	Diamond Kal 6 11-12ht	C A Murphy	Ross Berry (7)	33-1	-	18	96
Fair debut run in a 2m4f bumper at this venue at Christmas; hooded then, tongue-tie added for introduction to hurdling over 2m at Fairyhouse; stayed on to some effect to finish a remote fifth; reportedly not straightforward, with awkward head carriage.							
	Euro Agent 5 11-12	E Griffin	Ricky Doyle	50-1	-	-	-
Has run in two bumpers; stumbled and unseated rider after three furlongs at Fairyhouse; towards the rear in a race won by Cheltenham contender The Mourne Rambler here at Christmas.							
	Generous Risk 6 11-12	G Elliott	Sam Ewing	5-4	-	-	-
Won three-finisher maiden point-to-point for Donnchadh Doyle last March before selling for £250,000; placed in three bumpers, including second to a smart unbeaten stablemate at Fairyhouse, left with plenty to do here at Christmas when third in a steadily-run 2m4f event; kept good company in a Grade 2 event here at the DRF; can win races over jumps.							
	Haveanothertry 5 11-12	G Elliott	Kevin Sexton	8-1	-	68	109
Promising fourth in a Limerick bumper on debut; beaten 27l in third in a 2m3f Punchestown maiden hurdle, but that was behind two smart sorts; appeared not to stay 2m7f at Thurles 12 days ago; one of the more appealing runners here along with stablemate Generous Risk.							
	Hi Ho Idaho 5 11-12	C M Collins	Jordan Gainford	25-1	-	-	-
Placed in two points during the autumn campaign; likely to need hurdling experience.							
	Jet To Monte Carlo 5 11-12	E Mullins	Donagh Meyler	9-2	-	91	109
Point winner almost a year ago; stepped up from a low-key bumper run and an initial maiden hurdle run over C&D (Le Moulin Rouge second) when chasing home a Willie Mullins-trained odds-on chance in a 2m Thurles contest; strong contender now.							
	Koeur A Prendre 6 11-12	M Molloy	Daniel King	50-1	-	10	91
Mid-field first time out at Fairyhouse; finished 5 1/2l off fifth-placed Diamond Kal.							
	Le Moulin Rouge 5 11-12h	P Nolan	Sean Flanagan	2-1	-	117	127
Fell two out in a point when in contention; solid run when a staying-on 5l third behind stablemate Sageborough at Wexford in October; shaped well when second to a Gordon Elliott-trained favourite here at Christmas (Jet To Monte Carlo behind); winner has been a beaten favourite twice since raised in class, but has shown decent form.							
	Secret Order 5 11-12	Denis Paul Murphy	Richard Deegan	100-1	-	-	-
Not a likely sort here judged on his form in four starts in point-to-points.							
	Strange Currency 6 11-12	G O'Loughlin	Gavin Brouder	10-1	-	70	117
Showed little in three point-to-point starts; has shaped better over hurdles; more likely a handicap prospect.							
	Courageous Cleo 6 11-5	G Elliott	Paddy Cleary (7)	50-1	-	41	92
Held by Strange Currency on Punchestown running; trainer has two with stronger credentials.							

SPOTLIGHT VERDICT Despite having no hurdling experience, **GENEROUS RISK** is probably the one to beat based on his bumper form in good company. **Le Moulin Rouge**, second to a stablemate of the selection here at Christmas, rates an obvious danger. **Jet To Monte Carlo** and **Haveanothertry** have also shown potential. 	Alliteration 5 11-7 Debut bumper winner at Galway has run well in two Fairyhouse maiden hurdles since (2m-2m2f); this step up in trip could suit and is likely to be closely involved.	J P Dempsey	Keith Donoghue	4-1	-	73	111
	Courtmac Gesture 5 11-7 Showed some ability in bumpers without winning; fell on hurdling debut and beaten 46l at Punchestown next time; others preferred.	C Motherway	Michael Kenneally (5)	28-1	-	65	83
	Fly Away Home 6 11-7 Decent efforts in Punchestown and Limerick maiden hurdles either side of a poor bumper run; has to improve a fair bit to score but the step-up in trip could suit.	C Byrnes	Philip Byrnes	9-1	-	-	105
	Miss Georgina 6 11-7 Similar efforts in defeat in three maiden hurdles; was only 2.25l behind Alliteration at Fairyhouse last time and shouldn't be far behind that rival again.	A Lee	John Shinnick	9-1	102	92	106
	Orinoco Walk 8 11-7 Well beaten in three bumpers and will have to find plenty of improvement for hurdling debut.	R Dunne	Mr J C Barry	66-1	-	-	-
	The Jam Lady 6 11-7 Made some late headway on debut in a Fairyhouse maiden hurdle; can do better with that experience but likely to find several too strong.	M Molloy	Daniel King	14-1	-	57	99
	Torpille Dagrostis 6 11-7p Point runner-up has been placed in three of four bumper starts; has since been runner-up in maiden hurdles at Punchestown over 2m3f and 2m7f; sets the standard on that form and will be difficult to beat.	G Elliott	Josh Williamson (5)	4-7	-	118	127
	Walking Saint 5 11-7h Made a promising debut in a Navan maiden hurdle but hasn't built on that in a Limerick bumper and Fairyhouse maiden hurdle since; has to resume progress; hood added.	P Nolan	Sean O'Keeffe	14-1	-	37	98

SPOTLIGHT VERDICT Setting a clear form standard, **TORPILLE DAGROSTIS** should be able to go one better than on both her Punchestown maiden hurdle runs. **Alliteration** and **The Jam Lady** could be the ones to follow her home. [Tyrone Molloy]

 Whimsy 7 12-1p	A McCann	Eoghan Finegan (7)	9-2	123	120	124
Three-time Flat winner; just one win from 18 starts hurdling, along with eight seconds; ran well to finish third (behind the useful Cousin Kate) with newly added cheekpieces in a Listed handicap over C&D at the DRF; has a narrow edge over Maxios Prime; frustrating but capable of going close.						
 Crescent Moon 6 11-9t	G Cromwell	Keith Donoghue	12-1	117	-	123
Sole win came in 2m4f Fairyhouse novice handicap hurdle last season; 11lb higher now, and looks vulnerable on this season's chase form.						
 Shoda 5 11-7t	J P O'Brien	J J Slevin	9-2	115	93	126
Dual Flat winner; beaten 10l in third behind the smart Ballyfad here at the Christmas meeting after a 106-day break; beaten favourite at Clonmel in January; same when ridden by Sean Bowen here at the DRF on handicap debut; needs to reverse form with Whimsy, Maxios Prime, Onewortheditch and Tequila Talkin'.						
 Lumiere Du Large 5 11-5ht	W Mullins	Danny Mullins	7-1	113	78	108
Won on the Flat in France; ran in top company as a juvenile hurdler last season; questions to answer following her failure to feature at Punchestown in her first handicap; likely to be capable of better, unwise to rule out.						
 Forceonmyown 7 11-2	G Elliott	Michael Kenneally (5)	6-1	110	86	121
Point-to-point winner landed six-runner bumper at Punchestown early last year (soft); encouraging run at the same venue last time on her third hurdles start; good claimer up for handicap debut.						
 Missus Beeton 8 11-2p	J P Dempsey	Donagh Meyler	8-1	110	80	124
In good form last year for Shane Nolan, winning off 98 at Limerick and running well in defeat off revised mark subsequently; seemed well suited by good ground at that stage, but proved she handles soft when a stylish winner at Down Royal six weeks ago in first-time cheekpieces; reversed previous Cork form with Catchabird.						
 Maxios Prime 5 10-11	P Rothwell	Tiernan Power Roche (3)	13-2	105	106	121
Solid form in handicaps; probably needed Limerick run at Christmas after a break; now enters calculations on her good DRF run, closely matched with Whimsy and Onewortheditch.						
 Onewortheditch 8 10-10	E Gallagher	Darragh O'Keeffe	8-1	104	117	128
Running consistently well over fences and over hurdles this season; three seconds from four starts before a Limerick win; held her own when given a shot at a big prize here at the DRF; not far off Whimsy and Maxios Prime, and in front of Tequila Talkin' and Shoda.						
 Tequila Talkin' 7 10-10h	P Nolan	Conor Stone-Walsh	12-1	104	117	125
Winner of a Wexford maiden when hooded for the first time; backward steps since then in handicaps; finished in mid-field in a competitive DRF handicap a month ago; three of these rivals were in front of her then.						
 Sarandon 6 10-6t	C A Murphy	Ross Berry (7)	25-1	100	120	125
Showed some promise in maidens; hard to make a case for her after three handicap runs; reportedly failed to handle heavy ground at Fairyhouse four weeks ago.						
 Small Bucks 5 10-5h	P Collins	Mr T C Kileff (7)	33-1	99	118	124
Cork win last July was achieved on good ground; well beaten twice from her revised mark; first run after a six-month break.						
 Catchabird 8 10-3	S J Connell	Aidan Kelly (3)	9-1	97	96	124
Placed in her last three starts over a range of distances; capable of picking up a race and has fair prospects of reversing Down Royal form with Missus Beeton on revised terms.						
 Circus Act 7 10-1	J Nash	Gavin Brouder	20-1	95	112	128
Probably more effective on better ground and lacks a recent outing; others preferred.						

SPOTLIGHT VERDICT A tendency to find one too good is a concern for potential supporters of **WHIMSY** but she makes plenty of appeal with 7lb claimed again in this rematch of a DRF event with **Maxios Prime**, **Onewortheditch** and beaten favourite **Shoda**. **Forceonmyown** could feature in her first handicap, and the consistent **Catchabird** deserves respect. 	Lonesome Boatman 10 11-12p	S J Allen	Mr D Allen (7)	6-1	119	-	130
Won the 3m4f Cork National in November and a good third over 3m6f at Fairyhouse since; below form in a Naas Grade 3 novice last time; just three hurdle runs, the last was in November 2021 but handles this ground so not ruled out.							
	Daydream Nation 6 11-11	W Harvey	Ben Harvey	10-1	118	102	124
Point winner won a Gowran maiden hurdle last October and was then a fine third in a Newbury novice; well below his best at Thurles since but can go well on handicap debut if handling this ground.							
	Flemensface 9 11-3b ¹	E Griffin	Ricky Doyle	9-1	110	-	126
Lightly-raced for his age; bumper winner has run well at times in defeat over hurdles; poor in two chase starts in November but can do better back in this sphere with blinkers added.							
	Pebble Bleu 7 11-3	C Motherway	Calum Hogan (5)	4-1	110	95	122
Hit form over hurdles this season, winning three times since November, going up 20lb in the weights; was poor in a Grade 3 last time and has to rebound even dropping in grade.							
	Pookie Holler 6 11-3	H De Bromhead	Darragh O'Keeffe	3-1	110	111	121
Showed some ability in maiden hurdles without winning; made a solid handicap debut when second to Pebble Bleu at Thurles last time over 2m6f; up 4lb but could have more to offer and a player.							
	Midnight Our Fred 9 11-2t	J Flavin	Danny Mullins	11-1	109	50	123
Is rated 127 over fences but is coming off two poor efforts in that sphere; previously ran a decent race over hudies at Cork on comeback; however, is better on a sounder surface so others make more appeal.							
	The Shanty Field 6 10-13	D Queally	Michael Kenneally (5)	10-1	106	81	120
Well beaten at big prices in three maiden hurdles but the handicapper hasn't taken any chances with his mark; has to do much better even dropping to handicaps but worth a market check.							
	Kingkong Ciergues 6 10-10p	P Rothwell	Tiernan Power Roche (3)	7-1	103	82	122
Got off the mark over hurdles when winning at Fairyhouse in November but was pulled-up at Gowran since; down 1lb and has to bounce back.							
	He's Home Again 8 10-8	E Cawley	Philip Byrnes	16-1	101	85	123
Won over this trip at Cork in 2024 and only five runs since, three of them chases; soundly beaten back hurdling at Cork the last twice and has to rebound.							
	Plain Or Battered 9 10-0b	P Rothwell	Shane O'Callaghan (5)	14-1	93	-	121
Record of 1-16 over hurdles; inconsistent over fences lately; 3lb out of the handicap back hurdling but would have a squeak if getting back to his best.							

SPOTLIGHT VERDICT Having made a solid start to handicaps when second to **Pebble Bleu** at Thurles last time, **POOKIE HOLLER (nap)** can go one better. The former has since run poorly in a Grade 3 and has to rebound. **Lonesome Boatman** hasn't run over hurdles since 2021 but is capable of running well. [Tyrone Molloy]

	Kamikaz Du Plessis 6 11-12t	G Elliott	Sam Ewing	8-1	-	91	109
Dual hurdle winner is rated 130 in that sphere but was soundly beaten in two novice chases last October; needs to do a lot better but doesn't have form in this sort of ground.							
	Net Boy 7 11-12t	B Connell	Sean Flanagan	8-1	-	-	-
Beat Kamikaz Du Plessis in a Ballinrobe maiden hurdle last summer and a decent handicap run at the same track after; will have to be ready on chase debut after an absence; handles this ground.							
	Raffles Dolce Vita 5 11-12	T Gibney	J J Slevin	8-1	125	107	117
Winning hurdler in France has been soundly beaten in three chase starts for this trainer, albeit facing stiff tasks; has to find plenty of improvement.							
	Stuntman Steve 7 11-12	G Cromwell	Conor Stone-Walsh	14-1	-	-	70
Is a 120-rated dual hurdle winner but has been beaten a long way in two chase starts and has to improve hugely on those runs.							
	Karoline Banbou 6 11-5	W Mullins	Mark Walsh	4-6	130	99	139
Smart hurdler is rated 130 in that sphere and has won in heavy ground; solid efforts on both chase runs, though was beaten by a longer-priced stablemate last time; comes out a clear best at these weights, though, and has a good opportunity to go one better.							

SPOTLIGHT VERDICT It will be difficult for these geldings to give **KAROLINE BANBOU** 7lb so it looks like a good opportunity for her to get off the mark over fences. **Come Walk With Me** might give her most to do. [Tyrone Molloy]

	Find A Fortune 9 11-12	G Elliott	Sam Ewing	12-1	-	-	-
Consistent in maiden hurdles before winning a 2m4f rated event at Fairyhouse early last year (soft); disappointed on handicap debut at Gowran; made no impact over 3m at Fairyhouse on his belated seasonal debut; latecomer to chasing now at the age of nine; can run well fresh.							
	Goody Four Shoes 8 11-12	T Gibney	Harry Sexton (7)	12-1	-	36	111
Pick of hurdle form when fourth in 2m6f Navan maiden last March (heavy); from a staying jumping family; prominent for a long way when fourth on chase debut at Thurles in January; likely to need more experience.							
	Great Universe 10 11-12t	M Brassil	Ricky Doyle	25-1	-	-	-
Won a Clonmel bumper in 2023, and took a 3m2f Sligo maiden hurdle last season; back from nearly a year's absence when fell at the last (having never featured) on chase debut at Galway in October; tailed off when refused at the last at Navan.							
	Haveigotnewsforyou 7 11-12	C A Murphy	Simon Torrens	6-1	-	58	74
Won a 2m3f maiden hurdle on good to yielding at Kilbeggan in May 2024, accounting for the subsequent three-time Grade 3 winner Gaucher; ignored in the market (80-1) when making his comeback in a beginners' chase at Gowran in January; ran accordingly; needs to show he retains ability.							
	Joyau De Thaix 7 11-12	P Nolan	Eoin Staples (5)	13-2	-	63	82
Lightly raced; 2-7 over hurdles, both wins at Limerick, appreciating a return to hurdles in December when scoring decisively off 112 (3m, soft to heavy); fair fourth at Gowran in January; two chase attempts raise a concern, jumped badly at Fairyhouse, fell at Cork.							
	Killaney King 8 11-12h	H De Bromhead	Darragh O'Keeffe	4-1	-	-	126
Point winner in 2022; still a maiden under rules; runner-up in final three starts last season (including over fences at Kilbeggan); fair seasonal debut over a trip short of his best at Navan in November (2m, soft to heavy); did well to take third over 2m4f at the same venue after running keenly; down the field on latest.							
	Must Go Now 9 11-12	E Cawley	E Walsh	25-1	-	-	-
Ran a fine race when fifth in a 25-runner handicap at last season's Punchestown festival; well below best in three outings this term; no chasing experience.							
	Strutter 7 11-12h	W Mullins	Danny Mullins	11-4	-	-	-
Winner of his last two handicap hurdle races seven months apart, at Uttoxeter for Nicky Henderson in May 2024 and on first run for Willie Mullins at Limerick in December that year; has a lengthy absence to overcome on chase debut.							
	Dameauscottlestown 6 11-5t	G Cromwell	Keith Donoghue	9-4	-	-	-
Ordinary form in maiden hurdles; came good at Punchestown on New Year's Eve in her first handicap; continued on the upgrade with second to Cousin Kate in a valuable mares' handicap hurdle here at the DRF; looked unlucky, ran on strongly after meeting crucial interference; big chance if adapting to chasing.							

SPOTLIGHT VERDICT The 7lb mares' allowance could prove crucial for **DAMEAUSCOTTLESTOWN** who has lately got her act together over hurdles. **Strutter** has been ready to run for a while (missed engagements because of cancellations) and could make a big impact on chase debut. **Killaney King** and **Joyau De Thaix** also look capable of getting into the mix.  West Of Carrig 9 11-12	D Browne	Mr A J Browne (2)	6-1	110	98	118
Record of 5-13 in points; opened account on the track at the 18th attempt, improving on hunter chase form to land a 2m5f handicap at Fairyhouse; maintained consistency with a promoted third at Thurles last time; not guaranteed to confirm Fairyhouse form with the less exposed Hello Jack.						
 Secrecies Of Stone 8 11-9b	P Nolan	Mr J W Hendrick	11-2	107	-	117
Won this race last year with plenty to spare under this rider; three failures to complete since then make him a risky proposition; however, not badly handicapped if he can put in an error-free round.						
 That's About Right 8 11-9t	P Rothwell	Miss P Elvin	12-1	107	97	114

Navan bumper winner in March 2024; has seemingly lost his way since a promising third in a Leopardstown maiden hurdle last March; weak form so far over fences; a bad mistake at the third-last put paid to his chance at Punchestown last time; still early days; perhaps unwise to rule out.						
 Baldur's Gate 11 11-4	Miss D O'Shea	Mr E T Mellerick (4)	16-1	102	80	115
Winner of a Punchestown handicap chase in 2023 (3m, soft) off 98 and consistent two seasons ago; hard to fancy on the form he showed in 2025.

SPOTLIGHT VERDICT Following a hurdles run in January, **JAY PEE M** should be ready to build on the useful form he showed in the first half of 2025. **Secrecies Of Stone**, who has failed to complete the course in three outings since winning this race last year, is a risky proposition but worth considering. **West Of Carrig** is dependable but perhaps not certain to uphold Fairyhouse form with the less exposed **Hello Jack**. 	Room For One More 5 11-11	W Mullins	Mr P W Mullins	7-4	-	-	-
Sister to two winners inc Typhoon Flyer (2m/2m3f hurdle), half-sister to top-class bumper and 2m1f-3m jumps winner Tornado Flyer; dam maiden half-sister to Hurricane Fly; Eur35,000 foal is by a top sire and hails from a classy damline; looks the Mullins' stable selected so greatly respected on debut.							
	Ruby Grace 5 11-11	W Mullins	Miss J Townend	3-1	-	-	-
Second foal; dam 2m3f hurdle winner, sister to Champion Hurdle winner Rock On Ruby and useful bumper/2m-2m6f hurdle winner Alpine Glade; well-bred mare looks the second-string for Mullins but there often isn't a lot between stablemates from this yard so respected on debut.							
	Shadonagh 5 11-11	C Murphy	Mr Alan O'Sullivan (7)	22-1	-	-	-
Second foal; dam bumper and 2m-2m4f hurdle/chase winner, closely related to winners incl Flanking Maneuver (useful bumper and 2m4f hurdle/2m5f chase) and Jack Hackett (bumper/2m4f-2m5f chase); by a useful young sire and a decent damline; worth a market check on debut.							
	Whiskey Fever 5 11-11	R Rath	Mr S Cotter (7)	66-1	-	-	-
Soundly beaten on her two completed point starts and not easy to fancy on rules debut.							
	Shirzan 4 11-1	P G Fahey	Mr L P Shanahan (7)	18-1	-	-	-
Beaten 16l in an academy hurdle on debut; that experience will be useful but will have to improve a fair bit reverting to a bumper.							

SPOTLIGHT VERDICT **Araminta** is the one to beat on form and **Poetic Twist** isn't far behind her but both look vulnerable too. A chance is taken on the well-bred **ROOM FOR ONE MORE** making a winning debut, with her stablemate **Ruby Grace** also likely to run well. **Ealu** is worth a market check for a shrewd outfit.
