	Final Appeal 2 9-7	K Burke	Pierre-Louis Jamin	4-5	-	-	82
Showed plenty when just edged out by the winner at Nottingham (5f, good; 5-4) 13 days ago on his first outing; this AW debut looks a perfect opportunity to open his account.							
	Noble Raider 2 9-7	K P De Foy	David Egan	4-1	-	-	-
£42,000 yearling; second foal by Persian Force; half-brother to Italian 1m 2yo winner King Of Fire; dam unplaced 6f-1m 2yo (RPR 43), closely related to 7f/7.5f winner Crackin Dream, out of Italian 7f Group 3 winner; his sire was an early sort who won the Brocklesby and yard had their first juvenile winner of the season here this month so must come into consideration on this debut.							
	Blackberry Bold 2 9-2	Dr R Newland & J Insole	Jack Doughty	5-2	-	-	83
Showed plenty of speed only to be run out of it close home when a place behind Final Appeal on her debut at Nottingham (5f, good) 13 days ago; clearly has ability but similar forcing tactics could leave her vulnerable on this AW debut.							
	Magical Life 2 9-2p ¹	J Moore	Kieran O'Neill	100-1	-	-	46
Moderate form in two runs this month; easy to dismiss.							
	Marralyn 2 9-2	O Sangster	Sean D Bowen	12-1	-	-	-
£30,000 yearling; second foal by Minzaal; dam 1m2f winner (RPR 95), half-sister to winners Jureer (French 1m/1m3f) and Cueros (8.5f-1m4f), out of maiden sister to HK/Singaporean 1m-1m2f Group 1 winner Dunboyne Express; stable going well but bred for middle distances and should do better in time.							

SPOTLIGHT VERDICT This looks to be in ideal opportunity for **FINAL APPEAL** to get off the mark after his promising second on his debut where he had **Blackberry Bold** just behind him. The main danger is **Noble Raider**, with the yard having their first juvenile winner of the season here earlier this month. [Andrew Bladen]

	Itsonlyrockandroll 3 9-9	J & T Gosden	Tyler Heard	4-1	59	-	64
Soundly beaten on all three starts but makes handicap debut at a low level for top yard; no surprise if she shows significant improvement.							
	Moon Is Up 3 9-9	Charlie Johnston	Jack Callan (3)	7-1	59	-	64
Yet to be placed from five starts but was only beaten 4l on her return to action at Kempton (1m4f, AW) last month; has been dropped 3lb and should be competitive.							
	Corduroy 3 9-9t	S Hollinshead	David Probert	7-2	59	-	66
0-6 but showed there was a race in him when third in a similar contest over C&D last month; sold for 16,500gns to join new yard subsequently and should be thereabouts.							
	Steel Fixer 3 9-5	B Ellison	Ben Robinson	20-1	55	-	58
Well held in three runs last year; tailed off on handicap debut at Doncaster (1m2f, good to soft) on return to action last month; steps up in trip on AW debut and needs to show significant improvement.							
	Crown Inn To Win 3 9-3h ¹	I Furtado	Kieran O'Neill	7-4	53	-	67
Has shown improvement since stepping up in trip, finishing second on his last two runs despite taking a keen hold, the latest over C&D last month; sports a first-time hood and if that helps him to settle then he holds strong claims.							
	Forever Perfect 3 9-3	R Menzies	Kaiya Fraser	9-2	53	-	64
0-5 but didn't shape badly up in trip when third of seven over C&D 15 days ago; a similar performance should see her in the frame.							

SPOTLIGHT VERDICT All six have yet to win but the one that is knocking on the door is **CROWN INN TO WIN** who has finished runner-up on his last two starts. He is selected ahead of **Corduroy** who was third in a similar race here last time and has since changed yards. It's unusual for the Gosdens to have a runner at this low level and there may be more to come from **Itsonlyrockandroll** on her handicap debut. **Forever Perfect** was third in a similar race last time and may not be far away.  Em Four 4 9-9	J Osborne	Saffie Osborne	3-1	74	80	86
Won twice on the AW this year, the most recent from a 2lb lower mark at Kempton (6f); creditable third on turf at Leicester (6f, good; 3-1 favourite) last week; how he'll cope with dropping back to 5f (0-4) remains to be seen; isn't discounted.						
 Binadham 4 9-9p ¹	K P De Foy	David Egan	5-2	74	70	85
Yet to win on AW (0-7) and hasn't won anywhere since scoring on debut at Yarmouth (5f maiden) in April 2024; thereabouts lately, including when no extra close home over C&D (5-1) 32 days ago; newly applied cheekpieces are worth a go.						
 Diomed Spirit 6 9-9p ¹	S C Williams	Olivia Haines (7)	7-1	74	80	84
Won from a similar mark at Lingfield (5f; 8-1) in November; form levels have dipped since finishing third back there in January, failing to beat a single rival the last twice; is 2-4 over C&D, so it's possible that added cheekpieces can rekindle a spark.						
 Smooth Silesie 5 9-9b	Mrs L Williamson	Pat Cosgrave	25-1	74	70	85
Won at her beloved Yarmouth (5f, good to soft; from 4lb lower) last October; hasn't been at her best since returning to AW recently; this is a fraction easier and she could strip fitter but others are more appealing.						
 Shalaa Asker 8 9-3tp	C Wallis	Rob Hornby	3-1	68	77	87
Rated 53 when winning at Chelmsford (5f) in December but has been the model of consistency since (311522); didn't have the clearest of passages when fast-finishing runner-up over C&D latest; key player despite another slight weights nudge.						
 Midnight Call 5 8-12	A Carroll	Joanna Mason	9-2	63	-	84
Notched her fifth course win since November, justifying favouritism in style (Class 6; C&D) latest; this career-high mark (up 9lb) demands more, but she has to enter calculations with Joanna Mason another positive jockey booking.						
 Phoenix Beach 7 8-6p	S Dixon	Kieran O'Neill	12-1	57	-	84
Four C&D wins (from marks in the 60s); excuses when a closing third over C&D on penultimate start; hung right when three places (over 4l) behind Shalaa Asker subsequently; has won for Kieran O'Neill but needs everything to drop his way.						

SPOTLIGHT VERDICT Tony Carroll's likeable mare **Midnight Call** merits respect, even though she's raised in grade and 9lb higher than when winning stylishly over C&D a fortnight ago. However, preference is for the ultra-consistent **SHALAA ASKER**, who didn't have the cards fall his way when a close second here last time. [Mark Rowntree]

Has seven wins on AW and is now 6lb lower than for the last of those last September; doesn't look ready to take advantage though.						
	Wave Rock 4 9-9	J Butler	Donagh Murphy (7)	7-1	59	- 72
Got off the mark when winning at this venue (9.5f) in February off 3lb lower for today's jockey Donagh Murphy; pulled too hard to give her any chance at Newcastle (1m2f) last month and she will need to settle to get this extra distance.						
	Three Yorkshiremen 6 9-9	F J Brennan	Sean D Bowen	7-1	59	64 71
Scored over C&D last November but 10lb rise has seen him falter in five subsequent runs; mark is gradually coming down but doesn't look ready to strike.						
	Rubellite 6 9-8	S Hanlon	Conor Whiteley (7)	3-1	58	62 74
6-38, the bulk of them for Stella Barclay; with Richard Fahey for some of 2025, winning over 1m4f here (3lb lower) last September; runner-up to progressive rival at Southwell (1m6f) latest on debut for this trainer; a possible.						
	Beaune 4 9-6p	B Llewellyn	David Probert	5-2	56	- 72
Got off the mark when a shock winner at Lingfield (1m4f; 40-1) in February but showed that was no fluke when runner-up twice since and went in again over C&D 11 days ago; up 5lb but still on the upgrade.						
	Phyllis Burton 4 9-3h	J Tate	P J McDonald	10-1	53	- 68
Hasn't gone on since making an encouraging debut when fourth at Lingfield (1m, AW) last April; steps up in trip and hood worn last time is persevered with.						
	Knight Of Magic 7 9-2ht	J Owen	William Carson	8-1	52	- 71
Has three wins on AW, including two here (one over C&D); tends to race freely and needs to settle better to fulfil his potential; second over hurdles two weeks ago.						
	Late Claim 5 8-12tp	J Mackie	Finlay Bassett (7)	25-1	48	- 71
Made successful handicap debut at Lingfield (1m5f, Polytrack) in December and finished runner-up three times since, including over C&D; wheels have come off lately, however, and cheekpieces worn last time are retained.						

SPOTLIGHT VERDICT The in-form **BEAUNE (nap)** is hard to get away from and he can cope with the 5lb rise for winning over C&D last time. The one to chase him home could be **Rubellite** who has six wins to her name and ran well when second for her new trainer last time. **Wave Rock** would hold claims over this new distance if she settles, while another to consider is **Knight Of Magic**. 	Tabby 4 10-2	J Tate	P J McDonald	11-4	70	-	72
Ability in five juvenile starts for Denis Quinn, going closest when beaten a neck at Southwell (6f fillies' maiden; 50-1) in October 2024; returns to action for a new trainer off a 478-day absence; best watched unless the market speaks favourably.							
	Havana Joy 4 9-11	C Hills	Saffie Osborne	16-1	65	-	72
In the frame in her first five starts (high 60's RPR's), including when twice finding one stronger here (6f-7f); has failed to beat a single rival the last twice (either side of wind surgery) so she has a bit to prove at present; easing mark.							
	Daytona Lady 6 9-8p	Mrs R Carr	Joanna Mason	7-2	62	74	73
Now rated 8lb lower than when running on well to down Jax Edge over C&D (15-2) in September 2024; fair third on return from a near six-month break at Southwell (25-1) recently; 1lb lower and could be worth considering.							
	Crystal Dagger 4 9-8	J Ramsden	Finley Marsh	12-1	62	58	73
With Ed Walker when beaten a head at Lingfield (7f; 28-1) on New Year's Eve; changed hands in February for 5,000gns and she's yet to shine (0-2) for this trainer; competes from an easing mark, back in trip seeking to make it 11th-time lucky.							
	Filly Foden 3 9-2	B Millman	Jack Gilligan	6-1	67	71	74
Pacy filly; registered back-to-back wins at Southwell and Lingfield (both 5f) earlier this year; disappointing from higher marks since - held up the last twice; the handicapper is cutting her some slack now and she'd be a threat if able to blaze the trail from her wide draw.							
	Star Marian 3 9-0	D Loughnane	David Egan	6-4	65	-	77
Returned from a 231-day break, making all to beat an odds-on favourite in a five-runner 5f fillies' maiden here three weeks ago; now rated 6lb higher on her first attempt over 6f (dam won over this trip); probable player in a race lacking strength in depth.							

SPOTLIGHT VERDICT With the pacy **Filly Foden** and recent 5f fillies maiden winner **Star Marian** likely to take each other on for the lead, this could go the way of a late finisher and Ruth Carr's **DAYTONA LADY** fits the bill. She's nicely weighted and posted a fair recent comeback run at Southwell. [Mark Rowntree]

Came good at the 26th attempt over C&D in February when making all; has ran well twice since over C&D when in the money and a danger to all if he can grab an early lead in returning cheekpieces.							
	Bungle Bay 7 9-4	H J Evans	Joe Leavy	7-1	50	-	63
All eight wins have been at this track (five over C&D) but has been below his best this year and doesn't look ready to strike.							
	Diligent Henry 5 9-4p	J Macey	Jack Doughty	11-1	50	-	64

	Star Of Atlantis 5 9-2p	A Wintle	Finley Marsh	8-1	48	-	65
Dual winner but ran poorly in a couple of classifieds this year before staying on well in a similar race here (8.5f) last month; on a decent mark but may do better back over 1m.							
	Port Hedland 5 9-0h	A Carroll	William Carson	8-1	46	-	65
Hard to win with and made it 0-13 on the AW when held at Southwell ten days ago; steps up in trip but essentially regressive and is some way down the pecking order.							
	Alyara 8 9-0p	J Ponting	Kieran O'Neill	14-1	46	-	64
Just 1-34 on AW and although she fared better when fourth here (6f) last time, she is not a good betting proposition; steps back up to 7f.							

SPOTLIGHT VERDICT This race may revolve around whether **FASTER BEE** can grab the lead, and if he does he could be difficult to peg back. **Sandonit** has disappointed since winning at Chelmsford two months ago but the handicapper has given him a chance and he is not out of this. Nor is **Diligent Henry** whose two wins have been over C&D and is down to his last winning mark. [Andrew Bladen]

	Bad Habits 4 9-7b Poor strike-rate (1-27) but has twice been edged out in tight finishes recently, latterly when failing to reel in Gladiadora at Southwell (7f; 9-1); pestered for the lead, reportedly running "too free", when disappointing over C&D 11 days ago; possible.	Mrs R Carr Joanna Mason	100-30	53	-	66
	Gundogan 5 9-6 Poor strike-rate (1-30); beaten a neck over 6f at Southwell (Class 6) in February but less productive in three subsequent appearances (6f-7f), although with mitigating circumstances (saddle slipped) latest.	A Carroll Kieren Fox	11-2	52	58	65
	So Chic 6 9-5 Two of her four wins have come over this C&D, partnered by Jack Doughty when running down Coconut Bay in a Class 6 classified (10-1) last March; lacked the pace to figure when sixth (Gundogan fifth; 13-8 favourite) over this trip at Lingfield latest.	S Cassidy Jack Doughty	13-2	51	61	64
	Top Star 4 9-4h Yet to win (0-10); runner-up in two of his last three starts, keeping-on to chase home the revitalised Flicka's Girl over 6f here (Class 6 classified; 14-1) four weeks ago; tackles 7f for the first time, a risk even though his dam was a Listed-placed 7f AW winner.	D Ivory David Egan	4-1	50	-	67
	Big Gypsy King 4 9-3b ¹ With Paul and Oliver Cole when a comfortable winner at Chelmsford (7f, Class 6; 5-2 favourite) last May; poor showings in five starts - 6f Flat to 2m1f hurdle - for this trainer; no reason to envisage a change of headgear working the oracle.	J Moffatt Kieran O'Neill	50-1	49	-	63
	Ashford Hill 5 9-2 2-21; said to have "benefited for the break" when returning to spring a 16-1 surprise at Lingfield (7f, Class 6) in January; wasn't far off those same levels when fourth (beaten 3l) back there next time but latest Kempton effort was only a modest one.	D Ffrench Davis David Probert	8-1	48	-	66
	The Cutest 5 9-0h 12-race maiden; never dangerous sixth over 6f here (beaten over 5l; 80-1) a fortnight ago; regular hood retained tackling a seventh furlong - dam won over 7f-1m - for the first time; competes from 1lb out of the handicap.	D Shaw Faye McManoman	50-1	46	-	62
	Street Dancer 4 9-0h Cost 32,000gns as a 3yo but has been beaten 26l, 19.5l, and 21l respectively in three 7f AW novices/maidens; is very lowly rated for handicap debut, competing from 15lb out of the handicap; makes no appeal.	O Sangster Sean D Bowen	5-1	46	-	60

SPOTLIGHT VERDICT A low-grade contest. **Top Star** is probably least exposed but whether he'll benefit from stepping up in trip is questionable, while a case can be made for **Ravenglass**, more so if market support arrives. However, Ruth Carr's **BAD HABITS** had been knocking at the door until a blip (raced keenly) here last time, so it might pay to give him another chance. [Mark Rowntree]

	Distinction 8 9-9v	J Mackie	P J McDonald	7-2	63	70	79	
Won from higher marks at Beverley (1m2f, soft) and Kempton (1m3f) last summer; took a step back in the right direction at Pontefract (fifth) a fortnight ago, and this looks a suitable next objective from 2lb lower; P J McDonald is back aboard.								
	Karakula 4 9-8	J Ferguson	Jonny Peate	8-1	62	-	75	
Kept on well when making the breakthrough over C&D (from 1lb lower) last September; less effective since, losing a shoe when only fourth of five at Kempton (1m3f); it's possible that she'll return fresher off a 167-day absence.								
	Nuptown Girl 4 9-8	I Williams	David Probert	13-2	62	-	74	
Still a maiden (0-12) but she's been consistent (form figures 26253) since joining Ian Williams; drops back in trip having failed to see out 1m4f at Southwell (third of six, beaten 5l) 24 days ago.								
	Kaaranah 8 9-7p	J Butler	David Egan	2-1	61	60	76	
Caught the eye on penultimate start; justified market support over C&D subsequently (in newly applied cheekpieces), that his first win since September 2023; a 4lb rise looks fair, so he's entitled to be on the premises assuming the headgear continues to have the desired effect.								
	Eagles Whistle 6 9-7p	J Ramsden	Finley Marsh	5-2	61	-	76	
Rattled up a hat-trick for Daragh Bourke (7f-9.5f) earlier in the year; similar level of form since joining this trainer, runner-up over 8.5f here on penultimate start, and perhaps found 1m4f too far at Catterick (6-4 favourite) a fortnight ago; chance.								
	Moonlit Cloud 8 9-2p	D Ivory	Kieran O'Neill	16-1	56	-	75	
No win since May 2024 (1m2f, Bath) but she has fallen a long way in the weights as a result; bogged down on heavy ground at Nottingham last October; it's difficult to know what to expect returned to AW (0-11) off a six-month absence.								

SPOTLIGHT VERDICT Dropping back to 9.4f should aid **Eagles Whistle**, while there were signs that **Distinction** (second choice) might be on the way back at Pontefract. However, the most obvious one is last-time winner **KAARANAH**, who responded positively to the introduction of cheekpieces over C&D a fortnight ago. [Mark Rowntree]
