poor run on heavy ground; hood added for handicap debut and can run well.						
	Pepper Noir 5 10-0t	J McConnell	Jessica Maye (7)	14-1	70	56	75
	Three AW wins up to 1m4f and some decent efforts in defeat over the winter season; best turf effort when second in a Leopardstown handicap over this trip last year; a player if repeating that.						
	Raydamann 5 9-13	G Elliott	Reese Holohan (7)	20-1	69	23	73
	Hurdle winner is a maiden on the Flat but has posted some fine runs; however, has been poor in both codes last two starts so needs a return to form.						
	Lohengrin 6 9-12t	E Delany	Ben Coen	14-1	68	49	70
	Won a 7f Laytown maiden last year but stays this trip too; poor at Dundalk last winter and brought down halfway at Bellewstown on return; looks vulnerable off this mark.						
	Master Sydney 5 9-12	P W Flynn	Robert Whearty	14-1	68	10	75
	Bumper winner went closest on the Flat in his four starts over 2m at Tramore last year; this trip looks on the short side on return.						
	Some Good Men Gone 4 9-11t	A Slattery	Sam Coen (5)	12-1	67	47	73
	Best run when second in a Naas handicap over this trip last year; has been poor on softer ground the last twice but can do better today if returning to best form.						
	Tofino 4 9-11	G Cromwell	Gary Carroll	12-1	67	50	72
	Won a Curragh handicap over 1m last year and some decent runs since between 7f and that trip; up in trip on return and has to prove she stays.						
	Gotta Catch'Em All 6 9-10p	H Rogers	Adam Caffrey	16-1	66	63	71
	Maiden after 22 runs but has been placed several times up to 1m4f; not a bad effort at Leopardstown over 1m on return and should be thereabouts.						
	Pebble Island 4 9-10t	J McConnell	Donagh O'Connor	20-1	66	65	74
	Maiden was beaten a long way over 7f last time at Leopardstown and while he doesn't hold that much appeal can do better over this trip.						
	Wolf Prince 10 9-10	A Melia	Gavin Ryan	50-1	66	-	73
	Smart hurdler has run well on the Flat in defeat but is returning off a long absence and can only be watched.						
	Faro Island 4 9-9p	A Oliver	W J Lee	14-1	65	69	73
	Won a 1m3f Down Royal handicap last autumn but was poor on AW after (found to have mucus in his lungs); needs best on return but can't be ruled out.						
	Obscenity 4 9-9v ¹	J P O'Brien	J M Sheridan	5-1	65	56	75
	Has posted some good runs in defeat since tackling handicaps including on return at Bellewstown over nearly 1m4f; needs more and is unproven in this ground but a player if adapting; visor replaces cheekpieces.						

**Sonic Invader** 4 9-9

N Meade

Emily Grifferty (10)

16-1 65 27 65

Not bad runs last two maiden starts of 2025 over 7f and 1m, the latter at this track; has to be ready after a long absence; the market can help.

**Sylkie** 5 9-9p

Daniel John Howard

Rory Cleary

11-1 65 65 72

Won three handicaps at Galway in 2024; no win last year but some solid efforts up to 1m4f; is fit from hurdling over the winter and can run well.

**Rain** 7 9-8

E & P Harty

Jessica O'Gorman (7)

20-1 64 45 69

Won a 1m4f handicap at Galway last year on soft ground but has form on good too; was well beaten on her Curragh return so needs much more.

**El Regalo** 5 9-7

C Murphy

Patrick McGettigan (5)

33-1 63 - 73

Dual-purpose maiden was pulled-up over hurdles when last seen; seems best watched back in this sphere after a layoff; new yard.

**Captain Ciano** 4 9-6

T McCourt

James Ryan

33-1 62 43 72

Maiden has been poor in two runs on softer ground recently and is not easy to fancy on that form.

**Casheldale Lass** 4 9-6

A Kinirons

Robbie Colgan

14-1 62 42 72

Won Gowran and Naas handicaps last year over similar trips to this; not as good last two runs last term and looks vulnerable off this mark.

**Forlio** 7 9-6t

P W Flynn

Colin Keane

12-1 62 50 73

Won well over C&D last October but wasn't as good off higher marks after and needs more on return down 2lb; eyecatching jockey booking, though.

**Roman Bull** 8 9-1

M O'Meara

Wesley Joyce (3)

33-1 57 - 72

Hasn't had much racing in the last two years; is dropping in the weights but still best watched.

**Searcog** 4 8-12t

P Magee

54 **71** **75**

First reserve; won a Punchestown handicap last year over 1m1f; some decent hurdle runs over the winter and a solid Leopardstown return over 1m; considered.

**Frank Pickle** 5 10-4

Mrs D Foster

74 60 74

Second reserve; maiden has posted some fine runs in defeat including on return at Curragh (1m); stays 1m4f so can do better over this trip; one to consider.

**Spanish Rising** 4 10-5

H De Bromhead

75 57 67

Third reserve; not bad maiden runs in UK; poor on heavy ground debut for this yard behind a stablemate; can do better now handicapping.

SPOTLIGHT VERDICT Though she has only run on soft/heavy, it could pay to take a chance that **MAEVE BRENNAN** will handle this ground and build on her encouraging return. **Justenzia** is solid and should run well. **Pedro The Poet** and **Sylkie** can be players too. **Obsenity** has a chance but his best form is on softer ground. 	Trainer	Jockey	SP	OR	TS	RPR
 High Honour 6 10-2	D Kinsella	Killian Leonard	33-1	72	-	68
Had placed form over hurdles in 2025, only Flat win was for Godolphin at two; not an appealing prospect under a big weight.						
 Juniper Sling 4 10-2	G Lyons	Colin Keane	8-1	72	67	73
Half-sister to the talented Thunder Kiss; third in two of her four starts in maidens; ran poorly over 1m2f on heavy ground at Leopardstown on her only handicap start; premature to write off.						
 Trubshaw 4 10-2	H De Bromhead	Gabriella Hill (7)	8-1	72	63	73
Two wins last season, both gained at the main expense of members of this field; edged out God The Highness at Sligo; ended the campaign with a 1m6f Curragh victory over Quiz Test; 9lb higher now, same apprentice claiming 7lb.						
 Daboya 5 10-1	R Donohoe	Sam Coen (5)	10-1	71	60	72
Versatile mare has won on turf/AW and over hurdles; ground should be coming right for her; lacks the advantage of a recent outing.						
 Granville Street 8 10-0	C Murphy	Patrick McGettigan (5)	25-1	70	18	70
Only Flat win came in 2023; fit from hurdling but hard to fancy on recent evidence.						
 Loyal Touch 6 10-0tp	D Hogan	Julian Pietropaolo (7)	25-1	70	69	74
Five wins for the Johnston yard, but has not shown a great deal in seven AW starts for this stable; down the field at Lingfield early this month.						
 God Of Thunder 7 9-13tp	D Hogan	Reese Holohan (7)	20-1	69	21	73
Out of form since a Limerick win last June; towards the rear on both turf starts this term.						
 Kool One 5 9-13t	C D Maxwell	James Ryan	8-1	69	42	72
Won over 1m4f at Roscommon (good) last August and added a Wexford maiden hurdle (good) ten days later; should be better for last month's run when fifth over 1m6f here, 1 3/4l behind the reopposing Earthsong.						
 Radar Ahead 5 9-13	T McCourt	Adam Caffrey	20-1	69	48	73
Hurdles winner on good ground; 0-10 on Flat; ran poorly on seasonal debut at Bellewstown; stable appears to have a better chance with Celtic Druid.						
 Goin' 6 9-12	A Martin	Harry Sexton (7)	10-1	68	36	73
Twice successful in Germany, suited by 1m4f; struggled over hurdles during the winter; not without a chance on last year's best Flat form, namely a third placing over this trip at Down Royal.						
 Earthsong 4 9-11	W McCreery	W J Lee	7-1	67	62	73
Best effort came on handicap debut over 1m6f at this venue on yielding ground last August, staying on from the back for a 2l third of 11; should be better for her seasonal debut here last month; has a slight edge with Kool One.						
 Miss Gitana 5 9-11	J Murray	Donagh O'Connor	14-1	67	54	72
Three Flat wins, twice in Britain and over 2m at Tramore last April for Gordon Elliott; disappointing over hurdles on last two starts in 2025; makes stable debut.						
 Rich Belief 9 9-11tb	K Thornton	Robbie Colgan	12-1	67	66	73
Second at Clonmel last September has been the only bright spot since a 2024 Chester win; some merit in his recent Clonmel run.						
 Acheron 5 9-10	J Hanlon	Gavin Ryan	20-1	66	-	74
Dam is an unraced half-sister to Irish Derby winner Westover; placed in two of his three Flat starts in France at three; ran creditably in a Dundalk handicap on only start last year; towards the back over 1m2f here last month.						
 Bruant 5 9-10	A Martin	Gary Carroll	14-1	66	61	70
Dual-purpose winner has been well beaten last six Flat starts; continues to drop in the handicap; recent Gowran run provides limited encouragement.						

**Kakori** 4 9-10t

J P O'Brien

J M Sheridan

10-1 66 65 **74**

Signed off last season with a promising run behind this year's Irish Lincoln winner Ribee at Gowran (7f, heavy); picked up an injury on seasonal debut; also had an excuse at Bellewstown, hampered under half a mile out; not ruled out.

**Quiz Test** 6 9-9

S Byrne

Ronan Whelan

8-1 65 **70** 73

Sole win came at Cork in 2023; decent form in defeat last autumn, including a close third over 1m4f at Galway and second to Trubshaw in a 19-runner contest at the Curragh, with Plunkett Street, Earthsong and Bruant behind; each-way chance if reappearing in similar shape.

**Plunkett Street** 8 9-7

M O'Meara

Ben Coen

10-1 63 65 73

Won a 1m4f Cork handicap on return last year and some good runs off higher marks after; won over hurdles in November but disqualified after a positive sample; failed to run to market expectations at Gowran on seasonal debut, capable of better.

**Celtic Druid** 5 9-6

T McCourt

Sadhbh Tormey (7)

13-2 62 44 72

Progressive in winning back-to-back 1m4f handicaps at Dundalk; appeared to have plenty left in the tank last time; those two runs, if not his pedigree, suggest the extra two furlongs will be within his range; holds a leading chance here with Sadhbh Tormey's claim in play again.

**God The Highness** 4 9-5

Mrs J Harrington

Shane Foley

10-1 61 49 **74**

Chance here with fitness advanced by a hurdles run at Fairyhouse; went close against Trubshaw in a small-field Sligo event last August; probably a better effort third of 23 over 1m6f here in October.

**Arcland** 10 8-12

G Cromwell

Robert Whearty

54 56 71

First reserve; went very close in a similar race here on his penultimate Flat start last year; went on to win over hurdles before a below-par Bellewstown run; durable sort.

**Edge Of Darkness** 6 8-7tp

Daniel John Howard

Rory Cleary

49 - 73

Second reserve; a four-time turf winner whose recent Dundalk form has been poor.

**Timeless Charm** 5 10-3

R De Aguiar

73 63 73

Third reserve; both wins in Britain came on AW; drying ground should help for Irish debut.

SPOTLIGHT VERDICT With race-fitness on his side and drying conditions a plus factor, **CELTIC DRUID** can maintain the progress evident at Dundalk. **Quiz Test** and **Trubshaw** renew a late-season Curragh rivalry that suggests they can feature. **Earthsong** and **Kool One** are closely matched on last month's clash at this venue and should enter calculations.
