	Claret And Blues 2 9-7 22,000gns yearling; 11th foal; Sergei Prokofiev brother to 5f 2yo winner Barrak (RPR 80), closely related to 6f winner Wichahpi (including 2yo; 78), half-brother to six winners including Twilight Madness (prolific 5f/6f; 92); bred to be quick and could have a big part to play on debut.	R & P Fahey Oisin Orr	3-1	-	-	-
	Sea Mirage 2 9-7 25,000euros foal, £34,000 yearling; second foal; Naval Crown half-brother to 5f AW winner Dandy Breeze (RPR 78); dam placed 6.6f 2yo (69), from talented family; trainer saddled a well-backed 2yo newcomer to win at Thirsk recently; respected on debut, all the more so if strong in the betting.	K A Ryan Kevin Stott	11-4	-	-	-
	Too Many Spirits 2 9-7 Bred to sprint and he was backed in to 13-2 when fifth of eight, beaten just over 8l, on recent debut at Thirsk (5f, good); it will be interesting to see if his backers return but he needs a sizeable step forward.	T Coyle & K Wood David Nolan	14-1	-	56	59
	Ubettanotblink 2 9-4 £10,000 yearling; fifth foal; closely related to 7f/1m winner Adace (RPR 66), half-brother to winners The Spotlight Kid (7f/1m; 74), Haveachatma (5f/6f AW; 71) and Equipped (6f AW; 70); dam 5.5f winner (82); this Ubettabelieveit debutant may be one for further down the line.	C Lidster Sam James	25-1	-	-	-
	Village Hall 2 9-4 6,000gns yearling; second foal; dam unplaced 6f-1m (RPR 44), half-sister to 7f 2yo winner Borsdane Wood, out of unraced sister to dam of July Cup winner Mayson; it's likely this Tasleet newcomer will improve for the run.	T Easterby David Allan	20-1	-	-	-
	Cydney Sweenie 2 9-2 9,000gns foal, 25,000gns yearling; seventh foal; Caturra half-sister to winners including Vince Le Prince (7f including 2yo; RPR 83), Freyabella (5f AW 2yo; 82); dam French Group-placed 1m 2yo Flat; trainer's horses are running well and he can ready one first time; a possible.	J Morland Callum Rodriguez	10-1	-	-	-
	Margaret's Pearl 2 9-2 Belied 20-1 odds when keeping on for 2l fourth of eight on debut at Wolverhampton (5f, AW) a fortnight ago; could be sharper for that experience and today's stiff finish should suit; leading contender.	L De Souza Jason Hart	7-2	-	-	74
	Jolly Good Fellows 2 8-13 Kept on for 3l third of seven at 17-2 on debut at Wolverhampton (5f, AW) 11 days ago; her dam was a 5f and 6f (Listed) 2yo winner and there can be optimism that she'll improve; firmly in calculations.	Dr R Newland & J Insole Rossa Ryan	4-1	-	-	67

SPOTLIGHT VERDICT Wolverhampton third **JOLLY GOOD FELLOWS** is open to improvement on this second start and earns the vote ahead of **Margaret's Pearl**, who also showed promise on her debut. **Sea Mirage** could be a big danger on his debut.[Ben Hutton]

	Lady Youmzain 3 9-9	K A Ryan	Kevin Stott	4-6	-	59	97
Hello Youmzain filly who created an excellent impression when making a winning debut in 5f Beverley novice in September, drawing clear last 1f; she looks to have plenty more to offer this year and is the one to beat.							
	Elemma 3 9-2	R & P Fahey	Billy Garritty	7-1	-	-	-
135,000gns yearling; half-sister to five winners, notably Justifier (7f/7.5f Listed; RPR 106) and The Man (5f; RPR 102); dam, 5f/6f winner (RPR 95), is a half-sister to St Leger winner Kew Gardens; this Starman filly can't be ruled out, especially if the betting speaks in her favour.							
	Reader 3 9-2	M Tregoning	Daniel Tudhope	7-1	-	69	80
Shaped well when a debut second in 6f novice at Goodwood but she came in only eighth in 6f Chelmsford maiden later in October; this Mohaather filly is worth another chance.							
	Town Queen 3 9-2	K Burke	Sam James	3-1	-	-	-
160,000euros yearling; half-sister to three winners, notably Raving Royal (12.4f; RPR 85); dam Canadian 6f and 8.5f (Grade 3) AW 2yo winner (RPR 99); in same ownership as Lady Youmzain but this daughter of Blue Point needs considering.							
	Uncertainty 3 9-2	S Whitaker	Paul Mulrennan	50-1	69	65	79
Showed fair form at 6f/7f without winning for Richard Hannon at 2yrs but she came in last of four for her new yard in 1m Southwell nursery in November; lots more is needed.							

SPOTLIGHT VERDICT The betting should prove highly informative but **LADY YOUNMZAIN** looked a good prospect when scooting in on her debut at Beverley last autumn and looks the way to go ahead of debutantes **Elemma** (second choice) and **Town Queen** who both appeal on paper.[Peter Entwistle]

	Reciprocated 3 9-10p ¹ Looked seriously good when winning last June on his first two starts (6f, good/soft); failed to kick on subsequently in Listed race, Group 2 and a nursery, but returns having been gelded and he's a strong contender if tapping back into his initial promise; wears first-time cheekpieces.	K Burke	Sam James	11-4	91	80	96
	Daydreama 3 9-9 Won two novice contests last summer (good; including C&D) and kept on for close third of 14 in sales race at York (7f, good) in October; his peak form puts him in the picture but there's a suspicion the drop back in trip will be against him on his reappearance; gelded since last time.	T Easterby	David Allan	8-1	90	83	96
	Cape Ashizuri 3 9-7 Won on debut at Ayr (6f, good to soft) last July; finished last in Group 2 next time and runner-up in Redcar novice (6f, good) last November when last seen; gelded since; not obviously well treated off opening mark but his pedigree provides hope that he'll have more to offer.	J & S Quinn	Jason Hart	7-2	88	69	91
	Awraad 3 9-3 Won on debut here (5f, good) last April and close second to Anaisa in Listed race at Ripon in August (6f, good; albeit weak form for the grade); disappointing in nursery at Carlisle shortly after and she's 9lb higher for this return to action, but she's not ruled out for a trainer among the winners.	G Tutty	Connor Beasley	7-1	84	66	87
	Anaisa 3 9-3 She ran 11 times last year and won twice, including Listed race at Ripon (6f, good) last August; that was relatively modest form for the grade and she needs to prove she's capable off this sort of mark, but is not discounted.	T Easterby	Sean Kirrane	12-1	84	80	91
	Alaminos 3 9-1 Won a big-field maiden on debut at Thirsk (6f, good to firm) last August; disappointing at Haydock (6f, good) in September but pulled hard; brings potential to this 3yo campaign and could prove to be ahead of the handicapper, provided he settles better.	K A Ryan	Kevin Stott	4-1	82	76	90
	Daizen 3 8-7 Runner-up in two nurseries (6f, soft/AW) prior to getting off the mark at the sixth attempt in a maiden at Ayr (6f, soft) last September; that was an improved performance but he needs another step forward on this reappearance, in view of the handicapper's reaction.	R Menzies	Andrew Mullen	11-2	74	89	97

SPOTLIGHT VERDICT Topweight **RECIPROCATED** looked very promising last summer at the beginning of his career and, while he was disappointing subsequently, he returns having been gelded and is taken to get back on track. The unexposed **Alaminos** races in the same colours and could be the stand-out danger, ahead of **Awraad**. [Ben Hutton]

	Marhaba Ghaiyyath 4 9-9	Charlie Johnston	Callum Shepherd	3-1	100	99	114
Progressive in last year's 3yo campaign, going close at Glorious Goodwood (1m2f, good) in July; did pretty well to finish sixth on last month's return at Kempton (1m3f, AW) where he failed to settle and suffered interference; that run may have got the freshness out of him; on the shortlist.							
	Insanity 6 9-8	A King	Rossa Ryan	11-2	99	93	112
Soundly beaten on final run last term but on heavy ground, and it was a campaign in which he frequently ran really well, going close off this mark at York (1m2f, good) in October; won on his reappearance in 2024; respected.							
	Savvy Victory 7 9-7b	S Woods	Oisin Orr	15-2	98	101	112
His form deteriorated last year and he went 0-9; however, he's dropped down the weights and could improve for his recent comeback in a Listed race at Kempton (fourth); this C&D winner is not ruled out.							
	Military Air 4 9-4h ¹	D O'Meara	Daniel Tudhope	8-1	95	75	110
Useful in France, finishing third in a Listed race last season (1m4f, good to soft); changed hands for 45,000gns in October and his new trainer has done extremely well with French recruits over the years; interesting to see how he goes in the betting on stable debut, for which he wears a hood.							
	Flying Frontier 6 9-4	J Tate	Callum Rodriguez	8-1	95	85	111
Ran just three times last year, winning at Sandown (1m2f, good to firm) on the second occasion, and soft ground there may not have suited when last seen; also unproven on good to soft; this lightly raced 6yo is capable of having a big say if fully tuned up and handling conditions.							
	Antrim 4 9-2p	K Burke	Sam James	10-1	93	66	110
Front-runner who won at Newcastle (1m2f, AW) in December and Meydan (1m3f, dirt) in January; merely mid-division back in Britain at Newcastle (1m2f, AW) recently but that was a hotter race than this and he's not written off.							
	Have Secret 6 9-0v	R & P Fahey	Billy Garritty	7-1	91	100	112
Won at Redcar (1m2f, good) last November and not beaten far when fifth of 12 at Doncaster (1m2f, good to soft) last month; could show the benefit of that latest outing today and he's one to consider.							
	Fireblade 5 8-13	D Cunha	Rowan Scott	12-1	90	99	110
Did well for his new yard last season, winning twice (1m4f/2m, good to firm); his current mark maybe isn't beyond him but he's never run over a trip this short and he's probably vulnerable on his reappearance.							
	Romieu 5 8-13t	A Keatley	Mikey Sheehy	9-1	90	79	111
Very lightly raced, ex-French 5yo; up and down among his five British starts last season but ran some big races, including first time up, and he should be capable of winning off his current mark.							
	Parlando 7 8-12	I Williams	David Allan	10-1	89	-	112
Two AW wins in December (1m2f/9.4f) and good third at Kempton (1m4f, AW) last month; no threat at Newcastle (1m2f, AW) last time but that was a hot contest and this three-time turf winner is not ruled out each-way.							
	Sunriseontheboyne 4 8-4	B Haslam	Andrew Mullen	50-1	81	96	109
Four wins in Ireland last year and he's one to watch in the betting, but he's finished down the field at big odds on his three outings in Britain this year and is 2lb out of the handicap today.							

SPOTLIGHT VERDICT Having finished second in a couple of hot 3yo handicaps last July, there can be optimism that **MARHABA GHAIYYATH (nap)** remains capable of better and he can build on last month's reappearance sixth at Kempton. **Romieu** is another who appeals as being on a winnable mark and he may be the chief threat ahead of **Have Secret** then **Flying Frontier**. The ex-French **Military Air** is one to watch in the betting on his first run for David O'Meara.[Ben Hutton]

	No Return 4 9-9	Charlie Johnston	Callum Shepherd	9-1	75	76	87
A fair ex-Irish 6f scorer in 2025; kickstarted this year with a good Lingfield second but below par since, hood tried when beating one back there 25 days ago; more is needed back on turf.							
	Newsreader 5 9-9p	E Smyth-Osbourne	Alistair Rawlinson	7-1	75	75	85
A three-time 7f winner for Kevin Philippart de Foy in 2024; largely in good form for his current yard last term so he's no forlorn hope on his return.							
	Yorkshire Glory 5 9-7	B Haslam	Harry Vigors (7)	7-4	73	57	89
Gained a superb ninth success of the winter in 6f Newcastle handicap 25 days ago; gamely making all; reverts to turf now off a career-high mark but he's a big player once more.							
	Hectic 6 9-7p	L Bailey	Billy Garritty	10-1	73	76	85
Scored at Ripon (6f) in a relatively light campaign in 2025 and back this year with solid fourth placings in handicaps at Newcastle (7f) and Chelmsford (6f); ought to be in the shake-up eased 1lb.							
	Azure Zain 4 9-7	R & P Fahey	Jack Garritty	8-1	73	83	88
Ended 2025 largely in good form but he came in last of 11 on his return at Southwell (6f) in February, hanging left; handily weighted if back on his A-game here though.							
	Great 4 9-6	S England	Oisin Orr	6-1	72	76	86
A fair 6f winner for Richard Hannon in 2025; changed hands for 25,000 guineas and not discredited on just his second run for new yard when sixth of 15 in 6f Thirsk handicap 11 days ago; enters calculations.							
	Palmarian 4 9-4h	Mrs R Carr	James Sullivan	33-1	70	82	87
Capable of fair form but he failed to go on for John and Thady Gosden last season; off five months before a patiently-riden seventh of ten for his new yard in 6f Southwell handicap 19 days ago; can build on it now.							
	Valentine Catcher 5 9-1p	T Easterby	David Allan	12-1	67	69	88
Didn't prove the easiest to catch right in 2025 and only ninth of 15 in 6f Thirsk handicap 11 days ago; needs to take a big step forward.							
	Wish This 4 9-1p	Alan Brown	Sean Kirrane	10-1	67	63	85
Signed off last season with 6f success at Newcastle and he wasn't disgraced after five months off when sixth in 6f Southwell handicap ten days ago, fading late on; possibilities.							
	Diamont Katie 4 9-1w	K Burke	Jack Nicholls (5)	14-1	67	80	84
A fair 6f scorer in the first half of 2025; made an encouraging return from seven months off on the AW this winter until only fifth of seven at Southwell (6f; tongue tied) last month; has since undergone breathing surgery and no surprise to see her bounce back.							
	Hi Lord 4 8-13v	G Harrison	Barry McHugh	25-1	65	78	83
A fair 5f winner for Roger Fell in 2024 but has offered little promise for his current yard, visored when beating one at Southwell (6f) last month.							

SPOTLIGHT VERDICT Lots of these arrive with a question to answer so the remarkable **YORKSHIRE GLORY** is taken to extend his winning sequence to seven back on turf after his latest gutsy Newcastle success. **Great** could emerge as the main danger if building on his recent Thirsk sixth, although both **Diamont Katie** and **Palmarian** could also take a step forward here and have a say.[Peter Entwistle]

 Royal Deeside 6 9-9	P Morris	David Nolan	15-2	59	61	77
Tailed off on his last three Flat starts but ran well when second here (2m2f, good) last April and he's been in good form over fences this month; could be a contender.						
 Charlie Darling 6 9-5	Alan Brown	Sean Kirrane	7-1	55	-	69
Ran well at up to an extended 2m2f on turf in Ireland for Gavin Cromwell and he returned to form when third at Southwell (2m, AW) recently on his third start back from a long absence; in with a chance.						
 Home And Dry 8 9-4p	T Faulkner	Daniel Tudhope	11-2	54	-	73
Best Flat form has come on AW and he was tailed off over hurdles 19 days ago; however, that was his first run since last October and back then he won in this code at Chelmsford (2m, AW); has shown some promise on grass over hurdles; not discounted.						
 Izakaya 7 9-3h	C Poulton	J F Egan	13-2	53	45	68
Won two in a row on the Flat (2m1f/2m, soft) last autumn and running well when falling three out on hurdle debut in December; always in rear back on the Flat last month but that came after a 109-day break and she could leave than run behind this afternoon.						
 Different Drum 5 9-2	Miss L Allan	Paul Mulrennan	13-2	52	68	64
Out of form on the Flat between November-January but ran well here last June and he won over hurdles at Carlisle 17 days ago; could be firmly involved now he's back on song.						
 Edwardtheninth 5 9-1	R Jefferson	Oisin McSweeney	7-2	51	-	76
0-11 but he's run some good races at up to an extended 2m on AW since joining this yard and he's dropped some hints that he could be suited by this extreme test of stamina.						
 Capone 11 9-0	D Ffrench Davis	Callum Hutchinson	33-1	50	75	55
He's tumbled down the weights but this 11yo has struggled on AW on his three starts this year and a major turnaround is necessary.						
 Achnamara 7 9-0p	P Kirby	Kevin Stott	14-1	50	57	68
Well beaten over hurdles on his last two starts but hasn't run badly on his last two Flat outings (1m4f/2m, AW) and his trainer has won two of the last six runnings of this race; not discounted.						
 Lillistar 6 8-13	M D Hammond	Aiden Brookes	11-2	49	56	68
Below her best over hurdles 16 days ago but runner-up on the Flat at Newcastle (2m, AW) last month; consistent in this code last August-October and she's shaped as though this test of stamina could suit; on the shortlist.						
 Lady Phoebe 5 8-13	A Nicol	Cam Hardie	11-1	49	62	68
Just one win from her 28 starts and she needs to prove her stamina, but she's on a competitive mark on her Flat form last August/September and she ran pretty well over hurdles three weeks ago; trainer won this last year.						
 Ebendi 9 8-10	Andrew Wilson	James Sullivan	40-1	46	39	68
He's dropped to a basement mark but his sole win came in 2020 and this 9yo struggled to get competitive last year; first run since last October.						
 Lion City 6 8-9	C Ellam	Matthew Lloyd Slater (7)	40-1	45	-	68
Bumper winner who is lightly raced on the Flat but he's failed to threaten in his two handicaps in this code and has to raise his game.						

SPOTLIGHT VERDICT The mare **LILLISTAR** was runner-up at Newcastle last month on her latest Flat start and is the selection ahead of **Edwardtheninth**, who has also shaped as though he will be suited by this thorough test of stamina. **Different Drum** won over hurdles at Carlisle recently and is third choice ahead of **Royal Deeside**. Got off the mark for his current yard over 6f here last June and signed off with an excellent runner-up at Haydock (5f) in September; that form worked out well and he could have more to offer in 2026 so he's a player.							
	Tanjen 4 9-8	T Easterby	David Allan	9-1	69	63	81
Scored twice on AW in 2025 last autumn but he wasn't seen out after a poor 12th at Southwell (5f) in September; needs to hit the ground running after seven months off.							
	Fuji Mountain 4 9-7b ¹	Declan Carroll	Zak Wheatley (3)	14-1	68	86	81
Winless since 2024 but he went without his usual tongue tie (still absent) when beating one in 5f Doncaster handicap on his recent return; blinkers go on now and he could take a step forward.							
	Betweenthesticks 6 9-7p	Mrs R Carr	James Sullivan	4-1	68	74	82
Returned from six months off with success in 5f Wolverhampton handicap 17 days ago; up 2lb but this C&D scorer is not taken lightly in his current mood.							
	Military Girl 4 9-5	M Dods	Sean Kirrane	11-1	66	71	80
Scored on her reappearance at Catterick (5f) last season and mainly performed with credit after; she's now 3lb below that winning mark so needs considering.							
	Komorkis 4 9-5h ¹	L Mullaney	Ryan Kavanagh (5)	10-1	66	70	80
A fair 5f winner for Richard Fahey in 2025; changed hands for 1,400 guineas after but she made an encouraging start for her new yard with fourth of seven in 5f Nottingham handicap 13 days ago; in the mix with hood added.							
	Midnight Lir 5 9-3	M Dods	Connor Beasley	7-1	64	73	81
Without a victory since 2023 and he beat one in 5f Newcastle handicap when last seen out in October; lots more is needed after six months off.							
	Sergeant Mayer 5 9-2p	N Tinkler	Alex Jary (3)	14-1	63	81	80
Off six months and went without his usual cheekpieces when 11th over C&D two weeks ago; he scored twice at Ripon (5f) last May so no surprise to see him take a step forward here in refitted headgear.							
	Hidden Verse 4 9-1	Dr R Newland & J Insole	Rossa Ryan	7-1	62	61	79
A two-time 5f scorer in 2025; not disgraced after eight months off when sixth of 13 in 5f Bath handicap 16 days ago; one to consider with that run under his belt.							
	Dark Kestrel 6 8-13t	A Brittain	Cam Hardie	8-1	60	64	79
Kept busy on the AW this winter and already a dual 5f winner at Newcastle; not out of things if translating that form but he's yet to show his best form on turf.							
	Filly's Last Lady 5 8-11	G Harrison	Barry McHugh	16-1	58	68	82
A two-time 5f/6f winner in 2025 for Keiran Burke but yet to fire in two runs for her current yard and had been off five months before seventh of 12 in 6f Catterick handicap 13 days ago; needs to build on that.							

SPOTLIGHT VERDICT Ruth Carr's recent Wolverhampton scorer **Betweenthesticks** (second choice) seems sure to be on the premises, while **Military Girl**, **Hidden Verse** and **Komorkis** all have plenty to recommend them and can also have a say. However, this could go to Paul Midgley's **SPEEDING BULLET** who ended 2025 on the up and can make a winning return with the yard going well. [Peter Entwistle]
